D. The annual sermon was brought by Rev. Keith Williams, pastor, Mount Zion Baptist Church. For his topic, "Reaping Through Sharing the Dream," he also referred to II Corinthians 9:6-12. In his remarks, he stated that mostly everyone, every church, every association has a dream and has a goal set to make that dream a reality. We as Christians have a dream that all our loved ones will accept Christ as Saviour; that all churches will grow and get stronger and in turn will make our association grow and be stronger. Mr. Williams further remarked on Paul's writing to the believers in Corinth concerning a dream and his encouragement to bring Gentiles and Jews together. In order to reap through sharing the dream, a Christian must give an offering, use the talents, be knowledgeable in the Bible, and spend time alone in prayer. The most important thing would be to share ones personal testimony every opportunity one gets. He reminded the group that we're all going to stand before God and we should never be stingy with the seed at planting time lest we be short at harvest time. If we are to have a dream for our family, churches and/or association, it'll never be a reality unless we give ourselves in total surrender to God. Mr. Williams led in prayer of dedication.

35. Moderator Gresham expressed appreciation to Mr. Williams for this moving message and appreciation to everyone at First Baptist, Butner for their wonderful hospitality and delicious meal. He also reminded the group that materials were available from Baptist Foundation and Baptist Hospital.

She further stated that the church is Christ's instrument for the world's redemption, that there is need for new churches, new churches grow faster, new kinds of people coming into our area which would be more comfortable in a new church rather than a long established one. Dr. Hobbs challenged the group to get busy to seek these people out and that it is our Christian responsibility to reach out to those who need to have a relationship in a church and with Christ.

58. Vice-Moderator Lewis reminded the group that an offering would be received as they went to the evening meal. This offering would be for the Temple Baptist Church in England. (Offering amounted to $184.29 and was mailed on October 29.)

Sunday School Report

The Sunday School is the major Bible teaching program in our churches, therefore, the work of the Sunday School is vital to the growth, outreach, and effectiveness of our churches. This year has been an interesting and exciting one in Sunday School work. On March 7, 1986, our VBS team traveled to Burlington to attend the State VBS Training Conference. This conference was designed to equip our team to come back to our association and lead two Associational VBS Clinics. These were held at Pleasant Grove and Hester. We are happy to report that once again this year that every church in our association conducted VBS. The total enrollment was 2,744, an increase of two over last year. During these schools, 54 professions of faith were made and 15 rededications were recorded. Over 570 Sunday School prospects were found. A little more than $2,200.00 was given to the Cooperative Program and $51.00 was given to other mission causes. Two Mission VBS and six Backyard Bible Clubs were held in our association this year.

In Sunday School work, some of our churches reported increases in enrollment and attendance while others reported decreases. The overall enrollment in our association is 6,177. This is a decrease from last year's enrollment of 6,266. Your ASSISTeam has been very active this year. In May we began conducting "How to Guide" Conferences in churches across the association. Conferences aimed at helping to improve Sunday School work were held for General Officers, Adults, Youth, Children and Preschool teachers and workers. Currently five conferences have been held with 17 churches involved and 126 people have attended. The conferences have been excellent and we believe they will benefit the Sunday School work throughout our churches.

In the year ahead, we look to Challenge 10/90. This is a goal of having 10,000,000

enrolled in Sunday School across our Convention by 1990. If our churches are going to grow, our Sunday School must. I challenge each church to set goals to increase their enrollment and attendance in Sunday School this year. I also want to express my thanks to those on our ASSISTeam and those who helped lead our VBS clinics for their outstanding work.

Respectfully submitted,
Robert McCrary

Church Training Report

We have been fortunate to have had Cliff Houston as our Church Training director for the past three years but as you know he was called to serve Temple Baptist Church in England this past August.

Nineteen of our churches participated in some aspect of Church Training, mostly of a short-term basis. Only one church had ongoing Church Training and only one church, Peace's Chapel, participated in Children's Bible Drill. I commend Kristi Davis for her achievement of recognition in the Children's Bible Drill in the association and on the state level.

Now, I want to ask Chuck Mieir who is being nominated to fill this position to tell you about some opportunities in Church Training in the year ahead.

Report of Woman's Missionary Union

One hundred years ago a group of women in North Carolina had a vision. That vision became Woman's Missionary Union of North Carolina. Today the challenge is still being met in North Carolina and in Flat River Baptist Association.

Many activities have been held in connection with our birthday in individual churches and the WMU Spring Meeting centered around the observance.

Baptist Women joined with the Baptist Men for a banquet this year. Baptist Young Women enjoyed a spring banquet. Girls in Action had a day camp and Acteens held their annual spring rally.

Lest you think that all we do is have banquets, I want to mention the mission projects which were carried out. Last December the WMU participated in a Christmas Toy Store which gave toys and a New Testament to those who came. Prayers and listening were provided.

We helped with the Vacation Bible School at the Oxford Orphanage, the migrant ministry, the Butner Christian Social Ministry and our bold missions thrust endeavor sent $400.00 to the London Village Baptist Chapel in Delaware and $200.00 to the Temple Southern Baptist Church in England where Mr. Wainwright was interim pastor this past year for three months.

This has been a good year in WMU with increases in membership in some organizations and decreases in others.

My term in office has come to a close but my concern for missions has not ended. I ask you to pray for our WMU leaders and our missionaries. Become involved in your own church if you're not already and more committed if you are already involved.

Repsectfully submitted,
Edith Frazier

Brotherhood Report

In November of 1985 four Baptist Men (Robert Wainwright, Charles Gupton, Vern Moser, and J. B. Clay) went to West Virginia with the North Carolina Baptist Men's Relief Team to help clean up the area after the flood. They worked with about 40 other men from North Carolina for three days.

In June 1986 two Baptist Men (Rickey Henley and Larry Cole of Knott's Grove Church) went to Huntingdon, England to help build a new building for the Temple Baptist Church.

The 1986 Baptist Men/Women Banquet was held at J. F. Webb High School in January. Approximately 350 people attended from 29 churches. Manuel Cunnup was the featured speaker.

The Mission Fair and Car Competition for the RA's was held at Oxford Baptist Church in February. Boys from 14 churches participated. Several of our associational winners went on to the state competition and were also winners there. Bill Reynolds, a student from Southeastern Seminary, was the guest speaker.

The RA Track Meet was held at J. F. Webb High School athletic field in April. Boys from ten churches participated.

The RA Conclave was held in May at Camp Oak Hill with Tony McDade leading the group. Jack Ollis, missionary to India, and Clif Forrester, migrant missionary, were featured speakers. Ten churches were represented by 108 boys and leaders.

Eleven boys from five churches attended Camp Caraway in June.

North Carolina Baptist Foundation Report

The North Carolina Baptist Foundation assists individual Baptists in finding ways of continuing their support of all Baptist causes with estate and deferred gifts. In 1985 North Carolina Baptists placed over one million dollars in new trust agreements with the Foundation. Endowment of Cooperative Program was a primary trust designation.

It is now possible through the Foundation for each Baptist to "Give It Twice," once to family, then to Kingdom causes.

If you haven't "tried" Baptist Foundation's plan, you've missed a real joy in stewardship investment. I heartily recommend it. I hope you'll find out more about it.

North Carolina Baptist Hospital Report

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40 percent of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of nine young people who drank potasium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $556,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Cooperative Program Report

Born in the 1925 Annual Session of the Southern Baptist Convention, the Cooperative Program is serving us well today. It is helping to teach our churches and church members the Biblical teaching of stewardship. It is helping give a dream of Bold Mission Thrust a financial basis in which to implement the dream. It is helping to keep on building a missionary force to get the gospel to over 100 countries in the world. It is helping to provide theological education to one out of every five theology students in North America. In short, the Cooperative Program serves our 33 churches with an avenue to do the ministry we are called to do.

We encourage greater participation in the Cooperative Program to reach our Bold Mission Thrust commitment. We encourage each church to include greater mission giving in their objectives, goals and their vision. Many organizational methods and plans are available for your church. We are ready to help meet your needs.

The Flat River Associational records reveal that our 33 churches last year contributed $174,800 through the Cooperative Program. This was an increase of 7.7 percent over last year. Our churches also contributed $53,392 to associational missions, an increase of 4.5 percent over last year.

We thank each and all churches for the continued support to gain the reality of our vision of the Kingdom of God. I am proud to say today that I am a Christian by conversion, I am a Baptist by conviction, and I am a Southern Baptist by Cooperation!

Ken Kelley

Report of Foreign Missions

The Foreign Mission Board was created to provide a channel through which the churches could work together to share the gospel with all nations of the world.

The missionaries focus on sharing the gospel of Christ overseas. They may differ in the way they approach people's needs, but we would be impressed by what we find in their self-giving dedication to helping people in their total needs: by meeting hunger and physical needs these can be combined with the news of Jesus Christ to meet spiritual needs.

Today there are 3,700 Southern Baptist missionaries serving in 107 countries.

Southern Baptists gave $66,862,113.65 to the 1985 Lottie Moon Christmas Offering for Foreign Missions - the largest ever.

The goal for 1986 for foreign missions is $75 million. May we be challenged to pray and sacrificially give to our church's Lottie Moon Christian Offering, and to increase regular giving through the Cooperative Program.

It is good to note that during the past year two couples who have served in our association have been appointed into foreign mission work -- Ron and Margie Carothers, former minister of education and youth at Oxford Baptist Church, are serving in Guatemala as general evangelist and church and home worker. Ronn and Angelia McCracken, former pastor and wife of Peace's Chapel Baptist Church, will work in the Dominican Republic where he will be starting and developing churches, and they will be involved in a variety of outreach ministries.

As we think of our 1986 theme for foreign missions emphasis, "We Must Make Christ Known," it is a challenge to each of us to help give so doors can be opened for sharing the love of Christ.

As more people around the globe recognize their need, we must remember that people need the Lord so we must pray forth laborers to tell them, and give to the Lottie Moon Offering to help support them.

Respectfully submitted,
Mrs. Lawrence Davis

Budget Promotion

The 1986-1987 Budget was presented to and approved by the Executive Committee of the Flat River Baptist Association in July of 1986. The overall budget increased 3.5 percent over last year's budget. Increases under operating expenses are a result of postage and telephone expenses incurred from the services provided by our associational office. Transportation, which is the operation of the associational van, was reduced by $300.00. Church Development and Christian Education Ministries were reduced by $100.00. Director Missions Ministries increased by $550.00 of which $300.00 is earmarked for an item called New Work. New Work will be a mission effort in the Butner area. Personnel expenses increased by about four percent. The total dollar amount that the budget has increased is $2,016.00.

Receipts from churches were up about 4.5 percent over last year. This was a good increase in receipts but not as good as the 11 percent increase that we had in the 1984-1985 budget year. The Budget Committee would like to take this opportunity to encourage all churches not doing so to set a goal to increase their associational giving to at least four percent of their undesignated offerings. With that kind of support from our churches during the 1986-1987 budget year, our associational office can carry out its ministries with great expectations of what the Lord can do when His people are willing to give.

The Budget Committee would like to express our appreciation to each church for its support and cooperation. May God continue to bless each of you in your ministries and service for Him.

Respectfully submitted,
Tommy Averette

FRBA Trustees Report

The Trustees met with Mr. Lee Dickerson of Oxford Aluminum Products, Inc. to go over the details of installing vinyl siding on the associational building. The total cost was approximately $10,000.00 as quoted earlier. A recommendation was made to the association in the Executive Committee in April 1986 to install the siding and ask each church to donate $1.00 per resident member to help on the cost, with the remainder to be borrowed. A motion was made and passed to accept the recommendation. Twenty-one churches have made donations bringing the total in the Building Fund to $6,287.93. We greatly appreciate the response from these churches and urge others to make donations as soon as possible.

On November 1st we will have a work day at the associational office to do some odd jobs such as tearing off the old chimneys and capping the roof, scraping old paint from porch columns, etc. We encourage all churches to participate in this work day.

Respectfully submitted,
TRUSTEES OF FRBA:
Lee Roy Beam, Chairman,

Music Report

The Volunteer Music Director's Retreat held October 10-11 at Camp Caraway was attended by several members of Providence Baptist Church. There is no record of any other churches attending the retreat.

Most music directors have begun their plans for their church Christmas program but as a reminder there are several cantatas in the Flat River Association Library that can be checked out. Churches have made available their cantatas so other churches can have access to music at no charge. By exchanging music, each church can keep their music budgets down. All churches are encouraged to participate by making their cantatas available through the associational office and by feeling free to check any of the music out.

A special thank you goes out to all of the musicians who so willingly shared their time and talents in providing our special music for our annual associational meeting. At Monday's session held at First Baptist Church, Butner, Rev. and Mrs. Eddie Cooper of Stovall, and Mrs. Jack Edge of Mountain Creek provided special music. Mrs. Eddie Cooper also accompanied the congregational singing on the piano. Rev. Chuck Mieir of Stovall lead the congregational singing. At tonight's meeting the Corinth Baptist Church Adult Choir, under the direction of Mrs. Sherree Preddy, and the Chowan College Choir, under the direction of Dr. James Chamblee, will be providing the special music. Mr. John Owens of Mountain Creek will be accompanying the congregational singing on the piano and Mrs. Sherree Preddy of Corinth and Rev. Race Lariscy of Knott's Grove will lead the congregational singing. Thank you again for sharing your music ministry with us.

Respectfully submitted,
Sherree B. Preddy

Report of Van Committee

The associational van continues to be used by churches in the association and for groups in associational ministry. It is available to church-sponsored groups of six or more on first come, first serve basis.

The van hs been used 22 times in associational activities with an average of 11 persons per trip for a total of 3,976 miles. It has been used by 15 churches for 41 trips with an average of 10 persons per trip, for a total of 9,060 miles.

Total miles driven in 1985-1986 was 13,036 miles. The van had 92,604 miles on it at the end of September 1986.

Some repair and maintenance done on the van during the past year include: a complete engine overhaul, which cost $1,701.97, and this was paid from the van savings account. Also, the muffler was replaced, carburetor rebuilt and air conditioner was charged.

The fee for van use is 10 cents per mile which is placed into a savings account for major repairs or van replacement in the future. The total amount in this savings account as of September 30, 1986, was $1,830.24.

Report of Senior Adult Coordinators

The ever increasing number of senior adults in our Flat River Association has been busy again this past year in all of our churches.

October 7-11, 1986, was the time of the 13th Senior Adult Chatauqua at Ridgecrest, N.C., that was attended by 14 of our senior adults from five churches.

On November 14, 1985, the senior adults met at Oxford Baptist Church for a covered dish luncheon. Forty members from 11 churches enjoyed fellowship that day. Dr. Rudy Patton, pastor, welcomed the group. Rev. Bob Wainwright, our Director of Missions, showed slides of the October Senior Adult Chatauqua at Ridgecrest. Rev. Patrick B. Cox, chaplain at the Oxford Orphanage, presented a slide program of the facilities and services at the orphanage, which is owned and operated by the North Carolina Masons.

February 13, 1986, was the time of the second Valentine covered dish luncheon held at the Oxford Baptist Church. Thirty-eight members and seven churches attended this event. A sing-a-long of old favorites was shared with Sue Currin, Hester Church, at the piano.

A bus trip on April 23, 1986, was made to Campbell University, Buies Creek, N.C. with 35 members from several of our churches attending this event. Dr. Wiggins, president, gave a history of the university.

In May 1986 several of our churches observed Senior Adult Sunday. Many senior adults participated in the services in their churches.

Our second annual picnic was held on August 14, 1986, with the Enon Baptist Church as hosts. Forty members from eight of our churches were present. Rev. Bob Wainwright and his wife, Betty, told us of their interesting trip to Huntingdon, England where he served as interim pastor during May, June and July. They showed slides, pictures, maps and told of their experiences. They also shared the other trips they had in other parts of Europe.

Our senior adults are very much a part of the scene in our churches. They are ready and willing to share their experiences to help train tomorrow's leaders in our churches. Our seniors are "Coming of Age," the topic of the Ridgecrest Senior Adult Chatauquas this year.

Respectfully submitted,
Austin and Ethel Stokes
Senior Adult Coordinators

Report of Executive Committee

The Executive Committee held its three regular meetings this year in January, April and July with good attendance at all meetings.

The reports given by directors of each department indicated continued growth.

We are pleased to report that from the Treasurer's Report we have operated in the black all year with a good balance at year's end. At the April meeting several vacancies were filled. Rev. Randy Bridges, pastor of Hester Church, was named to replace Rev. Bob Rhoden on Evangelism Committee; Mrs. Mary Bradsher from Butner First Church to replace Mrs. Bob Rhoden on Youth Committee; Rev. Ron Craddock, pastor of Amis Chapel Church, to replace Rev. Edgar Boles on Ordination Committee. Accepted

motion from Nominating Committee to elect Mrs. Sherry Preddy from Corinth Church as associational music director to replace Rev. Bob Rhoden who moved from the association.

Accepted and passed five recommendations from the Missions Advisory Committee: (1) that Rev. Bob Wainwright, Director of Missions, be granted a three-months leave of absence with pay during May, June and July to serve as interim pastor at Temple Baptist Church in Huntingdon, England; (2) that Mrs. Frazier be authorized to use any extra time she needs while Bob is away to be paid at the same rate she is being paid; (3) that the Flat River Baptist Association make request to Baptist State Convention of North Carolina for $900.00 each for Resort and Migrant Ministries for 1987, an increase of $100.00 each over 1986; (4) that each of the five ASSISTeam members be reimbursed $10.00 per Sunday School "How to Guide" conferences for expenses. This would be $450.00 with $200.00 coming from the 1985-86 FRBA Budget and $250.00 to be allowed in the FRBA 1986-87 Budget; and (5) that the FRBA Constitution Committee look into the advisability of incorporating the Flat River Baptist Association.

Motion was made and passed to accept recommendation from Trustees to ask each church in the association to contribute $1.00 per resident member to help pay for installation of siding on associational office and that installation proceed and the Trustees borrow needed funds to complete the job.

At the July meeting Rev. Dan Hill, pastor of Fellowship Church and present member of Ordination Committee, was asked to serve as chairman of the Ordination Committee; and Rev. Richard Clore, pastor of Bullock Church, was appointed to replace Rev. Ernest Center as member of Ordination Committee.

The Nominating Committee's Report for department directors to serve 1986-87 was accepted: Sunday School director, Rev. Robert McCrary, Peace's Chapel; Church Training director, Rev. Cliff Houston, Tally Ho First; Brotherhood director, Mr. J. B. Clay, Oxford; and WMU director, Mrs. Peggy Yancey, Enon.

The FRBA Budget for 1986-87, totaling $58,916.00, presented by the Budget Committee, was accepted and passed. This is an increase of $2,016.00 over 1985-86.

The Executive Committee voted to give Mrs. Frazier, FRBA secretary, a check for two weeks salary over and above her regular salary as an honorarium while Mr. Wainwright was in England.

Thank each of you, church members and pastors, for your faithful and dedicated service through the past year.

Respectfully submitted,
George Gresham, Moderator

Report of Retirement and Annuity Program

Last year was another banner year for us. While other financial organizations experienced hard times, we had an 18 percent growth rate.

Retirement plan contributions reached a record $114.9 million. The Lord blessed us with outstanding investment results. Investment income also reached an all-time high of $198 million.

Nearly 16,000 annuitants received more than $44 million in retirement benefits.

On the horizon, there are also some exciting new programs which we feel will benefit Southern Baptists for years to come.

Last year our churches and associations began adopting the expanded Church Annuity Plan. This could double our mission enterprise. It will enable thousands of our retired ministers and church workers to serve as mission volunteers. Financial restraints prevent most retirees from doing this now.

The expanded Church Annuity Plan is a symbol of the strengthening cooperation between the churches and state conventions. By adopting the Plan as a part of policy, churches assume the responsibility of taking care of those who have served the Lord in their congregations. When the churches adopt the Plan, the state conventions pledge to make contributions on behalf of these servants. This cooperative effort will make a dramatic difference in the retirement income of Southern Baptist annuitants.

Efforts will continue throughout 1986-1987 to lead all Southern Baptist churches to adopt the expanded Church Annuity Plan. If you have questions, please call the associational office or the state convention.

At the present time, there are 23 of the 33 churches in Flat River Association enrolled in the Annuity Program along with the Director of Missions and secretary of the association. Last year, the Flat River Baptist Association voted to adopt the expanded Church Annuity Plan.

Respectfully submitted,
Norman Hicks

Home Mission Report

This report of our Home Mission work in the Southern Baptist Convention is a highlighted picture of how God is working in this land today. It is a story of people who are allowing themselves to be used of God to share the Good News of our Lord and Saviour, Jesus Christ.

Home Missions is - people giving a cup of cold water in Jesus' name; - a church in a city selling its property and moving out to form new congregations in order to reach more people with the gospel; - people in associations around our nation making a commitment to establish new churches; and - pastors leading their churches to set witnessing goals for their congregations of reaching every unsaved person in their respectful communities for Christ. These are only a few examples of Christian persons ministering and witnessing on the frontiers of spiritual need in America.

This year our Home Mission Board has assigned 3,365 missionaries, 46,000 volunteers, and 1,628 Mission Service Corp Volunteers to work in the field of service.

Over 1,500 new churches were started around our nation with 486 Church Starter personnel working with them. The Home Mission Board assisted 701 churches in the area of finances. Out of this figure 76 churches grew to successfully support themselves.

The Annie Armstrong Easter Offering had a good increase but we did not meet our goal.

The Home Mission Board Proposed Budget for 1987 is $67,324,354.00.

In North Carolina our Home Mission offering had an increase of five percent over the previous year. The total offering was $3,289,889.61 with an increase of $175,157.35 over the previous year.

State Missions Report

We often hear the question "What is State Missions?" In order to understand what comprises State Missions, picture an outstretched hand with five fingers which are different in function, yet they can work together to accomplish what each finger could never do alone. These five fingers can represent individual churches, groups of churches (associations), churches throughout the state working together (state convention) and all three working together to win people here at home and those abroad (home and foreign missions). Most of the mission ministries that take place in North Carolina are in response to the needs of people living here and are planned and carried out through a cooperative effort of the local associations and the state convention.

The 79 associations in the Baptist State Convention of North Carolina have always been a mainstay in promoting and carrying out ministry. The very nature and purpose of the association is to provide a program of assistance that aids cooperating churches in reaching their full potential for spiritual growth and service.

Our theme this year is "Changing Lives . . . Through State Missions." This can be carried out by our liberal contributions to the State Missions offering including the following: mission ministry, Caswell Capital Fund, Christian Higher Education, North Carolina Baptist Men, Caraway, Caswell, and Christian Action League.

Remember our goal for State Missions this year is $1,125,000.00. We can reach this goal if we work together. As we have often heard "United we stand, divided we fall."

State Missions is the challenge and privilege of all Baptists. Just think what could be done in this state if each Baptist - each Christian - took seriously God's call to be His witness.

May we prayerfully seek God's will by following our theme, "Changing Lives . . . Through State Missions."

Respectfully submitted,
Mrs. F. E. White, Jr.

Butner Christian Ministries Report

It has been a pleasure once again working with Butner Christian Ministries. I am pleased to report the BCM continues to flourish due to the support of the many fine churches in our association. WMU groups as well as Brotherhood groups are involved with ongoing Bible studies including Sunday School classes. Other groups have generously donated clothing and food items as well as money to various institutions in the Butner area. Fifth Sunday visitation at Murdoch Center continues to be successful with many of our churches participating. During Christmas last year Operation Santa Claus afforded many of our WMU groups the opportunity to give gifts to those who would ordinarily receive very little.

I would like to express my thanks to the many groups as well as individuals who have given of themselves or their material possessions. It is a joy working with people who want to reach out of their world into another world starkly different from the one they know. These individuals understand the words of Christ, " . . . the well need not a physician."

As another year closes and as a new one begins, old challenges have been met and new ones are yet to be accomplished. With those challenges in mind let us not forget the words of the Apostle Paul, "I can do all things through Christ which strengtheneth me," as we joyfully enter into another year of service for our great Lord.

Report of Delaware Youth Mission Trip

Lynette and myself were the leaders for this year's Delaware Youth Mission team. Thank you for that opportunity.

The mission trip started on Sunday, July 13th, with a commissioning service at West Oxford Baptist Church and we returned home on Saturday, July 19th. Those going on the trip were as follows: Ronda Hockaday, Brassfield; Buddy Payne and Gary Watkins, Knott's Grove; Charlene Callis, Stovall; Sheri Center and Angie Martin, Florence Avenue; Melissa Coley and Vonda Williams, Mount Zion; Rene Lloyd, Providence; and Valerie Jo Denny, Sharon.

While in Delaware we worked with home missionaries, Dallas and Sandy Glass. Dallas is the pastor of the London Village Baptist Chapel in Magnolia which at the present time is a mobile home converted into a chapel. The congregation at the present time is working on a new structure for the chapel. The walls and the roof are on the new chapel and only the framework is completed inside. The chapel when completed will consist of a sanctuary and Sunday School rooms. There is much needed work to be done. We urge each and every one of the churches in our association to support the mission by giving money or taking time to go and lend a hand in the construction. We also urge you to encourage some youth from your church to go on the next mission trip.

At this time Lynette will tell of our activities: In preparing for the trip we had some team meetings to discuss our plans. We also conducted two sessions of Backyard Bible Clubs at Oxford Orphanage. These sessions helped the youth get a feeling of what the mission trip would be like. At London Village we would have Vacation Bible School and Backyard Bible Clubs for all ages. Here is what a day would be like:

Before Bible school we would have a song session; next would be Bible school; break for lunch; have Backyard Bible Clubs; some free time and back at the chapel for a night session.

The youth worked very hard along with the London Village Chapel workers. The Lord poured out His blessings on the chapel and on the youth as well.

Pastor and Wife, Brassfield Baptist Church

Associational Evangelism Report - 1985-86

Our Associational Evangelism Report for the 1985-86 year is characterized by highs and lows. The unfortunate low is the continuing decline in numbers of baptisms in our association churches. Since 1983 the numbers have been 178, 154, 143, and 137 this year. As pastor of one of the churches with a dramatic decline since last year, I call myself and

my fellow pastors to examine our commitments to our primary purpose of evangelism, and wish to challenge all of us to be about the business of introducing persons into the Kingdom of God through the saving knowledge of the Lord Jesus Christ. His power to save hasn't diminished, so the probelm definitely lies with all of us who claim the name of Christ. Witnessing and equipping Christians to be witnesses must move to the forefront of the missions of all our churches.

Now for the good news: This year we participated together in our nationwide effort, "Good News America, God Loves You" Revivals. Twenty-six of our churches participated in this effort with 20 of those reporting on their results. Those results included 1,450 New Testaments distributed, 963 prospects discovered, 30 new persons enrolled in Sunday Schools, and 25 precious souls who professed faith in Christ. We praise God for those results, and offer thanks also for the spirit of cooperation and fellowship fostered among our sister churches in this effort.

One other note of interest: While total associational baptisms were down, many of our churches experienced dramatic increases. We praise God for yielded lives that give such beautiful evidence of the power of the Holy Spirit to bring about new birth.

I would be remiss if I did not mention the many extra miles of ministry that were done by our Director of Missions and associational secretary in connection with our "Good News" Revivals. Thank you for your commitment to keep our primary responsibilities before us.

Respectfully submitted,
E. Rudy Patton
Evangelism Chairman

Report No. 26

Report of Director of Missions

Dr. Lloyd Elder, president of the Southern Baptist Sunday School Board, said in this month's issue of *Facts and Trends*: "Our world would be changed forever and in ways we cannot even imagine . . . if the dreams and goals of Bold Mission Thrust were to be achieved . . . if Southern Baptists, under the guidance of the Spirit, were to have 50,000 churches and 24 million members by the year 2000 . . . if the Word of God were shared with millions in our nation and around the world . . . if the Bible were put into the hands of every person in the world and studied by believers and unbelievers."

We as an association have been involved in many ways in sharing the dream of telling every person in the world about Christ.

We are sharing the dream through our gifts through the Cooperative Program and other special mission offerings. You increased your giving a little over $12,000.00 in each of these areas.

You shared the dream in England as you made it possible for Betty and me to go to England as your missionaries for three months to serve the Temple Baptist Church. (We will tell you more about that later.)

You shared the dream in Delaware as your Youth Mission Team worked at London Village Chapel in Vacation Bible School and Backyard Bible Clubs with needy children and by contributing to the building fund.

You shared the dream through Butner Christian Ministries by your contributions and by going to share with the residents there.

You shared the dream through migrant ministries as you provided health kits, Spanish

New Testaments, Clif Forrester as migrant minister and participated in migrant days.

You shared the dream through resort ministries at Kerr Lake led by Charles Sloan at Hibernia Campground and Mr. C. H. Guerrant of Island Greek Baptist Church at Nut Bush Campground.

You shared the dream through Good News America Simultaneous Revivals as Dr. Patton has just reported to you.

You shared the dream by providing opportunities for mission education, leadership training and outreach through your program organizations.

I could go on listing many other ways that we have shared the dream as an association and individual churches, but a dream by its very nature is about the future. What will we continue to do and what new dreams do we have to share God's love with a lost and dying world?

One of the really sad stories in the Old Testament to me is found in the 13th chapter of Numbers. After God had brought the children of Israel out of Egypt with mighty and wondrous signs they rebelled against Him and would not enter the promised land. There were giants in the land! This had been their dream for hundreds of years but they refused to share the dream and that generation died in the wilderness.

There are many today that prefer to stay in the wilderness rather than to share the dream. I find myself in the wilderness sometimes, willing to stay with what we have been doing and what is safe. I need you to help me to continue to dream, to seek new ways to reach people and minister to people. Share your dreams with me and we will look at them together.

We need to share the dream through starting new work. Sara Ann Hobbs is going to talk to us about that in a few moments. I am grateful for the leadership of the State Convention in this area of new work. We have surveyed an area where new work is needed, we have the names of prospects, we have materials we can us to involve people in Bible study. All we need now is people who will go and share the dream and be a part of watching it grow.

We need to share the dream in new resort areas that are being opened in our area. We don't have the funds to hire summer missionaries to serve in all of these areas but we have churches that are located near the campgrounds that could take this as their ministry.

We need to share the dream by training our Sunday School teachers and church leaders in witnessing so that we can be more effective in reaching those around us.

We need to share the dream by working with prisoners who are so open to hearing God's Word during the time they are in prison.

We need to share the dream by helping Larry Elliott and some of our other missionaries with projects such as providing tools for a vocational training center.

We need to share the dream at Temple Baptist Church in England to complete their building so they can be more effective in witnessing to hundreds of Air Force personnel stationed there.

We as Southern Baptist are involved in sharing the dream all over the world today. Dr. Bryan and others on the program have told us about that in such a fine way. I thank God for the many ways that we have been involved. It is only as we keep sharing the dream, going where God leads us, in spite of giants in the land, that God will bless us and use us to bless others. Our God is big enough to overcome the giants whatever kind they may be.

I challenge you not to miss out on the blessing that will be yours as you share the dream -- the dream of telling every person in the World about Jesus Christ.

Report No. 29

Temple Baptist Church in England

Betty and I appreciate so much the opportunity we had to represent you as we served as interim pastor of the Temple Southern Baptist Church in England during May, June and July of this past year. Following is information on the church.

Temple Baptist was organized in 1969 to minister to Americans stationed at RAF Alconbury, and the British people of the surrounding communities of Little Stukeley, Great Stukeley, Alconbury and Alconbury Weston, where no England Evangelical work exists. The church has met in various locations, but presently is renting space from the Spaldwick Free Church, ten miles from the base. There are no other places in the area to meet, and it is generally felt that the location hurts the growth of the church.

In 1980 the church purchased property immediately adjacent to the Main Gate at RAF Alconbury. With monies from the church, the European Baptist Convention, and Lottie Moon, a building was started. Volunteer work crews have come from Florida, Louisiana, Missouri, and North Carolina to help with the work. The building is under roof and can soon be completely enclosed which will allow interior construction to proceed. It is estimated that an additional $126,000.00 will enable the congregation to utilize the building. The church needs financial help from Christian friends outside the church. Temple Baptist Church hopes and prays that enough money will be given to enable the church to then borrow the additional amount needed to complete the building.

With a new squadron of TR-1's being based at RAF Alconbury, and other personnel increases, it has been publicly announced that the "build-up" at Alconbury will continue until it is the largest single base in England. For this reason, the completion of the new church is of greater importance, and the location of the new church is proving to be providential. When the church is finished and begins to reach new people at Alconbury, it will be then able to support itself completely.

There are three "all inclusive" goals of the church -- REACH PEOPLE . . . this includes the believers who come to this area (or live here) and present the Gospel to those who do not know Christ; TRAIN PEOPLE . . . beginning with Believers classes, Sunday School, and all the programs of the church, we will seek to make disciples of as many as we can; SEND PEOPLE . . . since we are confronted with the rotation system, then we believe the Lord would have us use it. Therefore, after reaching and training people, we will send them to their next station better prepared to serve the Lord and His Church than when they came.

Be much in prayer for this congregation and their pastor and family, Cliff Houston, wife Karen and children, Emily and Amanda. Cliff began as pastor on August 23, 1986, after serving as pastor of the Tally Ho First Baptist Church in our association.

Memorial Service

We pause to honor those that have departed this life since we last met. Each one holds a special place in the hearts of family, friends and loved ones. May we find comfort in this poem, "Some Of These Days," by Frank L. Stanton.

SOME OF THESE DAYS

Some of these days all the skies will be brighter;
Some of these days all burdens will be lighter;
Hearts will be happier, souls will be whiter,
Some of these days!
Some of these days, in the deserts upspringing,
Fountains shall flash while the joy-bells are ringing;
And the world - with its sweetest of words - shall go singing,
Some of these days!
Some of these days! Let us bear with our sorrow!
Faith in the future----its light we may borrow;
There will be joy in the golden tomorrow----
Some of these days!

Baptist College Report - 1986

North Carolina has long been a recognized leader in the field of Christian higher education. A total of seven colleges, educating students for a cumulative total of 786 years, has been established and is supported by Baptists within the state. In fact, those leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. As a consequence of the commitment of Baptists to higher education in North Carolina, the histories of the Convention, the churches and the colleges are inseparably intertwined.

The following is a "roll call" of colleges with items of interest appropriate to each institution:

CAMPBELL - "A Century of Vision and Service" is the theme of the special centennial year observance during 1986. The new School of Pharmacy will open for studies in the fall, and a School of Education has been established for graduate studies. Extension programs are currently offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Stanford, and in Wales and Malaysia.

CHOWAN - President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation and this institution continues to enjoy a national reputation as a high quality two-year college. A four million dollar campaign for additional student aid, scholarship assistance and program support is currently underway.

GARDNER-WEBB - On June 1 Dr. M. Christopher White, vice president of Elon College, became the 10th president of Gardner-Webb following the retirement on May 31 of Dr. Craven E. Williams who had served in this capacity since July of 1976. Gardner-Webb takes pride in its assistance for deaf and blind students who wish to earn a college degreee as one of its many fine educational programs.

MARS HILL - A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continue to be a major emphasis.

MEREDITH - Central to the mission of this college are the themes "culture made perfect through the religion of Jesus Christ" and "thorough instruction." Extensive studies conducted during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. In June construction of the new Gaddy-Hamrick Art Center was begun.

WAKE FOREST - Convention leaders and university trustees continue to meet to clarify the basis for a continuing relationship. Wake Forest University, founded in 1834, continues to be acknowledged as a superior university among church-related schools in the nation.

WINGATE - This institution will celebrate its 100th anniversary in 1995. In anticipation of this event, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Included in the plans are numerous building, renovation and beautification projects, library expansion, additional faculty support and student financial aid.

North Carolina Baptists have much to be proud of in our continuing efforts to provide quality educational experiences for the youth of our state and indeed the nation.

We are investing much in the future leaders of our country, our state, our communities and our churches. Continue to be in prayer for our leaders, the faculty and the students of these fine institutions of higher learning.

Respectfully submitted,
Lenny Rogers

Migrant Ministry Report

Clif Forrester served as our migrant minister the past three summers. He completed his seminary work in August and moved to Wappengers Falls, New York to serve as a bivocational pastor of a mission church. I am grateful to God for his ministry here and pray that God will bless him in this new area He has called him to.

Visitation of migrants was begun the last of May and continued through August. Sunday morning Bible study in Spanish was held at Oxford Baptist Church at 9:45 a.m. with an average of 14 in attendance.

Migrant days were hosted by Oxford, West Oxford, Florence Avenue and Mountain Creek. Churches helping sponsor the migrant days were Amis Chapel, Bullock, Butner First, Concord, Corinth, Delrayno, Fellowship, Peace's Chapel and Stovall. There were 259 migrants that attended and about 200 from the churches that came to help with the meal and other activities.

Clif made 162 visits to 60 different locations, distributed 150 health kits prepared by WMU groups (53 were prepared by GA's at Day Camp), 75 Spanish New Testaments, and counseled with many individuals about their spiritual needs.

The migrant ministry continues to show how we can minister in a meaningful way together to Spanish-speaking people who are in our midst for a short time.

Resort Missions Report

The resort missions project at Hibernia Recreational Area on Kerr Lake has gained much ground. It has become an established ministry that campers recognize and look forward to each weekend. This is evidenced by the 100 percent increase in numbers over last year. Even though the water level was down drastically most of the summer and the crowds were down from last year, there was an average of 26 campers at the worship services held at 8:30 a.m. on Sundays and 40 for the Sunday night Christian film series.

Rev. Steve Lewis served as my supervisor as I took supervised ministry in conjunction with my resort ministry. Steve gave me many ideas to use in individual participation and evangelism and set up dates for me to speak at about 10 different churches. The "Wuppets" from Tabbs Creek Baptist Church performed remarkably well once this summer also.

In retrospect, the recreational approach works well only with large groups at Hibernia whereas the use of the puppets and dialogical monologue works well even in the worship services. It is my recommendation that the trailer should be parked in the electrical hook-up area of area number two because of the large number of people there, even though there is a $7.00 fee each night. Through the use of the campground survey form

that I developed last year, we had three persons who became Christians and five rededications. Furthermore, for future consideration, an additional ministry area near Steele Creek Marina in Townsville should be considered by a local church or added to the minister's consideration at Hibernia.

Let me say thank you for two wonderful summers that I worked at Hibernia as your resort minister. This ministry helped me to grow professionally and spiritually.

In Christian service,
Charles B. Sloan

Baptist Retirement Homes

The needs of older persons in our nation and state become more and more acute with each passing day. In recognition of the increased proportion of adults now 65 years and older, the Baptist Retirement Homes of North Carolina have sought to create a broader awareness of its services across the state.

Under the leadership of Mr. Bill Stillerman, the new president of the Homes since November 1985, a need for an adjustment of services and a great expansion of existing services has been seen.

From August 1985 through June 1986, over 40 new residents were admitted to the Home and nursing care. Also, construction and renovation of seven new housing units were completed in Willow Cove on the Winston-Salem campus.

This past year, sound financial management eliminated the need to increase residential fees. Over $900,000 of benevolent care was provided to the residents of the Homes. Of a projected 3.4 million dollar budget, the Cooperative Program and Homes and Hospital offering provided $785,000.

This ministry has prospered through the years because of your prayers and your gifts and we must remain sensitive to retirement care issues and stay informed and supportive of services offered by the Baptist Homes.

Pray and *give* for this work that is so crucial to the needs of the increasing senior adult population.

Mrs. Pender Woodlief

Report of Youth Committee

Flat River Baptist Association is blessed with many fine youth and youth leaders! Active in every phase of the ministries of their individual churches (mission groups, youth choirs, etc.), these young people enjoy occasions to worship and fellowship together on an associational basis. Such an occasion was the FRBA Youth Fellowship held at Creedmoor First Baptist Church on Sunday evening, July 27, 1986. The program featured the mime and clowning talents of Mark McMasters of Buies Creek, North Carolina. A nationally recognized conference leader on dramatic ministry, McMasters' program included a variety of impressive clowning techniques and several dramatic skits (mime). The youth and their leaders laughed often at Mark's zany antics and gave serious attention to his Christian message about love for God and for one another. Particularly

touching was his rendition in mime of his personal testimony. After the performance, youth and adults from at least thirteen FRBA churches joined in a time of fellowship, made successful largely due to the efforts of Preston Stainback and the folks at Creedmoor First Baptist.

It is with deep appreciation that I express my thanks to the members of the FRBA Youth Committee for their support and participation this year. Representatives from each church were invited to join in the planning process, and these youth added immeasurably to the committee with their enthusiasm and maturity. Thanks also as ever to Bob Wainwright and Gerald Rene Frazier for their direction and tireless efforts to promote and conduct every part of the association's ministry.

General Board Report

The General Board of the Baptist State Convention of North Carolina met three times this year - once at Caraway Conference Center in Ashboro, once at our Baptist building in Cary, and once at Wake Forest University in Winston-Salem.

It was announced at the January meeting that Campbell University at Buies Creek would open a School of Pharmacy and that it would be the only such school in a private university in North Carolina.

The Fruitland Study Committee appointed by the convention in November 1985 recommended to the General Board that Fruitland become an agency of the Convention and that a Nominating Committee be appointed by the president of the General Board to nominate 12 persons to serve three-year terms as Board of Directors. This is to be approved by the Convention in November.

The Council Covenant Committee reported to the General Board the following - that Wake Forest University be dropped from the Cooperative Program gifts; that instead of a covenant relation, we become a Fraternal Voluntary Relationship thus allowing Wake Forest to elect all Trustees. This is to be sent to the Convention for approval. The president of Wake Forest assured the General Board that they would continue to operate the school in such a way to protect our Baptist heritage.

All mission giving was reported up for the year.

The proposed 1987 budget is $26,125,000.00.

It is recommended that the Convention grant the authority to the general secretary-treasurer to borrow up to $2,000,000 for the purpose of constructing a conference center and two classroom buildings at N.C. Baptist Assembly.

American Bible Society

The faithful support which the Southern Baptist Convention has always given to the Bible cause is a blessing from God and a source of great encouragement to us. We are grateful to have you as partners in our worldwide Scripture ministry.

Significant progress was made in the areas of both distribution and translation during 1985. More than 542,000,000 Scriptures were distributed worldwide in 1985, a five percent increase over 1984. Through the United Bible Societies we are also supporting Scripture translation work in 544 different languages around the world.

The Bible cause abroad includes *Uganda* where 652,506 Scriptures were distributed in 1985. In famine ravished *Ethiopia* where Bible workers distributed 132,981 Scriptures. After years of painstaking work, two new translations of the Bible in Aymara and the Bolivian dialect of Quechua in *Bolivia.* In *Mexico* a total of 16,135,801 Scriptures were distributed. In the *Philippines* 10,333,350 Scriptures were distributed. In *Brazil* a channel of distribution is the national Literacy Movement (MOBRAL) through which millions of New Reader Scripture Portions and Selections reach children and adults alike in the course of a year.

In the United States a total of 96,222,967 Scriptures were distributed. The American Bible Society was especially pleased to produce 100,000 copies in ten languages of an imprint of the Gospel of John entitled "Good News America, God Loves You" for the Home Mission Board of the Southern Baptist Convention. Special attention was given to the needs of Hispanics who number 20 million. Cause for excitement is the completion of the long awaited Bible in Haitian, the everyday language of more than a half-million people in this country. Another major achievement, the translation and publication of the first-ever Bible in the language of the Navajo Indians who number some 150,000 people.

Despite truly impressive advances in every aspect of our world program, literally millions of requests for Scriptures remain unmet due to lack of funds. In 1985 Southern Baptists contributed $298,339 to the American Bible Society. As in the past the largest portion of these gifts came from individual local churches. The SBC was an indispen-

sable partner in the worldwide Bible cause during 1985 and your expanded support is essential to the year ahead as we seek to extend this vital Scripture ministry to embrace all those throughout the world who are still eagerly awaiting God's Word.

American Bible Society Representative

The *Biblical Recorder*

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The *Biblical Recorder* is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the *Recorder* indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than even then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians--fewer persons in North Carolina are members of any church than are not-- and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The *Recorder* welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the *Recorder* will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase ($96,000) in the cost of second-class postage during 1986, *subscription rates will not be raised for the fifth consecutive year.* Many of the other major state Baptist papers such as the *Recorder* have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, $5.00 per subsciption for every resident family; Club Plan (four or more), $6.00; and Individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

Let us pray and work together for the advancement of Christ's Kingdom as never before. Thank you for your support.

Recreation Committee Report

The Basketball League this year was a little different from previous years. In addition to the Crusader and Pioneer Leagues there was a GA Girls League and a Sr. Boys League. I think the addition of these other two leagues gave more boys and girls the opportunity to participate in the sport of basketball. Each team had a good year and enjoyed playing. The season champions and sportsmanship winners were: CRUSADER: Oxford Orphanage White and Oxford Baptist Church; PIONEER: Stovall won both; GA GIRLS: Stovall and Oxford Baptist Church; and SENIOR BOYS: Stovall and Mount Zion.

The Recreation Committee has worked hard this year on both the Basketball and Softball Leagues. This year the Crusader and Pioneer Boys League played softball instead of baseball. The committee felt that this would encourage more boys to participate in the League.

The Softball League attracted many boys, girls, women and men. There were 42 teams participating this year and each team had great fun participating. Winners were: CRUSADER: Stovall, Season and Tournament Champion and Oxford Orphanage Sportsmanship Award; PIONEER: Stovall, Season and Tournament Champion and Hester Sportsmanship Award; GIRLS: Hester, Season and Tournament Champion and Mount Zion Sportsmanship Award; LADIES: Stovall, Season Champion; Mount Zion, Tournament Champion and Bullock Sportsmanship Award; MEN: Stovall, Season Champion; Hester, Tournament Champion and Bullock Sportsmanship Award.

The Recreation Committee attempted to emphasize the importance of sportsmanship and Christlike conduct throughout the year. Each committee member contributed much time, skill and effort to carry out the recreational program in the association. Members of the Recreation Committee were: Melvin Grissom, Ronald Bennett, Marilyn Howard, Waverly Brooks, Raymond Oakes, Barbara Wilkerson, Larry, Tommy Parker and Linda Whitt, chairman.

The Associational Church Media Organization Annual Report

Several workshops were held throughout the year in the Raleigh Association on Saturdays.

HOW TO ADMINISTER AND PROMOTE THE CHURCH MEDIA LIBRARY

On October 19, 1985 - We had six attending with three church represented.

Promotion Workshop - February 1, 1986, with two attending - one church represented.

Book Repair Workshop - May 3, 1986, with two attending - one church represented.

Two from Knott's Grove attended the State Conference at Caraway, April 11-12, 1986.

Elizabeth Parrott from Poplar Creek represented the Flat River Baptist Association at the Key Leadership Conference, May 12-14, 1986, at Ridgecrest.

The TACMO met four times. The program included a study of A CHURCH MEDIA LIBRARY AT WORK with an average attendance of 8.5 and six churches represented. The attendance has been much better this year but still many of our churches are not participating. We would like the input from all.

Please don't give up if your Media Library is not as active as you would like. Advertise through posters, church bulletin, newsletter, and other means to make your members aware that you have one. Pastors, you can help tremendously with a word from the pulpit periodically.

Marie Duncan, TACMO President

Highlights of F.R.B.A. Woman's Missionary Union Annual Meeting

The 77th Annual Session of Flat River W.M.U. was held Tuesday, March 5, 1986, at Creedmoor First Baptist Church with Mrs. Reynolds Frazier presiding. The theme of the meeting was "And Now . . . Tomorrow."

The call to prayer in the afternoon session was by Mrs. Betsy Forsythe, Creedmoor Church; the W.M.U. Watchword was quoted and prayer led by Mrs. Peggy Yancey, Enon Church, in the evening session.

Special music was presented by Rev. Robby Phillips, West Oxford Church, and the Youth Choir of Oxford Baptist Church.

Reports by each age-level director were printed in the program material along with various committee's reports.

The highlight of the meeting was various skits in keeping with the W.M.U. Centennial Celebration. The skits, directed by Mrs. Luke King, Oxford Church, depicted periods---Our Roots In The Past, Our Involvement In The Present and Our Challenge For The Future. Several members from Creedmoor First, Tally Ho First, Pleasant Grove and Butner First Churches participated in the skits.

Rev. Donald Williams, host pastor, dismissed the afternoon session with prayer and the prayer of dedication and commitment was led by Rev. Bob Wainwright.

Proceedings

of the

One Hundred and Ninety-fourth Annual Session

Flat River Baptist Association

Held With

PLEASANT GROVE and KNOTT'S GROVE BAPTIST CHURCHES

October 19 and 20, 1987

THEME: "Obedient To The Vision"

(NOTE FROM THE CLERK: Reports are not printed in the proceedings. The reports are placed in this Annual immediately following the proceedings.)

1. The 194th Annual Session of the Flat River Baptist Association was called to order by Mr. George Gresham, moderator, on Monday, October 19, 1987, at 4:30 p.m. The host church for the afternoon and evening session was Pleasant Grove. Mr. Gresham is a member of the Peace's Chapel Baptist Church.

2. Hymn: "Joyful, Joyful, We Adore Thee." Mr. Frank Hyde, member of Tally Ho First Baptist Church, directed the music for today's sessions. Organist was Mrs. Jerry M. Howard and pianist was Mrs. Tim Carpenter. Mrs. Howard and Mrs. Carpenter are members of Pleasant Grove Church.

3. Mr. Sammy Whitt, layman from Pleasant Grove Church, read Scripture selection from Acts 26:13-20 and led in prayer.

4. The host pastor, the Reverend M. Thomas "Tommy" Robertson, gave words of welcome.

5. Motion was made by Rev. Chuck Mieir, Delrayno Church, that the messengers already present and registered and those to come to this meeting would constitute the 194th Annual Meeting of the Flat River Baptist Association. Motion carried.

6. Motion was made by Rev. Robby Phillips, West Oxford Church, that the printed program, with necessary changes, would be the order of business for this 194th Annual Meeting. Motion carried.

7. Visitors, pastors and wives, and staff members were recognized by Moderator Gresham. (These are listed in a section entitled "Messengers and Visitors".)

8. Rev. Robert McCrary, Peace's Chapel Church, gave the Sunday School Report (#1) and also recognized members of the ASSISTeam and expressed appreciation for their service. The members being: Rev. Chuck Mieir, Rev. Jim Holmes, Mrs. Everlee Hall, Mrs. Linda Lariscy, Mrs. Mertie Davis, Mrs. Gayle McCrary, Rev. and Mrs. Eddie Cooper and Mr. Tony McDade.

9. The Church Training Report (#2) was given by Rev. Chuck Mieir, Delrayno Church. He also mentioned winners in the Children's Bible Drill.

10. Mrs. M. Thomas Robertson, Pleasant Grove Church, brought the Woman's Missionary Union Report (#3).

11. The Brotherhood Report (#4) was given by Mr. J.B. Clay, Oxford Church.

12. The Reverend William B. Stillerman, president, Baptist Retirement Homes of North Carolina, Inc. was introduced by Mrs. Virginia Woodlief of the Brassfield Church. Mr. Stillerman brought greetings from the Baptist Retirement Homes and remarked that the Homes operate by believing in older adults, by having quality living res-

idences and by believing in the Good News of Jesus Christ. With over 150,000 people over 65 years old living in North Carolina, it is a sure fact that this age group needs much care. Also there is a need by retired ministers and spouses who have lived in church provided facilities and living on a meager income. (See Report #5)

13. Rev. R. Gene Puckett, editor and business manager of The *Biblical Recorder*, was introduced by Rev. Bob Wainwright. He spoke on how grateful he was for the vision of Thomas Meredith almost 155 years ago that began the *Biblical Recorder,* our Baptist paper ministry. Meredith started this vision to meet the needs of all the church family and to promote the denomination and that purpose remains the same now. There is an affirmation of trust, a need for us to have information when needed, an undergirding of missions, a need for exchange of viewpoints as well as to have support and undergirding the institution of the denomination and all agencies remain true today through our Baptist paper. Mr. Puckett appealed to people to subscribe to the *Biblical Recorder* and to remember that informed Baptists are the best Baptists.

14. Business:

A. A roll call of churches by the clerk, Mrs. James E. Frazier, Amis Chapel Church, revealed that 31 churches were represented at this first session.

B. Rev. Bob Wainwright, Director of Missions and member of Oxford Church, made a motion that an offering be received at the close of this afternoon's session and at Tuesday's closing of afternoon session and equally divided between Temple Baptist Church in England, London Village Baptist Chapel in Delaware and Rev. and Mrs. Rob Norman, SBC missionaries to Uganda. Motion carried.

15. The report of Constitution Committee (#6) called attention to the revised Constitution that members had in hand and that several copies of "The Articles of Incorporation" were available also for people to read. This was brought by Rev. Bob Wainwright and he explained that according to our Constitution requirement this change would be presented on Tuesday for vote.

16. Hymn: "Victory In Jesus".

17. Mrs. F.E. White, Jr., Mount Zion Church, introduced our State Missions speaker. (See Report #7)

18. Special music - Rev. Robby Phillips of the West Oxford Church sang "Heir of God" and was accompanied by Mrs. Tim Carpenter, pianist.

19. Rev. Earl Lamm, missions pastor of Anderson Creek Community Mission, Spring Lake, NC, brought a very inspiring message on the importance of sharing the mission of the church. He stated that he had received a great blessing by pastoring a mission church and showed slides of new church and mission work. With the world consistently changing and with so many of the population in North Carolina not claiming to affiliate with any religious organization, there is a need to minister to all groups. We have to relate to all people and new churches are in great need. One can become involved in the Mission Service Corp, Backyard Bible Clubs, recreation groups which will lead to building missions or new churches. Mr. Lamm also reminded us that mission work does not start always in a large group - oftentimes it starts in one individual. He closed his message with a prayer of deeper commitment and more love for Jesus Christ.

20. Moderator Gresham announced the offering that would be received as people went for the evening meal.

21. Host pastor, Tommy Robertson, gave announcements relative to the evening meal and offered the blessing for the meal.

22. The afternoon session adjourned for supper served by Pleasant Grove Church.

28. The Committee on Committees Report (#9) was presented by Mrs. James E. Frazier, Clerk, in the absence of chairman of this committee. A motion was made by Rev. Rick Clore, Bullock Church, to accept this report as printed. Motion carried.

The 1987-88 FRBA Budget had been presented and approved in the July Executive Committee Meeting which is in accordance with the FRBA Constitution. The total budget for 1987-88 is $62,282, which is an increase of $3,366 over the previous year.

32. Mr. Scott Harkey presented the Trustees Report (#13). A motion was made by Mr. Harkey that the $3,000 note on the building repairs be paid from the building fund with balance to come from the operating fund. Motion passed.

Rev. Tommy Robertson, Pleasant Grove Church, nominated Dr. Rudy Patton, pastor of Oxford Baptist Church, as moderator.

Mr. Zebulon Sanders, Jr., Creedmoor First Baptist, nominated Dr. Donald Williams, pastor of Creedmoor First Baptist Church, as moderator.

A motion was made by Mr. Leon Perkinson, Butner First Church, to close nominations. Motion was seconded by Mr. Woodis Vaughan, Amis Chapel Church. Motion passed.

The vote was taken by show of hands with results showing forty-five votes for Dr. Donald Williams and ninety-five votes for Dr. Rudy Patton. Therefore, Dr. Patton was elected as moderator.

Rev. Dean Coffey, Sharon Church, nominated Mr. Tommy Averette, layman from Pleasant Grove Church, as vice-moderator.

A motion was made by Rev. Sam Brewer, Tungsten First Church, to close nominations and that Mr. Averette be elected by acclamation. A second to this motion was made by Mr. William Cannady, Oxford Church. Motion passed. Therefore, Mr. Averette was elected vice-moderator.

34. The Honduras Mission Team Report (#14) was given by Rev. Ken Kelley, pastor of Grassy Creek Church, and leader of this mission team.

35. Hymn: "There Is A Name I Love To Hear".

Both Mr. Baldree and Mr. Stewart are students at Mars Hill College.
    C. Dr. Fred Bentley, president of Mars Hill College, brought the evening address. Dr. Bentley expressed appreciation for the continued support of our Baptist colleges. He read from Romans 12:1-8. His remarks included that there were many churches and these churches have lasted for a long time because people believe the Bible to be the inspired word of God, that salvation comes to us by grace, that we believe in the study of the Word and enjoy fellowship one with another. All this makes us no different from the early believers. All of us are called to be disciples. He further remarked of how much he was looking forward to the building of the first chapel at Mars Hill College. This chapel is to be built by Baptist Men throughout the state of North Carolina and he was grateful for the love and work together that would make this dream become a reality. He also expressed gratitude for teachers and college presidents in our schools of Christian higher education who have the inner peace and have taken on the responsibility to lead and instruct our students. (See Report #15 that Mr. Leonard Rogers, colleges representative, prepared.)

37. Moderator Gresham expressed appreciation to Dr. Bentley and the two students for their messages and to all who had had a part in this first day's program.

38. The closing prayer was by Rev. Robert McCrary, Peace's Chapel Church. (Attendance was 204 from 32 churches.)

A. Mrs. Lawrence Davis compiled a Foreign Missions report to be printed but relinquished her time for our missionary speakers. She introduced Rev. and Mrs. Rob Norman, SBC missionaries to Uganda. The Normans were formerly pastor at Sharon Baptist Church in this Association. (Report #26)

B. Address: Rev. and Mrs. Rob Norman brought a most inspiring missionary message. Rob read from John 15:16 and stated that he was called to be obedient to the vision. Both he and Mickie brought remarks during the message. They told of many thousands needing to hear the message of Jesus Christ in the area of Uganda in which they lived but they felt the need to go to the thousands in the inner city. As they were trying to get away to the inner city, they realized it was only their vision and not God's vision to go into the inner city. God's vision was for them to remain in the small village and minister. Here they have helped many people realize their talents and they had seen a small group grow from one to more than a hundred. The Normans challenged each one present to realize that God's call is for us to minister where we are and to be obedient to His vision. They closed their presentation by showing several slides of the people in Uganda and their ministry there. During the slide presentation, Rob sang "People Need The Lord".

C. Moderator Gresham expressed appreciation to the Normans.

C. Scripture reading by Rev. H.W. Lariscy III, Knott's Grove Church, and alternate for the annual sermon. He read Acts 26:12-26 and led in prayer.

D. The annual sermon was brought by Rev. Charles E. Mieir, pastor, Delrayno Church. His topic was "Obedient to the Vision". He stated that people today need a vision akin to the vision Paul had. He defined this vision as one that was heavenly as ours needs to be and that we should have a call of a vision that one is called to repentance. Mr. Mieir further stated that Paul's vision was a high vision, a hope filled vision and a holy vision. Our vision needs to be an impartial vision and one that we have received from the Lord - one that we must proclaim the message to the lost world. The only hope for the lost world is for God's people to have a vision and if we have it, we need to share it and if we don't have it, it's time to get it. Our sincere prayer should be "yes Lord, yes, Lord, I'll be obedient to the vision".

71. Moderator Gresham expressed appreciation to Rev. Mieir for his most inspiring message.

72. The closing prayer was given by Moderator Gresham.

73. The 194th Annual Session of the Flat River Baptist Association adjourned. (Attendance was 188 registered from 32 churches.)

Sunday School Report

Do you want to see people being won to Christ? Do you want to see Christian people discipled? Do you want to see your church grow? If you do, then you need to do all you can to make sure your Sunday School is growing. A church will not grow in other areas if it is not growing in its Bible teaching program. It has been a privilege to serve this Association this year, but I hasten to add that I have also been disappointed in the trend I see occurring in many of our churches in regard to Sunday School.

On March 5, 1987, our associational V.B.S. team went to Raleigh to the State V.B.S. Clinic. This was designed to train our team so they could lead our associational V.B.S. clinics. Two such clinics were held at Peace's Chapel on April 28 and at Stovall on May 5. Once again I am glad to report that every church in our Association conducted V.B.S. This year's enrollment was 2,613, a decrease of 131 from last year. There were 41 professions of faith made and 436 Sunday School prospects were discovered. A total of $2,396.00 was given to the Cooperative Program and $133.00 was given for other mission causes. Oxford Baptist and Pleasant Grove each held one mission V.B.S. this year with a combined enrollment of 65. Pleasant Grove conducted four Backyard Bible Clubs enrolling 42. Our Association also conducted V.B.S. at Oxford Orphanage from July 26-30, enrolling 136.

Back on February 10, 1987, your ASSISTeam went to Winston-Salem to receive special training. As a result of this training, we came back to our Association and led a conference on "How to Improve Bible Teaching Through the Sunday School". This conference was held at Delrayno in October with 37 in attendance. In Sunday School work, for the second year in a row many of our churches are reporting an overall decrease in their enrollment. This year's enrollment is 6,037 compared to last year's enrollment of 6,177. On September 14, 1987, 30 people, from several of our churches,

attended a Regional Sunday School Growth Rally at Meredith College. This was a time to inspire and encourage us to go back to our churches and put more emphasis on Sunday School growth.

As the new year begins, I urge each church to put special emphasis on building up their Sunday School enrollment and attendance. A strong Bible teaching program is essential if our churches are going to grow. Challenge 10/90 continues. This is a goal to have 10 million enrolled in Sunday School by 1990 across our Convention. This year, let's turn this downward trend around and go forth for Christ in our Sunday School work.

Respectfully submitted,
Robert McCrary, Associational Director

Report No. 2

Church Training Report

The year 1987 has been a good year for Church Training in Flat River Baptist Association. At least one church has begun ongoing Church Training, which had previously not had an ongoing program. Twenty churches reported Church Training this year compared to 19 a year ago. Total enrollment gained 236 over last year for a total of 795.

Ten of our older children participated in the Associational Bible Drill representing three of our churches. Four of these children progressed to the state drill and became state winners. Reports indicate that participation will be higher in the coming year, and that we will also have entries in the Youth Bible Drill.

Plans have been completed for an inspiring and informative "M" Night on Monday, November 23. "M" Night which stands for Mobilization is the annual Association rally for the promotion of Church Training.

A seminar for the pastors on the annual doctrinal emphasis study has been arranged with the FRBA Ministers Conference. We trust that many of our churches will participate in the doctrinal study on the priesthood of the believer.

Your Church Training Director attended the Church Training session during the Key Leadership Conference at Ridgecrest.

Thank you for the opportunity to gain this training and for the privilege of serving you this past year.

Respectfully submitted,
Charles E. Mieir, C.T. Director

Woman's Missionary Union Report

"Remember your leaders, those who spoke to you the Word of God; consider the outcome of their life, and imitate their faith. Jesus Christ the same yesterday and today and forever." (Hebrews 13:7-8 RSV). This is the Watchword for W.M.U. for 1987-88 and what a message it brings to us. We, in this exciting Centennial year, will remember the servants of God, such as Bible characters, our founders, and other W.M.U. leaders who set examples for us. We can also rejoice in having many dedicated leaders who have led us over the years in the Flat River W.M.U. Our hearts were saddened this year in the

death of our W.M.U. director for 1986-87, Mrs. Peggy Yancey. She too had dedicated herself to lead women in this Association in the knowledge and service of missions.

Due to the death of Mrs. Yancey, I filled her unexpired term, therefore this report will not be very detailed as to the activities carried on in our W.M.U. for 1986-87. Each organization did have a special event and the directors of each of the organizations gave themselves in dedication to the promotion for their respective organization. Several of our churches do not have every organization of W.M.U. but we are making this our goal to establish more of the organizations in each of our churches.

Women in the Flat River W.M.U. have again this year been active in the Mission Action project taking every opportunity to share the love of our Lord throughout our county. Our "Toy Store" was very successful this year and through it many unchurched persons were ministered to. We will again in 1987-88 operate the store, asking each church to provide new toys.

Our theme for this Centennial year, 1888-1988, "A CENTURY TO CELEBRATE -A FUTURE TO FULFILL" offers a great challenge to us. We look back in our past and see the Lord's hand in our mission work and rejoice, but we also look forward to the future and see the opportunity to continue to praise Him for He promises us that "Jesus is the same yesterday, and today, and forever!" This challenges us to continue to share our Saviour for He is one who never changes! This will be our goal for the coming year as we plan our mission emphasis and activities.

Respectfully submitted,
Mrs. Tommy Robertson (Genny)

Brotherhood Report

Our Annual Leadership Conferences were held at the Stovall Baptist Church on November 3, 1986.

The Baptist Men/Baptist Women Banquet was held at Webb High School on January 30, 1987. At this meeting we started the tool collection project for the Honduras Vocational Center. We also promoted the men's trip to Honduras and took up an offering for the Honduran Windmill project. Mr. Bill Poe of Charlotte and president of Baptist State Convention of N.C. and also a native of Oxford was our featured speaker.

On February 28 we held our Mission Fair Rally and Car Competition for the RA's at Oxford Baptist Church. Winners participated in the state competition in Winston-Salem.

The Associational Track Meet for the RA's was held at Webb School on May 2 and Hester Church was the champion.

The RA Conclave on May 30 was at Delrayno Baptist Church. The attendance was down but the program was excellent and the participation was enthusiastic.

The Baptist Men throughout the Association participated in several migrant days this past summer.

Ten men from the Association went to Honduras as missionaries for two weeks (July 17-July 31, 1987) and worked with SBC missionary Larry Elliott digging a well and in the vocational center.

The 1987 Fall Leadership Conference was held earlier this year in order that we might meet jointly with the WMU. The conference was held at Oxford Baptist Church on

September 21 with 41 men present from 15 churches. There are a number of changes in the RA program and materials this year. If you need any help concerning these changes, please contact the associational office.

I would like to encourage our Baptist Men to participate in a mission project. If you are interested you can contact our associational office for information. There is a continuing mission project to help build new churches and a project to remodel Camp Caswell. Another Honduran project is possible if there is enough interest.

Baptist Retirement Homes of North Carolina 1986-87 Report

The year 1986-1987 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina. For the past 36 years, Baptist Retirement Homes have been defining security, quality medical care, independence, love and much more. Three hundred Senior Citizens are now making their "Homes" on the five campuses. What a family!

On the Winston-Salem Campus there are four levels of care provided; apartments, personal care, skilled and intermediate care, therefore, providing the highest quality care for Senior Adults. "Ground breaking" for a new Continuing Care Retirement Community will be taking place this fall. The long-range plan includes development of similar facilities in Asheville, Charlotte and the East.

A new relationship has been established between the "Homes" and the Geriatric section of the Bowman Grey School of Medicine (Wake Forest University). The 85-bed Health Care Unit in Winston-Salem is now staffed by physicians from the Bowman Grey School of Medicine.

In an attempt to provide quality care opportunities to older adults who still reside in the local community setting, a respite or temporary care program has begun at the Albemarle Home. Quality care, long the hallmark of the "Homes" is still the institution's main objective.

In reaching out in service to older adults, the "Homes" offer concrete expressions to the love of Christ for all people. This ministry of love is possible, only, if we, as North Carolina Baptists, remember to give our support through our gifts and prayers.

Mrs. Pender Woodlief

Report No. 6

Constitution Committee Report

At the direction of the membership at the 1986 Flat River Baptist Association annual meeting, the Constitution Committee has drafted the necessary Articles of Incorporation and corporate Bylaws in order to change the form of the Flat River Baptist Association of North Carolina from an unincorporated association to a non-profit corporation.

It has been the aim of the Constitution Committee to provide for the incorporation of the Association while retaining as much as possible the forms and procedures which have been in use by the Association for a number of years. With this in mind, the pro-

posed Articles of Incorporation, as drafted, state the purposes of the Association as taken from the present Association's Constitution, and the Association's Moderator, Clerk, Treasurer and Director of Missions have been named as the initial Board of Directors of the Corporation.

The Bylaws of the Corporation provide that the Executive Committee as it has been organized in the past shall constitute the Board of Directors of the new Corporation and shall continue to be known as the Executive Committee. The membership of the unincorporated Association shall consist of all of the members of the churches presently affiliated with the existing Association and the membership of any churches who shall be affiliated with the Corporation in the future after making application. The voting members of the Corporation (those entitled to cast votes at the 1988 annual meeting and thereafter) shall be selected in the same manner as the messengers are presently selected and shall continue to be known as messengers.

Because State law provides that certain transactions must be entered into on behalf of the new Corporation by the President and Secretary, we have suggested that the Moderator and Clerk of the Association as presently selected, in the future be designated the additional titles of President and Secretary, respectively. Because any future real estate transactions by the Association would require the execution by the President and Secretary, it will not be necessary that the Trustees continue to hold the title to the associational property. For that reason, the Bylaws of the new Corporation designate the Trustees as an Advisory Committee with regard to the property of the Association as well as continuing their present duties regarding maintenance and supervision of that property while it is held.

The incorporation of the Association should relieve the concerns of the individual churches and their members by limiting the liability which might arise as a result of personal injuries or other sorts that could occur in activities entered into by Association employees or agents. We believe the plan as proposed will leave the control and operation of the Association for almost all practical purposes identical to those of the present Association. Should a resolution to incorporate the Association pass at the annual meeting, the necessary paperwork and initial meeting will be held by the Constitution Committee and the initial Board of Directors, immediately after which the officers elected in the 1987 meeting will take their places as the corporate officers and directors. The Trustees will then be requested to transfer all of the real and personal property of the Association to the new Corporation. The Treasurer will be responsible for overseeing any necessary changes in bookkeeping, methods, bank accounts, etc.

Respectfully submitted,
Constitution Committee
Thomas L. Currin, Chairman,
Cecil Keith, Kay Beamon

(NOTE FROM CLERK: The Articles of Incorporation and the Constitution, as presented by the Constitution Committee, were handed out in printed form at the Annual Meeting on October 19, 1987. These were reviewed by those receiving copies. On the second day of the Annual Meeting, October 20, Chairman Thomas L. Currin, representing the Constitution Committee, made statements to the group concerning the Articles of Incorporation and Constitution. After questions and discussion, a motion was made, seconded and passed to accept both of these items as printed. These are printed elsewhere in this Annual.)

State Missions Report

State Missions - think about the term "missions". We very likely think about the deep greens of an African rain forest.

Missions too often means *them* - not *we* and certainly not *me.*

Perhaps that is why the idea of State Missions is a little uncomfortable for some of us. It makes us realize, maybe for the first time, that all mission needs are not distant. People close to us - very close to us - have needs that only caring action in the name of Jesus Christ can meet.

We are *State Missions* when we act in Christ's name. State Missions by definition means *me.*

State Missions involves every church in every association which reaches out to meet the special needs found in its community to start new churches and strengthen the ministry of the existing churches.

Each day thousands of ways your gifts will help in the following ways: Caraway, Caswell N.C. Baptist Assembly, N.C. Baptist Men, Woman's Missionary Union (Heck-Jones), Christian Higher Education, Missions Ministry and Christian Action League.

Yes, North Carolina is a mission field and Baptists are reaching out with the message of Christ and in helping with the *Changing Lives Through State Missions.* The outreach will be effective if people pray and give freely.

People are our reason to pray - to love - to serve - to give. May we prayerfully seek God's will in meeting our goal of $1,200,000 for 1987.

Respectfully submitted,
Mrs. F.E. White, Jr.

Budget Promotion

Our 1987-88 budget was presented, discussed and voted on at the July Executive Committee meeting. The budget calls for $62,282. This is an increase of $3,366.

One thousand dollars of the increase is for personnel expenses. Four hundred dollars was designated for direct mission ministry. This is primarily for new work in the South Butner area to share the Gospel with approximately 250 prospects in that area. It will be done in cooperation with Butner First Baptist and volunteers from churches in the association. There was a $2,225 increase for operating expenses. One thousand dollars of this is for a computer to be used in keeping mailing lists, financial records, and church statistics.

We also selected a multiple peril insurance policy which covers the associational van, the office, its contents, and a liability clause for anyone involved in the church program.

Postage accounted for another large increase.

There were several areas where we were able to decrease the budget. One of these was the electric/heat bill for the associational office. The installation of insulation, siding and furnace is paying off.

We are grateful to each church for the support that is being given to our shared ministries and programs. We encourage each church that has not done so, to move to a percentage basis as a means of determining their gifts to the association. The amount of four percent of undesignated offerings is recommended.

Respectfully submitted,
Mrs. Wayne (Alice) Overton

Trustees Report for 1986-87

We are happy to report that the siding on the building has been completed. Our building is very attractive and is proving to be economical to heat and cool. The back porch on the building was found to be in very poor condition. It was removed and a small porch has been constructed. We want to thank Charles Gupton of the Mount Olivet Church for building the porch.

There is a balance in the Building Fund of $473.22 but our note at the bank is still outstanding and needs to be paid by the end of the year.

We have upgraded our insurance and put the coverage on our building and van with Church Mutual Insurance Company. The coverage on our building has been increased to $70,000 and the liability coverage on the building and the van to one million dollars. This policy has many other features which we feel gives us very good protection.

Another work day is planned at the associational building on October 31 to do some painting, yard work and window cleaning. We need volunteers to help.

The Board of Trustees recommends that the note on the building of $3,000 plus interest be paid out of the building fund and the current budget funds of the Association.

Respectfully submitted,

These men from these Flat River Baptist Association churches are honorary members of Iglesia Bautista Rostro de Cristo (Face of Christ Baptist Church) in San Pedro de Catacamas, Olancho, Honduras. They received this by showing the love of Christ and modeling the nature of servanthood on a mission trip. I, as group leader, am proud of these men, and their families, and our accomplishments. I am proud to report that our July 18-31, 1987, mission trip to Honduras was called "one of the best if not the best groups" to go there to work by our missionary Larry Elliott. We worked and accomplished many tasks in the Vocational Center of our seminary in Tegucigalpa during the two weeks. We redrilled the well and did other construction work in San Pedro. Due to circumstances beyond our control, our objective of erecting a windmill was not accomplished.

Our Lord looked after and over us with travel mercies and good health. To Him we give the praise and honor of our efforts. For He accomplished what He wanted to accomplish with this group.

Becoming honorary members and other memories of fulfilling God's call to do God's will in our lives, makes me proud to be a part of this group. From the ordination service here at Pleasant Grove to our return to RDU airport, each one did everything expected or asked of them. To them, their churches, and their families I say thank you because God blessed me through you.

Report No. 15

Christian Higher Education

Financial contributions to the Cooperative Program currently assist in financially supporting six educational institutions in North Carolina: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate. A recent survey of pastors and lay persons in North Carolina revealed that 99 percent of those surveyed felt that Christian education should remain a high priority and that 95 percent believe that the quality of education available at these Baptist colleges was equal or superior to that available at state supported schools. Other strengths revealed by the survey include the Christian commitment of faculty and the spiritual emphasis in programming and activities.

These advantages are important considerations for young people and their parents when choosing a college. In addition, it is noted that these institutions are relatively small and manageable in size thus assuring that the new student does not get "lost in the crowd." Since class size is smaller, instructors can learn to know students personally and better advise and counsel those seeking quality education and direction life. The environment of Baptist colleges also offers the opportunity to develop important and

cherished relationships with others from among a college community of caring people, both fellow students and professors. With an emphasis placed on vocational planning which includes service to others, Christian education not only prepares students for "making a living," but also provides the best preparation for "spending a life". Life experiences for the growing and maturing young person following high school can have a lasting impact. Attendance at a college which offers a Christian learning environment can make a positive difference for a lifetime.

However, the survey also revealed that 65 percent of those surveyed did not feel that Baptist students receive sufficient information about Baptist colleges through the local church and a significant number (37.8 percent) felt that the percentage of Cooperative Program funds for Christian education was insufficient. These are important areas where we can have a positive impact through our prayers, financial contributions and "spreading the good news" about our fine Baptist colleges and university.

Report of Senior Adult Coordinators

The Senior Adults in the Flat River Baptist Association sixty and over are approximately 1,044 in number. Only 13 of our churches have an active ministry to these members in our churches.

In October 1986, 15 members from six churches attended the 14th Senior Adult Chautauqua at Ridgecrest, N.C. Rev. Bob Wainwright and Rev. Cameron Currin drove the vans. The groups was told that senior adults are the fastest-growing group of people in the nation. Church leaders were challenged to minister to them and use the potential they have available. They were the leaders in many churches and civic organizations, and they have the expertise to help train tomorrow's leaders, many on a volunteer basis.

On November 13, 1986, the senior adults met at the Oxford Orphanage for a luncheon, served by the ladies on the cafeteria staff. Mr. Donald Moul, Superintendent of the Orphanage, addressed the group and gave a brief history of the Orphanage and Mr. Donald Sizemore told the group how a child is admitted as a resident of the Orphanage.

The Stokes have visited the senior adults at Bullock and Butner First during one of their luncheon meetings. The Stokes also participated in the services on Senior Adult Sunday at Amis Chapel and enjoyed lunch at Holiday Inn with several senior adults following the worship service.

On February 12, 1987, the senior adults met at Oxford Baptist Church for their associational-wide Valentine luncheon.

On August 14, 1987, the senior adults from several churches in this association had their quarterly luncheon at Oxford Baptist Church. Rev. Bob Wainwright, William Cannady and James Adcock shared slides and told about their trip to Honduras to install a windmill to provide water which is a much needed commodity in that country.

Several senior adult ladies from Butner First Baptist and Creedmoor First Baptist churches attended the 15th Senior Adult Chautauqua at Ridgecrest September 28-October 2. They traveled on the associational van.

Our goal is to have a ministry to senior adults in all of our churches. We are available to visit to encourage and help with the senior adult ministry in any way needed.

Austin and Ethel Stokes

Van Committee Report

October 20, 1987

The Flat River Baptist Association van was used 20 times for associational ministries with an average of seven persons per trip for a total of 3,965 miles. The van was also used by 15 churches for 33 trips with an average of 10 persons per trip for a total of 9,300 miles. The total miles on our van as of September 25, 1987, was 6,041. The odometer turned over 100,000 miles in May 1987.

Repairs on the van were heavy. One thousand dollars was transferred from the Van Account to the checking account in June 1987 to cover expenses over the budgeted amount. The repairs and maintenance performed were: blower motor replaced, battery replaced, four new tires installed, voltage regulator installed, replaced master cylinder and relined front brakes, repaired and cleaned radiator, replaced water pump, replaced starter celluloid, replaced air conditioner compressor and filter dryer, replaced coil and ignition parts along with regular oil changes and grease jobs.

The balance in the Van Account as of September 30, 1987 was $2,025.44.

Music Report

The Volunteer Music Director's Retreat held September 11-12, at Camp Caraway was attended by Mrs. Sherree Preddy and Mrs. Sondra Oakley of Corinth Baptist Church. There is no record of any other churches attending the retreat.

On August 12, a meeting with Mr. Jim Reich from the Church Music Department of our Baptist State Convention was held at the associational office. Those attending were Rev. Bob Wainwright, Mrs. Sherree Preddy, and Mrs. Judy Smith. Mr. Reich suggested that we select "zone directors", who would serve as contact people to let our churches know of upcoming music events. Six "zone directors" were selected: Mrs. Darrell Hill, Knott's Grove; Mrs. Judy Smith, Tally Ho First; Mrs. Cindy Joy, Oxford; Mrs. Gayle McCrary, Peace's Chapel; Mrs. Sherree Preddy, Corinth; and Rev. Bob Wainwright, Director of Missions.

We would like to welcome Mrs. Judy Smith, Tally Ho First, who has been named our Associate Music Director. She will assist Mrs. Sheree Preddy, Associational Music Director, and Rev. Bob Wainwright, Director of Missions, with planning upcoming associational music events.

All churches are encouraged to participate in making their cantatas available to other churches through our associational office. By exchanging music, each church can keep their music budgets down.

A special thank-you goes out to all of the musicians who have so graciously provided the special music for our annual associational meeting.

Respectfully submitted,

Report No. 19

Report of Executive Committee

The Executive Committee met January 13, 1987, with 66 people representing 26 churches present. Reports from directors of each department were given indicating a good start for the new year, and promoting upcoming events.

The Treasurer's Report showed all bills paid and $2,268.00 balance at the end of the quarter.

The Executive Committee accepted three recommendations from the Missions Advisory Committee: (1) that people be invited to bring new or used tools and hardware for the Honduras project to the Baptist Men/Women Banquet; (2) that an offering be received at the Baptist Men/Women Banquet for the Honduras windmill project; (3) Rev. Robby Phillips, pastor of West Oxford Baptist Church, be recommended to the Nominating Committee of the Baptist State Convention of N.C. as FRBA General Board Representative beginning 1988.

The *1986 FRBA Annual* was distributed to each church.

At the April 14, 1987 meeting there were 54 persons representing 25 churches. The Treasurer's Report showed all bills paid with $887.00 balance in operating funds. Two recommendations from the Missions Advisory Committee were accepted: (1) that one-half of the $1,659.32 received from the N.C. State Missions offering ($829.66) be set aside to help provide expense money for the PRAXIS workers who will be working this summer in the Butner area to start a new mission. The other half ($829.66) would be set aside to help support a Spanish-speaking mission being explored in cooperation with the Cullom Baptist Association; (2) that the clerk be authorized to receive an offering at the April 14th meeting to help pay Bob Wainwright's expenses on the Honduras Mission trip and that other churches and individuals not present be asked to contribute. (This offering amounted to $121.50.)

The July 14th meeting saw a small attendance with 27 persons from 17 churches. Several vacancies on committees were filled by the moderator. Sonny Diggs, pastor, Brassfield Church, to replace Rev. Ron Craddock on the Ordination Committee. Term to expire 1988. Perry Jordan, Minister of Outreach/Youth, Poplar Creek Church, to replace Rev. Durward Perry on the Youth Committee. Term to expire 1988. Kenneth King, layman, Tungsten First Church, replacing Ken Thomas on the Van Committee. Term to expire 1989.

The Treasurer's Report showed $1,178.14 balance in operating funds.

It was noted that Bob Wainwright, our director of missions, has been with us 14 years.

A motion from Mission Advisory Committee was accepted and passed, that a new committee (Pastor-Search Relations Committee) be established and the Constitution Committee be instructed to draw up necessary constitutional changes to include this new committee. This committee would have five members with five-year rotating terms and be available to pastors and churches by invitation only to help with conflicts that might occur.

After a question on incorporation procedures, it was announced that the Constitution Committee would make a report at the annual meeting, but the first step is for each church and association to get adequate liability, which the Association has done.

Our Association has an opportunity to begin a new mission partnership with the Sao Paulo Convention of Brazil. Sao Paulo is a province and a city of Brazil composed of more than 30 million people. Southern Baptists have had mission work in Brazil for

more than a hundred years. Our work there is at a stage where the potential for growth is great. Since the completion of our Togo partnership, North Carolina Baptists have been seeking a new one. Sao Paulo Convention has asked that we consider such a partnership. The idea is to pair associations in North Carolina with associations in Sao Paulo. The project will be presented to the Baptist State Convention in November and if approved will begin early next year. Some associations have already approved the project for participation. Volunteers will be asked to go as evangelists, construction teams, and other needed in Sao Paulo by the year 1992. All this proves the world is not so "foreign" anymore. If you have wanted to be a "foreign missionary" pray about this possibility. Or, if you cannot go, help us send those who are able.

The Missions Advisory Committee recommends that we work with the Cullom and Tar River Baptist Associations in pairing with an association in Sao Paulo.

Thank you for your wonderful Christian support the past two years.

George S. Gresham, Moderator

Report No. 20

Report of Annuity Board

TIME IS DRAWING NEAR! IT'S AN EXCITING TIME FOR THOSE WHO CHOOSE TO PARTICIPATE IN THE EXPANDED CHURCH ANNUITY PLAN. January 1, 1988, is the date that the PLAN will become effective. No doubt you have read and heard about this "new" retirement plan.

We are told that the average retired Southern Baptist minister receives only $196.00 per month from his retirement program; that 607 receive less than $100; and 211 receive less than $50. Some of these are men who have given their lives to ministry.

Every church needs to have a PLAN to protect it and its minister. The minister is never too young to start. In fact, the younger he starts, the greater the benefits will be at retirement.

The new Expanded Church Annuity Plan is designed to provide more financial assistance to pastors and their families upon their retirement. The ideal plan includes a contribution by the pastor of an amount equal to five percent of his salary, housing and utilities. The church, then, is asked to contribute an amount equal to 10 percent of this salary, housing and utilities. The state convention will add a contribution of one dollar for each three dollars given by the pastor and church, until the convention's share reaches a maximum of $420 annually.

While this is the ideal nearly any combination can be used. The church may wish to contribute the entire 15 percent, or a greater (or lesser) amount. The pastor may elect not to contribute any part initially. Whatever the pastor and church decide they are asked to set a minimum of $1,260 annually in order to benefit from the maximum amount from the state convention.

We know that our churches want to provide for their pastors and staff to have adequate funds for retirement. This New Expanded Annuity Plan will make it possible for our ministers to have that assurance.

Fourteen churches have already sent in their cooperative agreements. If your church has not, please do it right away.

Respectfully submitted,
Rev. Norman Hicks

Home Mission Report

There is much being done in our Association in the area of Home Missions. For several years we have been in partnership with the Delaware Baptist Association. This year the associational team of young people along with Pastor Sonny Diggs and his wife, Lynette, from the Brassfield Church led in mission work in London Village, Delaware for one week. Pleasant Grove had a team of 36 youth and adults to go to Laurel, Delaware for a week of Vacation Bible School, Backyard Bible Clubs, and Revival with the Laurel Baptist Church. Fellowship Church was also very much involved in missions this summer with several youth and adults working in Florida for one week. Gayle Terry, a member of Fellowship, traveled to Texas and New Mexico to assist in medical missions work.

Reports from the convention are that many churches are doing volunteer work all during the year but especially during the summer months. Our Home Missions Offerings are 53 percent above last year. The total gifts last year were $3,445,435.10, an increase of $173,324.95. I trust that as we continue in mission work more churches in our Association will get involved in volunteer missions. We are challenged in our state and in our convention to increase Annie Armstrong Easter offerings. Please, let's make this a record year!

Butner Christian Ministries Report

Butner Christian Ministries continues to maintain a strong Christian witness among the state institutions due to the support of the churches in the Flat River Baptist Association. As of this writing there are approximately six ongoing ministries in two of the correctional facilities in Butner sponsored by various churches in our Association. This past year many churches have visited the institutions to present musical and other inspirational programs. Those that have not visited the institutions have provided clothing and other items in response to needs that were made known to our churches from the various state facilities. Many of our churches provided presents during the Christmas season to patients at John Umstead and the Alcoholic Rehabilitation Center. During other special days such as Valentine's Day and Easter many gifts and favors were distributed to the residents of Murdoch Center and C.A. Dillion School.

Many things have been accomplished this past year in our Butner ministry but the need is so great. As we embark on a new church year let's make a stronger commitment to roll up our sleeves and go to work. There is a place for you and your church in this ministry that will prove to be a blessing to you in the coming year. Let's remember the scriptures . . . "Be ye doers of the word and not hearers only."

"Delaware Youth Mission Trip"

In Matthew Chapter 10, after Jesus called His disciples, He gave them these words, "Freely ye have received, freely give." We believe that the 1987 Delaware Youth Mission team did just that. This year's team was high spirited, very gifted, and ready to share Jesus in any way possible.

Satan did his best to defeat the mission as the team's attempts for Backyard Bible Club training were cancelled. However, the team's performance in Delaware proved that they were in no way defeated.

The team worked very hard in the Vacation Bible School at the London Village Chapel. In the school, they either assisted a teacher or served as a teacher. Many children attended the school and seemed very blessed by the love and the witness of the team.

Team members who went on the mission were, Cindy Barnes, Tabbs Creek; Ronda Hockaday, Brassfield; Renee Lloyd and Keith Huff, Providence; Teresa Frazier, Mountain Creek; Charlene Callis and Angela Parham, Stovall; Randy Nelson and Angela Martin, Florence Avenue. The leaders were, Sonny Diggs, pastor of Brassfield Baptist Church, and his wife, Lynette.

The pastor of the London Village Chapel, Dallas Glass, and his wife, Sandy, thank you for the support you give them by sending the team to Delaware each year. The team also thanks each and every one that made it possible for them to go on this mission.

Evangelism - Year of the Laity

Evangelism in the FRBA this year continued to be a priority for our churches. We rejoice at those who received Jesus Christ as Savior because of the witness efforts of the churches of the FRBA. While rejoicing at those who entered the Kingdom of God, we continue to be painfully aware of how woefully inadequate our efforts are in light of the tremendous need of a lost and dying world.

Because of this reality, more and more Christians are recognizing that evangelism *must* be the work of every Christian. Jesus' methodology was to call out and equip his followers for their ministry. Paul also builds a theology around "equipping the saints" for the work of ministry. What more important role models could we have?

In recognition of the overwhelming needs around us, and in the realization of the validity of the methodology taught us by the Lord Jesus Christ the 1987-88 church year is being proclaimed "The Year of the Laity" across the SBC.

We encourage the churches of FRBA to recognize and call out the spiritual giftedness of their membership, and then to dedicate themselves to the task of training and equipping the saints. All Christians involved and excited about "soul-winning" . . . Wouldn't that be a powerful testimony to what God is doing in our churches?

If the Evangelism Committee can help in that process please let us know. You will hear more plans for doing just that.

Respectfully submitted,
E. Rudy Patton
Chairman, Evangelism Committee FRBA

Report No. 25

Director of Missions Report

I want to express thanks to all of you - officers, representatives, committee members and churches - for your good work and cooperation this year. It has been a good year filled with a variety of activities. You have heard reports on many of them. I think God has blessed our efforts in a wonderful way.

Our ongoing programs have continued. We have had training and enrichment activities in all of our program areas. We need to continue these and improve them. Our digest of church letters helps us to see some of our strengths and weaknesses.

I want to emphasize new areas of ministry that we have been working on this year.

As an extension of our work with Spanish-speaking people, we are working with the Cullom Association to have a year-round ministry with Spanish-speaking people who are living in the two-county area year round. We are hoping to begin a Spanish Mission in Henderson with services being held each Sunday by the first of the year. Our ministry with migrants will be continued during the summer. Pedro Cruz, our summer migrant minister, worked with us on this and we hope that he will be able to lead this work.

In resort missions, Charles Sloan carried on his work at Hibernia Campground. He also had some services at Steele Creek Marina. We are looking into having work at both of these campgrounds next summer. We would like to have one or more churches to share in this ministry. Call us if you are interested.

We had an exciting time this summer with the Honduras team work project that Ken Kelley reported on yesterday. We hope that more of you will want to be involved in such a project. It was a real blessing. Larry and Jean Elliott will be living in Henderson for nine months beginning November 15. Plan to have them come to your church next year.

This summer we had two seminary students working in cooperation with First Baptist Butner in a new work area south of Butner. They were Charles Gupton and Mike Thompson. They surveyed the families and found over 200 prospects who said they would be interested in attending a church in the area. We had Backyard Bible Clubs in the area with a group of Acteen Activators from Florida leading them and had a good response from the people. We are continuing to study our findings and are seeking the best ways to proceed to reach the people in this area with the Gospel. Pray for this effort.

The newest project that we are looking into is the partnership with an association in the state of Sao Paulo in Brazil in cooperation with Cullom and Tar River Associations. Bill Wallace, director of missions in Tar River Association, is going there in November to meet with the leaders and see how we can be involved. We will share this information with you.

Our involvement with mission work in Delaware, Honduras, England and in our own Association has made us aware of needs these missions have that are not being met.

A pastor trying to start a new work in Delaware is spending much of his time on a secular job. He needs some pastoral aid.

Temple Baptist Church in England has gotten into their new building but they need funds to complete the interior and buy furnishings.

The South Butner Mission and the Spanish Mission will need help in providing a building and with pastoral support.

London Village Chapel, where our Delaware Youth Mission team has worked, needs help in furnishing their building so they can move out of the two small house trailers they are now meeting in and be able to reach more people.

I talked with our Missions Advisory Committee about how we could help meet these needs. We decided to issue a challenge to mission groups and churches to give a minimum of $25.00 a month into a special fund to be used for special mission needs such as I have named. Twenty churches giving just $25.00 a month would give us $500 a month to help meet these special needs. Some of our churches are already doing this.

Many of our churches have fairly large savings accounts that the interest alone, if given for missions, would be a tremendous help to these areas of new work where they are struggling to have a place to meet.

It may be that a W.M.U. or Baptist Men's group could take on such a project. R.A.'s, Acteens and G.A.'s could give a small amount each month or give a one-time gift. Many of us can give another dollar or more a week without any sacrifice at all.

I read recently in the *Biblical Recorder* of a church in Danville, Virginia, when told of a need in Togo, gave half of the money they had raised to build a fellowship hall for themselves to the Togo Project. In Honduras we saw churches and the vocational center that were built with money donated by churches and by volunteers. Our Honduras team gave $500.00 from funds you provided to help buy land for a new mission in Honduras. Larry Elliott reports that the land has been purchased and he has begun preparation of the lot for a building for the mission to be built.

I challenge you to become involved in missions in a more personal way by going and doing missions and by helping to meet some of the needs in these areas that I have mentioned. God will bless our efforts and we will see His work carried forward in a greater way.

I will be writing a letter to pastors, W.M.U. and Brotherhood leaders about this challenge. I pray that God will lead you to respond.

Robert H. "Bob" Wainwright

The Foreign Mission Report

The Foreign Mission Board is the overseas missions channel for Southern Baptist churches and directs the work of more than 3,800 missionaries assigned to 111 countries. In 1845 this Board was established by the Southern Baptist Convention to do missions.

Some of the types of ministry that is done by our missionaries are: (1) Evangelism, in 1986 overseas baptisms averaged more than 500 per day, every day of the year, in countries where our missionaries and national co-workers minister. (2) Education, Southern Baptists sponsor more than 700 Christian academies, colleges, Bible schools, seminaries, and theological institutes in scores of countries. More than 160,400 students were taught in these schools during 1986. (3) Publishing, more than 29 million pieces of Christian literature were produced in the publishing centers and many thousands of Bibles were distributed in 1986. (4) Broadcasting: more than 57 million persons around the world saw Southern Baptist related Christian programs on television last year, more than 166

million heard the Christian radio programs. (5) Healing the sick: more than 1.4. million persons were treated in Southern Baptist medical facilities in 38 countries during 1986. These facilities include 21 hospitals, 139 clinics, and eight nursing schools. (6) Feeding the hungry: many thousands of people are alive today because of Southern Baptist relief work. In the last year help was given to the famine in Africa, earthquake in El Salvador, hunger in Haiti.

The costs of a missionary on the average, including salary, language study, school allowance, rent, travel and other items: per year . . . $23,291.57; per month . . . $1,940.96; per week . . . $447.91; per day . . . $63.81; per hour . . . $2.66; per minute $0.045. These are facts to consider as we give to the Lottie Moon Christmas Offering this year. The goal is the same as last year's - $75 million.

To reach the 1987 goal of 75 million dollars, Southern Baptists will need to increase their giving by eight percent.

Foreign Missions is more than we think, we must look beyond our own backyards to see the entire world. We must see the world as God does.

Foreign Missions service is for each of us, and we can contribute through prayer and gifts to the Lottie Moon Christmas Offering and through the Cooperative Program.

Prayer is foremost in fulfilling Christ's Commission to go into all the world preaching, teaching, healing, that all may hear the good news of Jesus Christ.

Respectfully submitted,
Mrs. Lawrence Davis

Fifth, we express our sincere appreciation and love to our Director of Missions, the Reverend Bob Wainwright, for his dedicated leadership; and to our Associational Secretary and Clerk, Mrs. James E. Frazier, for her faithful and loyal service.

Sixth, we express our concern and opposition to Senate Bill 732, The Pari-Mutuel Gambling Measure, pending before the State Senate and urge our churches and their members to express their concern and opposition to this bill. We feel that passage of this bill can impugn the integrity of our state.

Cooperative Program Report

The dream in 1925, when the Cooperative Program was born, is the same dream today: Southern Baptists - Win the World to Christ. Southern Baptists, who contribute regularly by giving through their churches and the Cooperative Program, are the hope for victory to win the world to the Lordship of Jesus Christ and fulfill this dream. Southern Baptists, through 37,000 churches, are united in this dream by the Cooperative Program. It is the Cooperative Program that unites us as one for mission support. It is the Cooperative Program that is the convention approved plan of distributions of support of all our missionary causes. It is the Cooperative Program that is the envy of all other Protestant denominations. It is the Cooperative Program that reassures all Southern Baptists, in these days of religious scandal, that they are participating in one of the, if not THE, most inclusive, best balanced and most effective benevolence programs ever developed. The Cooperative Program allows Southern Baptists to be good stewards. Yes, religious scandal is still making headlines in newspapers, but the greatest scandal of our Association and conventions would be a drop-off in Cooperative Program gifts.

We encourage greater participation in the Cooperative Program by our churches. We encourage churches to include greater mission giving in their dream, objective, and vision. Many organizational methods and plans are available to your church. We are ready to help meet your needs.

The Flat River Associational records show that our 33 churches last year contributed $187,647 through the Cooperative Program. This was an increase of 7.3 percent over last year. Our churches also contributed $58,213 to associational missions, an increase of 9.8 percent of last year.

We thank each and all churches for the continued support to fulfill our dream to Win the World to Christ. This dream will help us to know Christ more clearly, to Love Christ more dearly, and to follow Christ more nearly.

Respectfully submitted,
Ken Kelley

Memorial Service

As we pause now for these special moments in our annual session, I want to ask each of you to listen to the names that are on our list of deceased members that have passed away during the past church year. You possibly remember something special about many of them and I would ask that you reflect back on the various ways they might have influenced your life and at the same time thank God for the opportunity and privilege to know them.

At the close of reading of the list, please stand and Rev. Malvin Tuck, pastor, Amis Chapel Church, will lead in a special prayer.

Ordination Committee Report

The Ordination Committee of the Flat River Baptist Association met on Sunday, February 8, 1987, for the purpose of examining Mr. Paul Davidson Inman for ordination into the gospel ministry. Mr. Inman was called as interim pastor of the Florence Avenue Baptist Church. The Ordination Committee examined Mr. Inman in accordance with the guidelines set forth in Article 7, Section 10, of the Association's Constitution. The committee recommended, by a unanimous vote, the ordination of Mr. Inman.

An ordination service was held at Oxford Baptist Church on February 22, 1987, following the recommendation of the Ordination Committee.

General Board Report

The General Board met three times this year - twice at Caraway Conference Center and once at Gardner-Webb College.

Highlighting the meetings this year has been the completion of the Togo & West Africa Partnership with N.C. Baptists. As a result of our work there, Baptist Christians have almost doubled. One of the greatest needs has been for good water. Today there are 55 wells and many ponds used for irrigating crops. Also a bridge was completed to connect them with the mainland. As the Togo Project was completed we entered a partnership with Baptist in SAO-PAULO as a five year mission project.

Another highlight was the establishment of Fruitland Baptist Institute becoming an institute of the General Board with a Board of Directors like the Hospitals, Home for the Aging, and the Children's Homes.

Offerings throughout the Baptist State Convention for various institutions and agencies have shown a considerable increase over last year. Much emphasis has been placed on Planned Growth and Giving through the year.

Our Baptist Hospital in Winston-Salem is in a major expansion program. The Board approved a request from the Retirement Homes to borrow $1,688,000 for a major expansion at the home in Winston-Salem.

The Christian Life Commission and The N.C. Christian Action League Report

During the past year the Christian Life Commission elected a new Executive Director, continued its fight against gambling and hunger and increased its initiatives on abortion, pornography, and other moral concerns related to families.

The problem of abortion received high priority as the issue became a major staff assignment. The Commission sponsored a national consultation on alternatives to abor-

tion designed to chart new courses of action in the fight against abortion. The Commission also produced and distributed eight new abortion-related resources designed to help in the observance of Sanctity of Human Life Sunday and to strengthen ongoing anti-abortion efforts.

The N.C. General Assembly adjourned its 1987 session on August 14th marking the first time in North Carolina's history for the legislature to last into August. Normally, the body concludes its work by the 4th of July.

A major victory can be claimed by the defeat of the statewide lottery proposal. Due to Virginia's recent passage of such a bill, the heat from the gambling industry was evident. With opposition to the proposal coming from Gov. James G. Martin, Lt. Gov. Robert B. Jordan, and House Speaker Liston B. Ramsey, the bill died in a Senate Committee.

However, the gambling industry did not fold up its tent and go home. A pari-mutuel gambling bill, Senate Bill 732, is still alive. Its sponsor, Senator Kenneth Royall, was able to get the measure held over until the 1988 legislative session. This proposal will open the door for horse and dog gambling tracks.

Each association needs to pass a resolution opposing Senate Bill 732, the pari-mutuel gambling proposal. Send copies to Gov. James G. Martin, Lt. Gov. Robert B. Jordan III, and to your State House and Senate members.

The porn industry hasn't thrown the towel in either. There will be more court cases. In the current session of the N.C. General Assembly, an effort was made to "gut" our obscenity statute. Rep. Ivan Mothershead of Mecklenburg County sought to insert into our law a provision to apply a statewide standard rather than a community standard. Of course, that innocent sounding wording would have rendered our obscenity statute unconstitutional. We are grateful that Rep. Mothershead was unsuccessful in his attempt. Rep. Mothershead also sought to repeal our newly enacted age 21 drinking law, but he was unsuccessful in that attempt.

Thank you for standing with us in the ministry of applied Christianity. Through your prayer and financial support, you help us to be an effective applicator of "salt and light."

Respectfully submitted,
Rev. Dean Coffey, Chairperson
Christian Life & Public Affairs Committee

1987 Report of the N.C. Baptist Foundation

You might call Frank Neville handicapped. He spends most of his time in a wheelchair. But he denies that he is handicapped, and instead has utilized his limited mobility as opportunity to witness. Each day he invites neighbors and acquaintances, one at a time, into his home for coffee. There he talks with them about Jesus, and Frank has been thrilled and amazed at their expressions of appreciation for his concern for their spiritual welfare.

Frank has determined that he will never stop witnessing, and his financial and estate plans have been so prepared as to insure that he will always be a part of winning the lost to Christ. He transferred valuable land into trust with the Baptist Foundation. Until his death, he will receive income earned by the trust. After that time, all income will be paid to Carolina Baptist Association to be used for Spanish mission ministries; scholarships for youngsters to attend summer camp, for students studying for Christian vocations, and for persons going on volunteer mission trips; for training and resources for associational leadership; and for camp development. Frank Neville, like others who are faithful stewards, now wishes to continue that commitment when he is no longer here.

In 1986, new trust agreements were prepared for 93 persons. Their gifts to initiate these trusts totaled $1,181,288. Many of the agreements provide for and anticipate the addition of funds in the future.

Assets of the Foundation have increased to more than $13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons who, like Frank Neville, witness and give daily, that the lost, the needy, the hurting people of the world may know Jesus.

Persons interested in investing in Kingdom causes may contact the North Carolina Baptist Foundation at our Baptist Building in Cary, N.C. or me, FRBA Foundation representative, and I will put you in touch with the right person(s).

Respectfully submitted,
Mrs. Gladys S. Satterwhite

The *Biblical Recorder*

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happenning which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the *Biblical Recorder!*

The state Baptist paper for North Carolina always tries to tell it like it is--the good, the bad, the victories and the warts--with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The *Recorder* tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain--only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the *Recorder* comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the *Recorder* directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

Baptist Children's Homes of North Carolina

On behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occurred during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services

will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society.

2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western N.C. in realizing this dream in 1987.
3. The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years was begun. As a basis for this LRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment.
4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this church year.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center and at our maternity home. OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes & Hospital Offering in May and Cooperative Program stewardship.

Update/Raleigh Area: The Raleigh Area Family Services Center provides services for families in the following counties: Chatham, Durham, Franklin, Granville, Johnston, Lee, Nash, Orange, Person, Vance, Wake and Warren. Even though the Kate Parham Watkins Emergency Child Care Center is the only Children's Homes facility located in this area of our state, all services of the Homes are available through this office.

Through your faithful prayers and generous gifts, we continue to be laborers together for God thus we are grateful for the opportunity to serve with you.

Report No. 39

North Carolina Baptist Hospital Report

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of these patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events. In addition, the department, in cooperation with the Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of $474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was $608,389.00 making our total receipts from the churches $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

Raymond J. Elliott

Report of the American Bible Society

Praise God for the continuing partnership of the Southern Baptist Convention in the worldwide Bible cause! Your faithful prayer and financial support make a vital contribution to the American Bible Society's global program of Scripture translation and distribution.

With your help many of the opportunities the Lord has given us to share His Word with people throughout the world are being met. Through the United Bible Societies, the international cooperative network of national Bible Societies of which the American Bible Society is a leading member, 600,128,459 copies of Scriptures were distributed worldwide during 1986 - an increase of 9.4 percent over 1985.

During 1986 the total number of languages in which one complete book of the Bible has been translated climbed to 1,848 with the registering of 19 languages in which publication by the Bible Societies and other Christian organizations took place for the first time. In seven languages first-ever Bibles appeared. The American Bible Society is

continuing to lend assistance to ongoing Scripture translation projects in 555 languages. In 348 of these, some part of the Bible is being translated for the first time.

A full account of all the ways and all the places where the Word has gone out during the past year is beyond the scope of this report.

In every corner of the world men, women and children are discovering "new life" through reading the Word of God. And in the United States, too, ABS Scripture programs continue to bring the life-renewing message of the gospel within the reach of all people.

The challenge of putting the Word into action continues. With the help of faithful friends such as you who believe in the power of the Word of God and are committed to sharing it with people throughout the world we are seeking to meet this challenge. But there is so much more to be done!

We appreciate immensely the way the Southern Baptist Convention has responded so generously to global Scripture needs during the past year as it has always done. In 1986 SBC churches gave $272,277 to the American Bible Society in support of the worldwide Bible Cause.

We rejoice in this dynamic and historic partnership and depend on your support as we continue to reach out with the Word in the years ahead.

Recreation Committee Report

Our basketball season had teams playing from only three churches and Oxford Orphanage. There were boys' teams from Peace's Chapel, Stovall, Oxford, Oxford Orphanage Red and Oxford Orphanage White. Peace's Chapel won the season championship and Oxford Orphanage White won the Sportsmanship Award. There were three girls' teams - Oxford, Oxford Orphanage and Stovall. Stovall won the season championship and Oxford won the Sportsmanship Award.

The softball season attracted several teams and a good season was enjoyed. There were only 26 teams playing in the four divisions - Pioneer boys, girls, women and men. Awards were presented at the Awards Night on August 31 at Oxford Baptist Church. Those on program included Rev. Randy Bridges, Rev. Jack Edge, Rev. Jim Holmes, Rev. Bob Wainwright with special music by The Sonlight Quartet--Annessa and Andy Atkins, Glen Compton and Neil Gresham. Members of the FRBA Recreation Committee presented the awards as listed below.

Pioneer Boys - Regular Season Award, Rock Spring; Tournament Champion, Mountain Creek. Oxford was the other team playing in this division. No Sportsmanship Award was presented in this division because there were no votes turned in.

Girls Regular Season Award went to Hester; Tournament to Dexter/Island Creek; Sportsmanship to Tabbs Creek/Delrayno. Other teams in this division were Grassy Creek, Mount Zion and Oxford Orphanage.

Women's Regular Season winner was Providence; Tournament, Mount Zion; Sportsmanship, Grassy Creek. Other teams - Bullock, Enon/Peace's Chapel, Hester, Oxford/West Oxford and Pleasant Grove.

In the Men's Division, Regular Season to Pleasant Grove; Tournament, Hester; Sportsmanship Award presented to two teams that tied with votes, Pleasant Grove and Tabbs Creek/Island Creek. Other teams included Bullock, Mount Zion/Enon, Mountain Creek, Peace's Chapel, Stovall/Delrayno and Gray Rock Methodist.

We take our hats off to the FRBA Recreation Committee for a job well done. Members were: Marilyn Howard, Enon; Waverly Brooks, Hester; Raymond Oakes, Tabbs Creek; Barbara Wilkerson, Providence; Larry Hart, Grassy Creek; Ricky Floyd, Peace's Chapel; Jerome Averette, Pleasant Grove; Betty Jean Cook, Stovall; and Tommy Parker, Delrayno, served as chairman.

Report No. 42

Report of Resort Ministry 1987

The work at Kerr Lake has expanded this past summer to include the Steele Creek Marina campgrounds where services were held on Independence Day and Labor Day weekends. This spot will be enlarged in the near future and could possibly become a preaching station for a chapel service every Sunday. It is recommended that maybe a church could take this idea on a missions project for the summer months and that maybe they could build an outdoor chapel near the lake campsites. In addition, a church could very well conduct a Vacation Bible School at Hibernia during the week of Independence Day when the park is almost filled to capacity. Again, this would be a worthy mission project that could be done in the morning hours. An alternate plan would be to transport children to a church for Vacation Bible School if it were held during this week. Talking about mission projects, a special thanks to Bullock Baptist Church for rebuilding the outdoor chapel at Hibernia this past spring is long overdue.

The overall program increased in numbers this summer, probably because of good weather during most of July and August. The high attendance was about 65 at one worship service and as many as 75 at the Saturday night Christian film programs. The average was about 27 for each chapel service and 35 for the films on each Saturday night. I had a total of six first-time conversions and commitments to become a Christian but had at least 23 rededications for the evangelism efforts. The success of this program is the one-on-one visitation survey witnessing program that is conducted every Saturday afternoon. My recommendations would include trying to obtain a resort minister who can play a guitar and sing or who can do puppetry. These talents are a great calling card to the park visitors.

I have enjoyed this opportunity and am grateful for all the support I received.

Charles Sloan

Youth Committee Report 1987

This year the Flat River Baptist Association Youth Committee has been in the process of rebuilding some traditions of the past. One tradition renewed was the youth field day held on August 8 at Hibernia Campground. It was an afternoon of activities and recrea-

tion followed by an afterglow led by Jeff Borden. The event was sparsely attended but it is hopeful as it again becomes a yearly event that participation will increase.

Another activity participated in this year was a joint ministry project with the newly developed Community Youth Council of Granville County. A Christian musical event was held with over 400 people participating.

Another focus of the Youth Committee is the gradual development of a complete library of materials and resources at the associational office and available to each church. Special thanks to each committee member for their help in development and dissemination of information for associational activities.

Providence Baptist Church

The history of the Providence Baptist Church was printed in the Flat River Association Annual in 1969. By way of review, the church was organized on March 19, 1907, with thirty charter members coming by letter from the Tally Ho Baptist Church. Rev. Joshua Stradley, then pastor of the Tally Ho Church, was the guiding light in the organization of the new church and became its first pastor, serving until his death in 1912. The church was named Beulah and the name was changed to Providence in 1922.

The first building was erected in 1907 with additions made in 1912 and 1936. The present building was erected in 1950, the adjacent parsonage in 1964 and the Fellowship Building in 1973.

Pastors serving the church have been:

1907-1912	Joshua A. Stradley	1943-1945	James W. Cummins
1912-1914	George T. Tunstall	1945-1950	W. Isaac Terrell
1915	T.A. Tatum	1951-1953	Clyde F. Melton
1916-1918	H.G. Bryant	1953-1955	P.A. Cline, Jr.
1919-1922	Eugene G. Usry	1956-1967	L.W. Smith
1923	J.U. Teague	1968-1974	Herman L. Smith
1924-1930	Paul G. Hartsell	1974-1980	William A. Farrar
1930-1940	G. Van Stephens	1980-1983	C.W. Butler, Jr.
1941-1943	J. Marshall Walker	1984-1985	Robert H. Rhoden
	1986-	Irvin W. Adcock	

In 1969 when the history was recorded in the Flat River Annual, Herman L. Smith was pastor. It was during his pastorate that the Fellowship Building was erected and dedicated. The church made good progress in outreach and stewardship.

William A. Farrar was pastor for six years and it was during this time that the History of the Church was printed and distributed to each family in the congregation. Both the history and the church records were microfilmed. Brenda Kneece, a student at Southeastern Seminary, came as minister of youth.

In 1980 the Rev. C.W. Butler, Jr. came as pastor. Stained glass windows were added at a cost of $30,000. Woody Butler, the son of the pastor was licensed and is now serving as a pastor in the state. In 1982 the church observed its 75th Anniversary with the Rev. Isaac Terrell of Thomasville returning to bring the Anniversary Message. In 1982 Robert Rhoden, a student at Southeastern Seminary was called to be minister of music and youth. At the resignation of Rev. Butler, Mr. Rhoden was called as pastor, and the church ordained him to the gospel ministry in January 1984. He served for two years before entering the chaplaincy of the U.S. Army.

The present pastor, Rev. Irvin W. Adcock came as pastor in September 1986 and throughout these years steady progress has been made. Dr. J. Carroll Trotter of Southeastern Seminary, served the congregation as interim pastor on four occasions, each time leading the church to increased interest that made the interim period a time of growth.

At the time of organization in 1907, the stated purpose for organizing a church was to provide a place of worship for the residents and to be a means of spreading the gospel from this place to the ends of the earth. That still remains the purpose of the church of 1987.

He stated that Sao Paulo in Brazil is the fourth or fifth largest city in the world, and he had been privileged to visit Sao Paulo March 1988 to see firsthand the challenge. Tar River, Flat River, and Cullom Baptist Associations have been asked to sponsor 16 churches and a number of missions in the Centro d'Estado Association. Dr. Babb stated there were 32 million people in Sao Paulo and 16 million in the Centro d'Estado. A goal of 1,000 new churches being started by 1992 had been set. Volunteers are urgently needed for this partnership in missions. Preachers, singers and people willing to make surveys are needed and he stated an orientation meeting had been set for November at the West End Baptist Church in Henderson for volunteers to attend. We were challenged to pray for the Christians in Sao Paulo and to pray for the needs in this area.

C. Scripture and prayer were offered by Rev. Robert McCrary. He read from Acts 17:6.

D. The annual sermon was brought by Dr. Don Williams. His topic was "Are You A Trouble Maker?". He stated that the validity of the Christian movement was by people who were destined to revolutionize the world with Christ and they were often called "trouble makers." He further stated that none of our churches today could be labeled as trouble makers because we fail to make an impact on society and that the laity must recapture that movement characteristic of those men who led the Christian movement in early churches. These people had a conviction about their Jesus Christ. Dr. Williams further stated that one can tithe and give all of one's life and not know Christ, we must recognize that everything we are or have does not belong to us - it all belongs to God and we should have a sense of accepting God's plan for supporting His will. Dr. Williams asked the question "Is hell's foundation gonna be shaking because of what's being done these two days in annual meeting?" He stated "it should be!". He also stated that it is up to the laity to determine the way we will go and to keep in touch with His power and we should become troublemakers again.

44. The closing prayer was offered by Dr. Rudy Patton.

(There were 202 registration cards turned in for today's sessions and amount of offering received today was $240.81.)

Miss Croom noted there are different ways to worship and that leadership from without can come from lay people and she was grateful for the strong foundation in liberal arts she had experienced at Meredith. Mr. Carothers closed in saying that the discovery process goes on all the time and asked that our demonination continue to show concerns for our Baptist institutions as we continue to grow good leadership.

77. Moderator Williams expressed appreciation to the group from Meredith College.

78. The closing prayer was given by Moderator Williams.

79. The 195th Annual Session of the Flat River Baptist Association adjourned. (There were 212 registration cards turned in from 31 churches. The amount of offering received at today's session was $133.82.)

Sunday School Report

It's been said that the Sunday School is the barometer of the rest of the church's activities. I believe that is true, for as the Sunday School goes, so goes the church. The Sunday School is the heart of a church's activities. This is where most of the Bible teaching is done. The Sunday School should be the main evangelistic tool of the church. It should be a discipling arm of the church. The Sunday School should be the major organization through which outreach occurs. If we want to see growth in our churches, then we need to work toward growth in our Sunday School.

In Sunday School work 11 of our churches reported an increase in their enrollment over the previous year. We appreciate the work of these churches and encourage all of our churches to work toward increasing their enrollment. Our enrollment over the Association this year is 5,885 which is a decrease compared to last year's enrollment of 6,040. Our Associational ASSISTeam has been working to help our Sunday Schools to grow and improve. On February 5, 1988, they attended a regional training conference at the First Baptist Church in Cary. As a result of that conference, we decided to offer our Association a Sunday School Teaching Methods and Materials Conference. This was held on September 26, 1988, at Oxford Baptist Church. There were 68 persons present, representing 16 of our churches. Just a few days before, on September 20, 1988, the ASSIST leaders plus representatives from about six of our churches attended a Sunday School Growth Rally at Trinity Baptist Church in Raleigh. It was an inspirational program which was designed to focus the attention of every church's Sunday School leaders on Sunday School growth.

The State Vacation Bible School Conference was held in Rocky Mount in February. Our associational V.B.S. leaders were trained to lead our associational clinics held at Creedmoor First Baptist Church in April and Island Creek Baptist Church in May. Thirty-three of our 34 churches conducted V.B.S. this year. Our enrollment was 2,681, an increase over last year's enrollment of 2,613. There were 31 professions of faith and 386 Sunday School prospects were discovered. There was $2,124 given to the Cooperative Program and $337.00 given to other mission causes. Our Association conducted V.B.S. at Oxford Orphanage. Twelve churches participated with 92 persons being enrolled in the school. Two mission V.B.S. were held with 21 children enrolled.

With the prospect of a new year comes the potential for new and greater things in each Sunday School. I ask you to pray for our ASSISTeam, for your Sunday School and its leaders. As we move into 1989, let's commit ourselves to reaching and winning, teaching and discipling more for Jesus Christ through our Sunday School.

Respectfully submitted,
Robert McCrary
FRBA Sunday School Director

Church Training Report

The goal of Church Training is to lead Christians to mature and grow in Christ. It is God's goal for our lives. Through the knowledge and experience we gain in Church Training, we can become the missionaries that we are called to be. If your church does not have a Church Training program, start one. If you have one, build on that foundation.

Church Training in the Flat River Baptist Association in 1988 has seen steady growth, growth that is measured in a person's commitment to his or her Lord, Jesus Christ. Nineteen churches reported some type of ongoing Church Training this year. We have had an increase enrollment of 58 persons this year.

The Associational Bible Drill had only a small participation this year. Please encourage our young people in this area. How can we expect them to face this world without the Word?

Church Training offers a vast selection of topics, training modules, new church member training, doctrinal studies, and Christian growth emphases. For small group studies and a high commitment level in study, we have the LIFE (Lay Institute For Equipping) Materials. These include MasterLife and PrayerLife which strengthen our devotional and prayer lives, along with five other LIFE courses. These courses require daily personal commitment. However, they offer the greatest spiritual growth potential of any Church Training courses. Please become a part of Church Training's exciting opportunities.

Thank you all for the opportunity to attend the Key Leadership Conference at Ridgecrest this past summer. It was a valued learning experience for me.

Respectfully submitted,
Tim Parker, Church Training Director

Woman's Missionary Union Report

"Come Let Us Celebrate!" has been the spirit among the W.M.U. members in our churches throughout the Flat River Association this past year!! We have been led to celebrate "God's Call", and "God's Commission" and "God's Work" in our communities. These celebrations have afforded a great challenge to each church to become more aware of the needs of persons both in our churches and in our communities. The main celebration of our Southern Baptist Convention was held on May 14, 1988, in Richmond, Virginia the birthplace of Woman's Missionary Union. A large delegation from our association was present for this Glorious Celebration! As we now approach another year the challenging theme is "A FUTURE TO FULFIL - LAUNCHING CENTURY 2". With our Lord's guidance we look forward to another century of sharing God's Love and bringing the world to a saving knowledge of Our Lord Jesus.

In our Leadership Conference we carried the theme of celebration out by dressing in old-fashioned dress with many women participating. At our Annual Meeting in March this centennial theme was again carried out. In celebration of the centennial each church was encouraged to nominate a member of their church who had been very influential in leading in W.M.U. work. Many, many letters were submitted. I feel most grateful to have been the recipient of that award! I do feel very undeserving of that award but I must say the personal blessings which I have received by being active in W.M.U. work since I was a Sunbeam have far exceeded anything which I may have done for others.

Many exciting events have taken place in each age level organization this past year. Our Baptist Women again joined with our Brotherhood in a Baptist Men-Baptist Women's Banquet in a time of remembering our mission endeavors through the life of Lottie Moon portrayed by Pat Frazier of Greensboro. Our Baptist Women were also involved in many mission efforts such as our Toy Store, the Migrant Work, the Vacation Bible School at Oxford Orphanage and meeting many needs of residents at our Butner Institutions. Several of the age level organizations were also directly involved in these ministries. The National Prayer Plan was introduced to our churches and each church was encouraged to be closely involved for the designated three year plan.

Several events were enjoyed by the Baptist Young Women. One new idea was a "Physical and Spiritual Fitness Night" which emphasized the need for physical fitness led by a teacher of physical exercises and also a time of spiritual fitness led by our Baptist Young Women's Director, Mrs. Theresa Jones. The Annual B.Y.W. Banquet was also held.

We began a year without a leader for our Acteens but Mrs. Annette Hill so graciously accepted the position for another term and with her most capable leadership our Acteens have been very active! They enjoyed their annual Banquet at which time the "Agape" Clowns from the First Baptist Church in Cary presented the program. From this meeting a "Clown Workshop" has been planned for our Association with the purpose of teaching Youth as well as Adults how to use "clowning" as a ministry. Our Acteen Council along with Mrs. Hill attended a workshop for Acteen Leaders at Mundo Vista.

G.A.s and Mission Friends have also had an active year through a Day Camp and through enlistment emphases. Mission Friends organizations across our association have been encouraged to enroll Cradle Roll Babies in their organizations as a way of getting mission emphases into the homes.

This has been a very fruitful year in W.M.U. Renewed interest has been shown throughout our churches. Several enlistment events have been held in many churches. Most W.M.U.'s have reported increases in membership. More of the age level organizations have been involved in Mission Actions. Several new organizations are in the making. God is blessing! May we continue to make ourselves available to Him as He provides Mission Opportunities in our communities across our association.

Respectfully submitted,
Genny Robertson

Brotherhood Report

The Annual Leadership Conference for 1988 will be held on October 25th at Corinth Baptist Church.

The 1988 Baptist Men's/Women's Banquet was held on January 2nd at Webb High School Cafetorium. Pat Frazier of Greensboro presented a Lottie Moon monologue. She held the audience spellbound for over an hour. Larry and Jean Elliott were guests and they expressed their appreciation for the Honduras work team. Starting on September 30, 1988, another group of five Baptist men visited the mission field in Honduras to help finish erecting the windmill. Our churches raised $1,800.00 for tires for the well drilling rig that Larry Elliott drove back to Honduras.

On March the 5th we held the RA Car competition and Mission Fair Rally at Oxford Baptist Church. One-hundred thirty from 12 churches attended and 43 boys competed for honors.

On April the 30th the Associational Track Meet was held at Webb High School with 5 churches participating. Hester Church won team honors.

The RA Conclave was held at Camp Oak Hill. Thirty-five boys from five churches participated.

On June 25th three boys from two churches attended Camp Caraway.

Attendance at the Track meet, RA Conclave and Camp Caraway was off considerably. If you have any suggestions to stimulate interest and participation, we would appreciate your input.

Baptist men from five churches helped in several migrant days.

North Carolina Baptist Men's video tapes are now available on a bimonthly basis to anyone in the Brotherhood. Please contact the associational office if you would like to view these.

Bob Wainwright, our DOM, will be asking each Brotherhood organization to fill out a talent and skill survey. The purpose being to let Baptist Men know of ministry opportunities that they may serve in. Baptist Men may participate in building Southern Baptist mission churches in the state. Several churches have already been built.

It will be proposed in the North Carolina Baptist Convention to make Baptist Men an auxiliary organization of the Convention just as Woman's Missionary Union now is.

Respectfully submitted,
J.B. Clay

State Missions Report

North Carolina for Christ is the objective of State Missions. We can reach this objective by channeling in different areas. In order to do this, we must share the Gospel of Christ, establish new churches, and strengthen each church in world missions. State Missions is our way of showing concern in an organized way to carry on God's will.

Our lives can be entirely different by carrying out the theme for Changing Lives Through State Missions. Did you know that we can provide scholarship funds for needy students so they can attend North Carolina Baptist colleges and universities. How? By giving to the State Missions.

Another way is to build and maintain conference center facilities where North Carolina leaders can be trained to enable them to minister in their local churches. This can be done by contributing to State Missions.

Then we can contribute toward the growth and spiritual development of hundreds of Baptist young people. How? By praying for State Missions offering.

There are many other ways in which we can help - such as helping the victims of a hurricane, tornado and floods. We can help by giving to the State Missions offering that provides funds to the Brotherhood to equip and maintain the Disaster Relief Van.

Then we can help a young boy or girl become attuned to the will of God for their lives possibly answering the call to missions. Staffers and leaders of Camp Mundo Vista, Camp Truett and Camp Caraway need our support through the State Missions offering.

Our goal for State Missions was $1,600,000.00 and the distribution for the 1988 offering is: mission ministries, Caswell Capital Funds, Christian Higher Education, Woman's Missionary Union, Associational projects, North Carolina Baptist Men, Caswell renovation, and Christian Training.

State Missions is concerned as it extends its arms of Christian fellowship to meet the needs of the people of North Carolina. What do you and your church plan for State Missions during 1988 and 1989? Let's accept the challenge and give more to the causes.

May we prayerfully seek God's will in meeting our goal for 1988.

Respectfully submitted,
Mrs. F.E. White, Jr.

Cooperative Program Report

The Cooperative Program is the way one church puts its money together with the money from other churches to share in all of the Southern Baptist programs of witnessing, teaching, healing, and preaching in the United States and throughout the world.

Since its beginning in 1925 the Cooperative Program has been and is a partnership between churches, state conventions, and the Southern Baptist Convention, which is made up of over 37,000 churches in fifty states. These churches have a membership of over 14,600,000.

The total gifts through the Cooperative Program enable Southern Baptists to support many worthwhile projects for Christ at the international, national, and local levels. Southern Baptists support educational institutions, children's homes, homes for the elderly, hospitals; they broadcast the gospel on radio and TV; they publish state papers, church literature, and books; they minister through the work of over seven thousand missionaries on home and foreign fields. In all that they do, Southern Baptist churches and denominational organizations are endeavoring to bring men to God through Jesus Christ.

We encourage you and your church to participate in a greater way to the cause of Christ through the Cooperative Program.

The Flat River Baptist Association has 34 participating churches and contributed $198,808 through the Cooperative Program. This shows an increase of $11,161 or six percent over last year's giving. Our churches contributed $64,962 to associational missions. This is an increase of $4,615 or eight percent over last year's giving.

As we look forward to another church year, let us all remember the words of the hymn writer, "Work for the night is coming, When man's work is done." With these words ringing in our ears, let's all give as the Lord has prospered us.

Respectfully submitted,
Malvin Tuck

Director of Missions Report

This has been a very good year in the work and ministry of the association. God has blessed us in so many ways. As I stated in our newletter in June, I began my 15th year as your director of missions on July 1. I am grateful for the opportunity that has been mine to serve Christ in this position during these years.

I am not one to dwell in the past. I believe strongly in the great commission that Christ gave us that we are to go into all the world and make disciples. We seek to make

all that we do as an association a ministry of Christ to carry out his command to us.

Our theme "The Year of the Laity" can help us to do that. The Year of the Laity challenges us to do everything we can to help all persons to discover the gifts that God has given them and to use their gifts and talents to serve him. It has been a beautiful experience to see people respond in this way.

Lay Renewal, Lay-led Revivals, and Lay Witness Training are three of the resources that are available to help us be aware of what God has for us to do and to prepare us to do it. There are many opportunities for training during the year that you will hear about in other reports.

All the ministry opportunities that we promote during the year are places that you can serve where you will bless others and will receive a blessing.

It may be migrant missions, resort missions, Butner Christian Missions, Area Congregations in Ministry, Prison Ministry, Toy Store, rest homes, Honduras projects, construction projects, Delaware missions, etc.

People serving in all these areas have expressed the joy that comes from serving Christ. You will hear some of these reports.

We have been without a director of Butner Christian Ministries since the Lariscy's moved in June. We are grateful for the work that Linda did in this area and Race as well. They worked as a team. We are in the process of revising this position to include work with Area Congregations in Ministry (ACIM). ACIM seeks to help needy people in our area - those who are transient as well as those who are residents. It is a coordinated effort among the churches and more help is needed. A blue brochure has recently been mailed out to the churches for information. Please read it and respond. We hope to have a new director in this work by the first of November.

Last year we issued a challenge to mission groups and churches to contribute to a special fund to help new and struggling churches. Eight churches and some individuals accepted the challenge. Some have contributed $25.00 each month and some have given a one-time offering. The total amount received during the year was $1,369.00. A comparatively small amount, but it has meant a great deal to Temple Baptist Church in England, and London Village Chapel in Delaware. In addition one church contributed $200.00 to London Village Chapel and the Honduras Team contributed $1,250.00 to Tiloarque Baptist Church that Larry Elliott is working with in Honduras. This is a start, but we need to do more to help in these areas.

Our resources are great and we need to use more of them to help new churches to have a strong base to work from.

The Nevada Baptist Convention has invited those planning to go to the Southern Baptist Convention in Las Vegas in 1989 to come a couple of days early to help start 25 new churches and to do door-to-door witnessing. They are also asking for prayer partners, churches to help sponsor a mission financially, and for church groups to come for Backyard Bible Clubs, visitation and musical events and for pastors to come and preach revivals. They have a goal of sharing the gospel with every person in Nevada in conjunction with the Southern Baptist Convention. Some folks would rather not go to Las Vegas, but we are told that there are 700,000 unchurched people in Nevada. I think Jesus would want us to go there.

Some persons have already volunteered to go to Sao Paulo, Brazil, in 1989, to lead in Simultaneous revivals and do personal witnessing. It will cost cost about $1,500.00 for each person. Those who cannot go will need to help those who can go. That's why I have suggested that we receive an offering for Overseas Ministry Projects to assist those

who are able to go and serve in this way. Dr. Babb will be telling you more about this project this evening. We are also planning some more projects in Honduras.

We have begun work on getting a Skills and Talent Survey filled out by those who are interested in serving as volunteers so that we will have a ready pool of persons to call on for various needs and ministries. We will put this information in the computer and be able to let volunteers know about ministry opportunities. I have some of the forms and would be pleased if you would take one and fill it out - both men and women.

In five years, we will be celebrating the 200th Anniversary of the Flat River Baptist Association. We need to begin making plans for that celebration. We have requested that the moderator appoint a special 200th Anniversary Committee to get started on that. I would also like for us to do some long-range planning to set some goals for the association to work toward in the next five years.

I am very concerned about the conflict and lack of unity in our Convention at the present time. The pastors in our association have made a real effort to keep the issues that divide our convention from disrupting the fellowship and ministry of the Association. I am grateful for this.

Several of our churches have had problems of fellowship this year and this has been of deep concern to me as well. In most situations, the problem is too serious or has gotten out of hand before I know about it or can offer assistance. I would remind you that the Mutual Care Committee was established last year and is available to help, when invited, to deal with conflict situations. The chairman of this committee, Don Williams, is presently working with one of our churches. Pray for God's guidance in this effort.

The officers and the leaders of the program organizations are available to help your church in any way that we can. We have persons who are trained in all areas of church programs, as well as many program resources. Call us or come by and let us know how we can help you.

Respectfully submitted,
Bob Wainwright

Auditor's Report

December 30, 1988

Flat River Baptist Association
McClanahan Street
Oxford, North Carolina 27565

We have studied the annual treasurer's report of the Flat River Baptist Association for the year ended September 30, 1988. We have not audited or reviewed the treasurer's report and, accordingly, we do not express an opinion or any other form of assurance on such report. However, nothing came to our attention during our study of the treasurer's report to indicate that there were any material errors in the report.

Missions Advisory Committee Report

Your Missions Advisory Committee has been very busy this year. We have had four regular meetings and one called meeting.

Funds that we have received from the State Missions offering are in the savings account to be used for new work. We hope that details for starting a Spanish Mission, in cooperation with Cullom Association, can be worked out soon so that it can be started this year. We have $2,976.00 in savings for this new work.

Donations from churches in the Association toward new work have been sent to London Village Chapel in Delaware and Temple Baptist Church in England. These are churches that need assistance in completing their buildings.

We are in the process of revising the job description for Butner Christian Ministries Director to include involvement in Area Congregations in Ministry. Linda Lariscy moved this year so we are also seeking someone to fill this position.

Application for membership in the Association was made by Granville Baptist Church in April. They were recommended to the Executive Committee and approved to be under watchcare of the Association. Granville Baptist was approved for Pastoral Aid from the Baptist State Convention of North Carolina in the July meeting by the Executive Committee. They have called Howard Suttles, a student at Southeastern Seminary, as pastor.

The Missions Advisory Committee recommends that Granville Baptist continue under watchcare of the Association for the 1988-89 year. We bring this as a motion.

The Living Word Baptist Church, meeting in Butner, submitted an application to the Association for membership on October 6, 1988. Their pastor is Terry Hall. Their application is being considered by the Missions Advisory Committee and after we have an opportunity to meet with representatives of the church, we will make a recommendation to the Executive Committee in January.

Respectfully submitted,
Tommy Averette, Chairman
FRBA Missions Advisory Committee

Budget Promotion Report

As our treasurer has already reported, we have had a very good year. Our churches are to be commended for keeping our Association on such a sound financial basis this year. We are very grateful for those churches who are contributing to the Association on a percentage basis. We recommend that each church contribute four percent of undesignated offerings to associational missions. About half of our churches are giving four percent or more.

Our 1988-89 Budget was presented, discussed and voted on at the July Executive Committee meeting. You have a copy of the budget in your packet. Our committee wants to recommend that we amend our budget as follows:

1. That $3,000.00 be added to Building Maintenance/Repairs and Equipment to be used to replace the roof on our associational building.
2. That $4,000.00 be added to the Van Fund to be used in the purchase of another van.

3. That $1,000.00 be added to Equipment/Audio Visuals to replace our copy machine.
4. That $200.00 be added to the budget as a line item under Church Development and Christian Education below Senior Adults for Minister's Conference Program expense.
5. That these funds be taken from the balance that we have now in our checking account.

With these changes, our total amended budget would be $73,005.00. I bring these as a recommendation from the Budget Committee.

Trustees Report

The balance owing on the siding on the associational office building was paid off by action of the association last year. We are grateful for that.

The one problem we still have is the roof needs replacing. It is leaking in one area that we have not been able to stop and the shingles are beginning to break down in other places.

We have gotten three bids on replacing the roof. The lowest bid is $2,783.00. This does not include replacing any sheeting thay may be rotten and have to be replaced.

The trustees recommend that we proceed with having the roof replaced using the funds recommended by the Budget Committee.

Van Committee Report

We feel that our present van needs to be replaced. It is almost ten years old and has 117,096 miles on it. We have had to make numerous repairs to the van this past year and some groups have had breakdowns on the road. We have at the present time limited its use to 100-miles round trip.

The van has been used this year by 13 churches for 23 trips averaging 11 passengers per trip. It has been used by the Association for 21 trips averaging nine persons per trip.

We recommend that the Van Committee be authorized to sell the present van and to purchase another van for use by the Association and churches. We are considering a 1987 15-passenger van rather than a new van.

Respectfully submitted,
Mr. J.B. Brogden, Chairman
FRBA Van Committee

Honduran Mission Team

Words cannot describe the feeling in our hearts that we have from serving on the recent Honduran Mission trip. The dream was begun three years ago to build a windmill to serve the Face of Christ Baptist Church in San Pedro de Catacamas, Honduras. Last year, we dug a well there and they used a hand pump to get water. This year, we erected the windmill that will keep their storage tank full of water, even during the dry season. God provided for all our needs and sent just the resources that we needed at just the right time; from the fair weather, to the abundant help, to the safe travel, to the winds needed to test and operate the windmill. It was a thrill to work with the Honduran believers, who would come to the site every day prepared to stay as long and work as hard as necessary to finish their windmill. What a thrill to share in the meals provided in their homes and worship in their churches, to see the faith and dedication of those on this Christian frontier. Although we came to minister, we were ministered to. Though we went to serve, we were served ourselves.

Our thanks go to each of you for your support and prayers that went before us. Especially, we thank Larry and Jean Elliott, our missionaries in Honduras, who provided for us and directed the project. Team members were:

James Adcock - Oxford
Wallace Andrews - Northeast
Bobby Temple - Fellowship
Doug Colquitt - Pleasant Grove
Ken Kelley - Northeast, Team Leader

God has blessed our lives and the lives of those in this church because of your support for Foreign Missions and the Lottie Moon Christmas Offering. This generation has the greatest possibility to carry the Gospel to the four corners of the earth. God is doing things in Honduras, in Korea, in China and here at home. Let us not be diverted from our mission at hand. We have helped provide a cup of cold water...good, clear, safe water...to be a ministry to that church and that community that they might provide the Living Waters to all who will hear.

Respectfully submitted,
Bobby Temple

Senior Adult Coordinator Report

The Senior Adults in the Flat River Baptist Association 60 and over are increasing in number every year. Several more of our churches have organized an active adult ministry for their senior adults.

Several members from Creedmoor First and Butner First attended the Senior Adult Chautauqua at Ridgecrest and five from our association attended Camp Caraway. Information was given at both of these conferences that has been helpful in our senior adult efforts this past year.

On November 12, 1987, 17 members gathered at the Oxford Baptist Church for a covered dish luncheon where the above reports were shared.

February 11, 1988, found 46 senior adults at Providence Baptist Church for their Valentine luncheon. Mr. Edwin Coates, Executive Director of the Baptist Foundation for Baptists in North Carolina, presented a program on the Foundation.

Oxford Baptist Church hosted the meeting on April 19, 1988. The Senior Adults from First Baptist Church, Southern Pines, North Carolina presented their rendition of the "Hee Haw Show." Approximately 100 members enjoyed the covered dish luncheon as well as the well presented show.

Austin went to be with his Lord on March 10, 1988, and claimed his greeting "Well done my good and faithful servant." Since I have just celebrated my 81st birthday, I feel it is time to pass the leadership of senior adults in our association to younger leadership. I have agreed to serve as coordinator for another term but we are seeking an assistant.

The fellowship enjoyed by senior adults in various associational gatherings as well as individual church gatherings is remarkable and we urge you to continue with your various programs. We do encourage more churches to become involved in associational senior adults gatherings.

If I can be of service or help to any church, please call upon me.

Respectfully submitted,
Ethel M. Stokes

Music Report

A workshop for volunteer church music directors held August 23 at Durham Memorial Baptist church was attended by Mrs. Judy Smith and Mrs. Helen Cummins, Tally Ho First; Mrs. Gayle McCrary and Mrs. Kaye Raynor, Peace's Chapel. The Volunteer Music Director's Retreat held September 9-10 at Camp Caraway was attended by Mrs. Gayle McCrary and Mrs. Kaye Raynor, Peace's Chapel; and Mrs. James Frazier, Amis Chapel. There is no record of any other churches from our association attending these events.

Six "Zone Directors" willserve as our music contact persons. They will let our churches know of any upcoming music events that are available to our association. Those serving in this capacity are: Mrs. Judy Smith, Tally Ho First; Mrs. Cindy Joy, Oxford; Mrs. Gayle McCrary, Peace's Chapel; Mrs. Sherree Preddy, Corinth; and Rev. Bob Wainwright, Director of Missions. The sixth "Zone Director" position is not presently filled.

The associational newsletter that is published each month is a valuable resource for finding out about the many musical opportunities available to our churches. All churches are encouraged to participate in making their cantatas available through the associational office. By exchanging music, each church can keep their music budgets down.

A special thank-you goes out to all of the associational musicians who so graciously filled special music positions during our annual associational meeting.

May we all continue to be musicians with a mission.

Respectfully submitted,
Sherree B. Preddy

Executive Committee Report

The Executive Committee of the Flat River Baptist Association had three regular quarterly meetings in 1988 to carry on the work of the association between annual meetings. Business was conducted as usual on January 12, 1988, April 19, 1988 and July 12, 1988.

Due to the hospitalization of the moderator, Vice-Moderator Tommy Averette led in the January meeting. The January meeting was highlighted by the Incorporation of the Association.

The April meeting was highlighted by the decision to grant "watchcare" status to the Granville Baptist Church of Creedmoor.

In the July meeting, Greg Day, 1988 resort minister, and Alfredo Granillo, 1988 migrant minister, gave glowing and challenging reports of their summer ongoing activities.

I am grateful for the hard work of our Executive Committee this year and the continuing faithfulness of our director of missions, Bob Wainwright.

1988 Annuity Board Report

The Bible teaches that churches have stewardship responsibilities for those God has called to serve (I Cor. 9: 13-14). Churches should consider this responsibility a lifelong commitment. Each minister has a need while serving your church to prepare for retirement.

Now is the time for your Church to begin providing a retirement plan or to consider upgrading your participation in retirement planning for your minister, staff and employees.

Middle-aged to older ministers especially need assistance to make the most of their time before retirement. The less time you have before retirement, the more money you must save to have adequate retirement income.

A retiree generally needs income equal to 70 percent of the salary earned the last year of full-time employment. Some may require 100 percent.

Southern Baptist Churches now have some help in meeting their responsibility for minister's retirement preparation. Offered through the State Convention and Annuity Board, the Church Annuity Board, the Church Annuity Plan can help churches fulfill their commitment to help ministers prepare adequately for retirement.

The plan expanded benefits create a cooperative effort between the minister, the church and the state convention.

For more details, contact the annuity representative in your state convention office or call the Annuity Board toll free (800) 262-0511.

Report of the Delaware Mission Team

On the morning of July 17th this preacher and his wife took their life in their hands by carrying 10 young ladies to Dover, Delaware. It was a day that we had all looked forward to and it was a week that each one of us have and will continue to reflect on. Many times when you get real excited about something it turns out to be a big letdown. That however was not the case with this trip. It was better than we could have ever hoped for. Better for a number of reasons.

First of all because of the people who work every day to make London Village available to the folks up there. Dallas and Sandy, Richard and Bobby and others all have a deep desire to see people trust Jesus as their Lord and Savoir.

Next I think of the children. Many of whom endure terrible things. Live in terrible poverty. Don't even have any idea who Jesus is.

It was a wonderful experience because of the 10 girls who went with us. It is my joy to let you know that they were used of God in a mighty way to touch the lives and hearts of those children. They worked hard and were very good representatives of the Flat River Association. While I'm sure it was a wonderful experience for them they were a big part in making it a wonderful experience for Faye and myself.

I came back feeling not so much like one who had carried a message as one who had been the recipient of a message. It was on Wednesday night. We were preparing to

watch a puppet show. Many members of the mission team were holding kids in their lap. Suddenly I noticed this little four or five year old child walking towards me. His name was J.R. and he probably was the dirtiest, grubbiest child I've ever seen. He has some kind of rash on him that Faye had already caught. I caught myself praying God don't let J.R. come over here to me. In that moment God spoke to me and said Jack you remember what I said, as you did it to the least of them you did it to me. God said to me Jack I've got all kinds of ways of coming to you. Perhaps I'm somebody who needs a cool glass of water. Perhaps I'm someone who's sick and needs medical attention. Perhaps I'm a grubby little boy who just wants to sit in your lap. In that moment I came to realize that it was really my heart that was grubby. So I stretched out my hands and J.R. settled into my lap. And I experienced what I had heard so long. Christ really did go out of the Ivory Palaces and into the world of woe. And that is what He has called us to do. Let me encourage you to encourage your young people to be a part of the Deleware Youth Mission Team. It is an opportunity to both be a blessing and receive a blessing.

Jack said he'd leave me 30 seconds to talk and I believe he was right. I will make what I have to say brief and to the point. When you can sit and hold a small, helpless child in your lap and put something as simple as a puzzle of Jesus talking with children together, and you ask the child if he knows who this Jesus is, and the child replies, "Is he a man that beats you?" You know the fields are ripe unto the harvest and the laborers are way too few. People, Delaware is just a far away example of what is right ourside your very own door. There are hundreds of children as well as adults who don't know who this Jesus is. It is time for we the Christians of the Flat River Baptist Association to join the harvest of these who ask the question, "Who is this Jesus?"

We express appreciation to the youth team members who assisted in this mission trip -Angela Martin, Kim Seate, Cynthia Wilson from the Florence Avenue Baptist Church; Sallie Hoyle and Renee Brooks, Hester Church; Teresa Frazier, Susan Frazier from Mountain Creek Church; Renee Lloyd and Tracy Johnson from Providence Church; and Cindy Adcock of the Oxford Baptist Church.

Jack and Faye Edge

Report No. 22

The Home Mission Report

The Home Mission Board is a missionary sending agency of the Southern Baptist Convention and provides resources for the local churches. The primary goals of the Home Mission Board are evangelism, church starting and ministry.

The Home Mission Board works in all 50 states as well as in Puerto Rico, American Samoa, Canada and in the American Virgin Islands.

There are over 3,700 missionaries serving throughout the Home Mission Board area along with thousands of volunteer workers and countless laypersons in an effort to make the Bold Mission Thrust a reality. These dedicated people differ in age, race and social background but they all hold one thing in common - an earnest desire to reach the lost for Christ, to meet their physical needs and to bring them into the fellowship of a church.

During 1987 the Home Mission Board placed more than 50,000 volunteers on the mission field. This includes choirs, youth and adult mission groups, student summer and semester missionaries, Mission Service Corps, Sojourners (older teens, and young adults), Campers on Mission and Christian Service Corps volunteers.

Our own Association has been fortunate to have a group of Acteens Activators from Florida come to our area and work for a week in the new work area in Butner/Creedmoor as well as minister in the Butner institutions and Oxford Orphanage. Pleasant Grove Church had a group go for a week of ministry to Cherokee, North Carolina. Oxford Baptist sent a group of young people to Delaware for a week of ministry. Our Delaware Youth Mission teams continue to minister each year to London Village Chapel in Delaware. There have been some individuals involved in various mission projects.

The Annie Armstrong Easter Offering gifts for home missions may be recorded this year as the lowest increase in nearly two decades if our current giving trend is not reversed. Dr. Larry Lewis, president of the Southern Baptist Convention Home Mission Board, has stated if contributions continue at the present rate for the remainder of the year, the board will receive an estimated 81 percent of the 1988 Annie Armstrong Easter Offering goal of $37.5 million. This could mean we would be approximetely seven million dollars short of our goal. As of this past August, North Carolina Baptists had given $3,416,143 through the Annie Armstrong Easter Offering or a decrease of $7,190 compared to the same period in 1987. Flat River churches report $38,095 was contributed through the Annie Armstrong Easter Offering this year. Compared to last year, $39,595 was given which shows $1,500 decrease.

The challenge is to have 50,000 churches in the Southern Baptist Convention by the year 2000. To achieve this, we must have an annual net growth of 1,000 new churches. Also there is a goal of winning and baptizing a million people each year. Dr. Larry Lewis has stated that "every goal he envisions for the Home Mission Board depends on the involvement of the laity. This "Year of the Laity" promotion brings to mind that our nation, our state, and our association can be won to Christ only if we all - the laity and pastoral leadership - join our hearts and minds towards the overwhelming task of reaching America for Christ.

Rev. M. Thomas Robertson

Evangelism Report

Evangelism is essential for the vitality of the churches in Flat River Baptist Association and was shown by many. We are glad and rejoice at the number of people who came to know Jesus Christ as their Lord and Saviour. These have come because they have responded to the call from God from one of His witnesses.

We all know that for the church to be the church, we need to all be ministers. The year, 1988-89 has been disignated as the Year of the Laity. Each individual Christian and each individual church must continue to see the "fields that are white unto harvest" and be willing to supply the workers to do the work. We often hear athletes referred as having unlimited potential. With pastors, staff, and every Christian working together,

look at our unlimited potential in the Flat River Baptist Association. Yet, some will choose not to be an active agent in God's cause, but a great many others can begin to plant seeds that will bring forth fruit.

We encourage Flat River Baptist Association to participate and to begin to make plans for the simultaneous revivals in 1989-90. Not only should we be getting the preaching and singing for the week, but we should also begin praying now for our community, our church, and our association.

Whether or not our church and our association grows depends on individual believers getting serious about sharing what Christ means to you and by word and lifestyle. Our association showed a decrease of 17 in baptisms from last year. Our association has been on a declining spiral for a number of years. The time has come for us to turn it around and change more lives. Let's commit all we are toward being used by Christ to impact this world. Let us find definite ways to evangelize the world we live in.

If the Evangelism Committee can help you in anyway as your church considers evangelism, please let us know.

Respectfully submitted,
Randy Bridges
Chairman, Evangelism Committee

Foreign Missions Report

The Foreign Mission Board of the Southern Baptist Convention was created during the Convention's organizational meeting in 1845 for one purpose: to provide a channel through which the churches could work together to share the gospel with all nations of the world.

In providing financial support for world missions, Southern Baptists support our mission outreach through the Cooperative Program and the Lottie Moon Christmas Offering.

In early years almost all missionary ministries were preachers, teachers, doctors or nurses. Today there are more than 80 categories of specialization (including music, religious education, publications, broadcasting, student work, chaplaincy, business, aviation, agriculture, social ministries, many variations of these and a long list of others). Relief and hunger ministries have increased greatly.

Today there are more than 3,800 missionaries assigned to 113 countries.

Christmas in most Southern Baptist churches means Lottie Moon Offering and a special emphasis on foreign missions. This special offering provides essential support for our overseas mission efforts. The special program named the "Week of Prayer" for foreign missions is in December. The theme this year is "Because We Have Been Given Much" with the offering goal for Lottie Moon Christmas Offering of $84,000,000.00

The Foreign Mission study theme this year is "Nigeria: Heritage and Hope." As we observe the Week of Prayer and study the foreign missions book, may each of us become more mission minded and dedicated to God's work.

We need more money to do the work but our missionaries need our prayers also.

May we continue to support the Foreign Mission work with our prayers and offerings, that all may hear the good news of Jesus Christ.

Respectfully submitted,
Mrs. Lawrence Davis

Very few churches responded to the Media Library survey sent out near the end of September. We would appreciate, even now, your responding in some way on the sheets and returning them to the Association office.

As best as can be determinded that are 23 churches with Media Libraries - 16 active and 17 inactive. Ten churches have not started one. If you need any help in beginning a Church Media Library, help is available. Materials you will need are in the Associational Library for you to see what you need and check out on short term basis.

The Association has a Media Library. There are about 625 books, video and audio tapes, some slides, equipping modules as well as other kits available for use among the churches. Video equipment, movie and overhead projectors, screens, tape players, and other equipment are also available.

Magazines of all descriptions - Mission Organizations, Sunday School, Church Training - and others are kept for reference and can be checked out.

The TACMO meets once a quarter on Executive Committee night at the Oxford Baptist Church. Only a few churches have been represented. This is where we learn as well as share ideas. Mrs. Virginia Tuck of Amis Chapel Church went to Ridgecrest representing the Media Library at the Key Leadership Conference.

Ordination Committee Report

The Ordination Committee of the Flat River Baptist Association has had a busy year. The following candidates were interviewed for the gospel ministry:

1. Ron Weeks, pastor of Double Heads Baptist Church, Sylvania, Georgia, was examined April 7, 1988, at the request of Knotts Grove Baptist.
2. Greg Sink, minister of youth at First Baptist, Creedmoor, was examined May 15, 1988, at the request of First Baptist, Creedmoor.
3. Cam Ford, pastor of Poplar Creek Baptist, was examined July 17, 1988, at the request of Mount Zion Baptist.

Each candidate was examined according to the guidelines found in Article 7, Section 10, of the Association's Constitution and approved by the majority of those on the committee. According to the Scriptural qualifications found in *I Timothy 3:1-7*, those who are approved for the gospel ministry should meet the highest levels of moral, ethical, spiritual, and social integrity. Any decision to approve one for this office must be entered into with prayer, the knowledge of that person's qualifications, and the affirmation of a body of believers who can attest that person's Christian gifts, lifestyles, and commitment to Christ.

Resolutions Committee Report

We, the members of the Resolutions Committee, recommend that:

1. The messengers of the 195th Annual Session of the Flat River Baptist Association give to the Lord our most ardent praise and thanks for His love and grace, and for the victories given through Jesus Christ this year, for souls saved, and the progress made in many areas of our work within the Association.
2. We express our appreciation to our host churches, Delrayno Baptist and Bullock Baptist, for providing delicious meals and extending to us their Christian hospitality.
3. We wish to congratulate our moderator, Dr. Rudy Patton, and all others who have worked with him, for their performance on the program and thanks for bearing the burdens of the work.
4. We wish to especially commend our Director of Missions, the Reverend Robert Wainwright, for his 15 years of dedicated service. We wish to also express gratitude to his devoted wife, Betty, for her support during these years. In recognition of Mr. Wainwright's 15 years of dedicated service as director of missions in the Flat River Baptist Association, we recommend that the 1988 Flat River Baptist Association Annual be dedicated to his honor.
5. Our heartfelt thanks for our Clerk and Office Secretary, Mrs. James E. Frazier, for her loyal 23 years of service.

Be it resolved:

That the Flat River Baptist Association pray for the leaders of our nation, especially that they may guide his people back to the religious foundation upon which our nation was begun; and that we follow the leadership of the Lord in selection of these leaders.

That we encourage every person to exercise the God-given right which we as Americans have in choosing our leaders by voting.

Be it further resolved that we all pray for unity throughout the Southern Baptist Convention.

Be it further resolved that we express our concern and opposition to the Lottery and the Pari-Mutuel Gambling measure and urge our churches and their members to express their concern and opposition to this bill.

Be it further resolved that we seek to trust our Lord completely, and look to Him for our leadership and our strength.

Memorial Service

We have seen the hand of God working in our association in the last 12 months. We pause to honor those that have departed this life since we last met.

Each one holds a special place in the hearts of family, friends and loved ones.

The joyful memories of these dear people will linger through the years. The smiling faces, the warmth of being together, the feeling of being closer to God, the spiritual strength and comfort are cherished memories dearly and tenderly recalled as time and life go by. We fondly recall their deep influence in our Flat River Association, especially in each individual's home, church and community.

I would like for you to stand as I read the following poem written by St. Francis of Assisi in memory of the 102 loved ones departed from this life.

Lord, make me an instrument of Thy peace!
Where there is hatred...let me sow love.
Where there is injury...pardon.
Where there is doubt...faith.
Where there is despair...hope.
Where there is darkness...light.
Where there is sadness...joy.

O Divine Master, grant that I may not so much seek
To be consoled...as to console,
To be understood...as to understand,
To be loved...as to love:

For

It is in giving...that we receive;
It is in pardoning...that we are pardoned;
It is in dying...that we are born to eternal life.

St. Francis of Assisi.

Christian Education

What is a Baptist college and what distinguishes a Baptist college from other institutions of higher learning?

First, Baptist colleges are COLLEGES. . . places where teaching and learning take place. During 1987-88 approximately 18,000 students and over 1,200 faculty members worked in our seven Baptist colleges and universities to ensure that quality education was provided. Christian education of church and community leaders is the task our colleges gladly undertake.

Second, they are unique in that Baptists began them all, provide financial support for them, and send their youth to them for quality education in a Christian environment. They are indeed special places with special people.

Third, while a college cannot be a church any more than a church can be a college, Baptist colleges are partners with local churches in missions. Some of the Baptist groups which are hosted and cared for by our Baptist colleges include: January Bible Study Preparation; Summer Ministries Orientation for students working with churches; Youth Ministry Retreats; Youth Choir Festivals and Children's Choir Camps; Pastors' Schools; Christian Studies for Pastors and their families; Senior Adult Rallies; Special Olympics for the Mentally Retarded; Church Training Doctrine Seminars; Pastor Support Conferences; Church Incorporation Seminars; WMU-Sponsored Acteen Seminars; RA Track Meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student Days; Annual May Meeting of the General Board and all committees; March Meeting of the General Board's Executive Committee; and more.

The goal of such interaction is to continue to provide church related colleges and college related churches. In this way, the special and unique educational opportunities available at Baptist colleges will be maintained.

Baptist Retirement Homes of North Carolina Report

The mission of the Baptist Retirement Homes of North Carolina, Inc., is to provide quality living opportunitites for older adults within a context of Christian love and concern.

The Homes takes seriously its responsibility to make its residential opportunities available to older adults across the state and to be continually responsive to the needs as they expand and change.

With a population increase of 50 percent for the 80 plus group in Baptist life (those individuals most likely to need residential care), the Baptist Retirement Homes has launched a bold new program of development and ministry that includes the following:

1. The Development of Regional Continuing Care Retirement Communities.
2. The Development of a Home Health Care Ministry.
3. The Development of Financial Subsidies for Retired Ministers and Ministers' Spouses with Limited Financial Resources for Retirement Living.

New Sources of funding must be found if these needs are to be met.

So as we move into 1989 we need to be more aware that the opportunities for creative ministry with older adults cannot be realized without the support of North Carolina Baptists. Caring for God's people requires caring individuals who pray for and give for this important ministry.

Mrs. Pender Woodlief

Report No. 34

The North Carolina Action League Report

The Ministry of Applied Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

GAMBLING - The greatest push ever for legalized gambling stands on the horizon. We have always had those who support a state-wide lottery and pari-mutuel (horse and dog track) gambling. It is only in recent months that you have major candidates for statewide office in North Carolina that embrace such proposals.

In the 1987-88 session of the North Carolina General Assembly, a lottery bill was defeated and a pari-mutuel gambling proposal died in committee.

The pro-gambling industry has hired lobbyists already on the scene garnering support for the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting but to be an informed voter. Billy Sunday put it this way: "The only thing worse than an empty voting booth is an empty head in a voting booth."

DRUNK DRIVING - Efforts will also continue in the area of alcohol, drunk driving, and other drugs. In the last session, several pieces of legislation that would have liberalized our liquor laws were defeated. Other measures dealing with drunk driving were virtually ignored or "sandbagged" by political maneuvers.

We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation. Other vehicles have a 0.10 standard.

ABORTION - The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. Attempts to pass such legislation in North Carolina have been met with legislative "footdragging." Such bills get channeled into hostile committees where they die. A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge much less consent.

Furthermore, North Carolina remains the only state in the Southeast to use state funds to kill unborn babies. Legislation to limit state funding only to those cases involving the life of a mother, incest, or rape, has been rejected repeatedly.

The cause of applied Christianity calls for our vigilance and commitment.

Rev. Dean Coffey, Chairperson
Christian Life Committee

Report No. 35

North Carolina Baptist Foundation

The North Carolina Baptist Foundation offers opportunities for Christian stewards to "give forever" through trusts, etc. that support designated Baptist causes, and as missions, Christian education, homes for children and the aging.

Another unique expertise provided by the Foundation is the helping to analyze a person's total estate picture and assisting in the complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause, and then is content. Often, however, the person realizes that both his family and the Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than piece-meal plans and small bequests here and there, took full advantage of the tax laws available to them and provided fully for their son *and* the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift", that the Foundation renders the greatest service.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record $14,452,258. Trusts already in place provided $578,697 in support of Baptist causes. As important as these statistics are, a signficant aspect of The Baptist Foundation program is that it provides individuals with an avenue for continuing their support of Christian causes beyond their lifetime.

General Board Report

The General Board conducts the business of the state-wide convention, between annual sessions, in all matters except those specifically exempted by the Constitution of the Convention. The Board is made up of 107 members, from the 79 associations, and

the 10 geographical regions of the state. The majority of its work is carried on by its agencies and committees.

The Board meets three times annually: in January, May and September. The first and third meetings this year were held at Caraway Conference Center (January 25-27; September 27-28), and the second meeting was held on the campus of Mars Hill College (May 23-25).

James L. Jerrard, from th Piedmont Association, was elected president for 1988, and Thomas C. Bodkin, of the North Roanoke Association, was elected Vice-President.

Far too many items of business were expedited during the meetings to allow even a summary of them here. But allow me to highlight a few of the major items.

In the January meeting, it was announced that the Cooperative Program Budget receipts for 1987 exceeded those for 1986 by $1,832,675, or an increase of 6.87 percent. However, in the May meeting, it was reported that at the end of April, the Cooperative Program receipts showed a shortfall of three percent or $352,578.70. And at the September meeting, it was reported that as of September 22, the Cooperative Program Budget showed a shortfall of 3.69 percent.

At the May meeting, the Board approved a recommendation that the Brotherhood be granted auxillary status in order to merge with the North Carolina Baptist Men, thereby creating a single organization called the North Carolina Baptist Men.

In the September meeting, the report of the AD HOC Committee on Substance Abuse/Dependency was approved by the Board. The report recommends the establishment of a drug abuse (alcohol and other drugs) center as a new service institution. The recommendation will be voted on at the 1988 annual meeting in Fayetteville.

In these tense days within the Southern Baptist Convention, I am happy to report that the work of the General Board of the Baptist State Convention of North Carolina, by its committees and agencies, was carried out in a positive spirit of love and unity.

I am thankful for the opportunity to serve you and all the Baptists of North Carolina as a member of the General Board.

Youth Committee Report

The Flat River Baptist Association Youth Committee sponsored one major activity for associational youth this past summer. It was an associational Pool Party. In years past this associational acitivity had been held at Kerr Lake. This gathering was held at the Forest Hills Pool in Oxford. It was scheduled for July 23, 1988, but rescheduled to the following Saturday because of rain. Approximately 55 youth and 15 adults were present. The theme for the event was World Hunger. There was a $2.00 admission fee which went to World Hunger and $2.00 worth of canned food which went to the Asia Congregations in Ministry (ACIM). ACIM is the local organization of area churches whose function is to assist people in need. Youth participated in swimming, basketball, tennis and volley ball. Following the activities, Tim Parker from Oxford Baptist presented a program on the ACIM and a video on how Southern Baptists are assisting the fight against hunger around the world. One hundred fourteen dollars was raised and several boxes of canned food were collected.

A new feature for youth is a series of cassette tapes which have been designed to address the needs of youth in a counseling style format. A copy of the tapes are available at the associational office for reviewing.

The youth committee assisted the area Christian Youth Council in sponsoring a talent night held at Oxford Baptist on March 21, 1988. The purpose of the event and the council is to provide recreational activities for area Christian youth.

Special thanks to each committee member and to Bob for assisting in planning and organizing this year's activities.

Respectfully submitted,
David Forsythe, Chairman
FRBA Youth Committee

The Biblical Recorder

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The *Biblical Recorder* believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well-informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than to read and think, but we must be informed and involved in the work of the Lord as Baptists do it...if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the *Recorder* informs, it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact:

God has given us a great opportunity and a great responsibility. Let us be informed about what is happening. Let us be involved in meeting the challenge, in being a part of the answer to take the Gospel to a lost world.

Migrant Ministry Final Report

GRANVILLE COUNTY

About 350 migrant workers were contacted during this summer 1988 in Flat River Association. Everyone reached received an edition of the New Testament in Spanish. The response to English classes, Bible Study, Worship Service, and Sports averaged 50 per week with a low of 15 and a peak of 120. A total of 118 health kits, 18 food kits, and used clothes were distributed directly to the migrant workers' quarters.

The cooperation of various religious and secular institutions as well as farmers, private volunteers from the community, and the full support from the Director of the Flat River Baptist Association, made this summer a glorious one regarding the spreading of the Gospel of Jesus Christ to the Hispanic population in the Association. There were a total of 64 professions of faith made during the season. Special instruction was given in regard to the plan of salvation outlined in the New Testament. Of these, seven expressed the desire for a more in-depth study of the Scriptures. Therefore individual courses were given on Saturday based on the "New Believers Manual." As a result, three were prepared and ready for baptism. They assured me that baptism will be the next step in their Christian life. Pray for them.

The big social events during the summer were the weekly sport-time and social time among the Hispanic congregation. The monthly gathering (picnics) sponsored by different churches in the Association provided an opportunity for the Hispanic congregation to interact with the American congregation. At the end of the season we had a trip to the lake where everybody brought a covered dish and we had fun and fellowship together.

West Oxford, Island Creek and Mountain Creek sponsored Migrant Days with several other churches helping with the meal.

This was for me a very important experience in my life because it helped me to confirm and reaffirm God's calling into the ministry to Hispanics. The only thing that I regret is that I could not nurture the lives of those that, motivated by the Holy Spirit, made a commitment and a stand to accept Jesus as their Saviour. Please pray for them. That wherever they are, the seed that was implanted in Granville County - Thanks to a caring Association - will germinate and one day produce fruits and fruits abundantly. Praise the Lord!

Report No. 40

American Bible Society

The longstanding and fruitful partnership between the Southern Baptist Convention and the American Bible Society continues to open new ways to the Word for millions of people across the nation.

Your support has been of key importance to the success of the many projects undertaken in 1987 in the ongoing task of meeting the Scripture needs of the world - whether through expanded distribution in areas where the availability of God's Word is critically low, or through innovative channels of Scripture production, or through translation of the Scriptures.

The countries around the world which follow, are representative of Bible Society work in some of the regions where the SBC maintains a strong and active mission presence. They illustrate the wide diversity of populations, with their own particular Scripture needs, served by the Bible Societies. These countries are *Uganda, Peru, Haiti, Lebanon,* and *Indonesia.* Many countries in *Eastern Europe, Poland, Hungary, Romania, Soviet Georgia, Czechoslovakia* and *Soviet Union* have shown remarkable advances in Scripture production and supply.

In the US the AMB has striven to meet the diverse needs of the churches of this country in 1987 through: *Scriptures for youth and children, Scriptures for evangelism, Scripture in languages other than English,* (*Spanish, Chinese,* and *Korean*).

The Society's unswerving goal is to meet all the Scripture needs that are presented to it. That is why we continue to turn to our partners in mission. In 1987 the churches of the SBC contributed $255,073 to the ABS in support of the Worldwide Bible cause.

It is truly encouraging to see your fine response to the urgent needs for Scripture that exist in so many countries at this time. Although much more is needed, your support has made a vital and invaluable contribution to the ongoing challenge of opening God's Word for all.

Respectfully submitted,
Mertie B. Davis
ABS Representative

Resort Ministry Report

HIBERNIA STATE PARK

The chaplaincy work at Hibernia State Park met with great success this summer. If we were to make a Biblical comparison for this summer's events it would be that of the parable of The Sower in Matthew 13: 18-23. We believe that our summer was one of seed planting. The gospel was shared through personal visitation, sporting events, family night movies, personal testimony, special events, and most important worship. In each of these areas we were able to meet folks where they were in their spiritual lives and began or continued the process of planting the seeds of the Gospel in their hearts.

Will we ever see the harvest? Perhaps it was reflected in the average worship attendance of 12-15 persons. Perhaps it was reflected in as many as 100 persons sharing in a

family night film. But mere numbers will never tell the true story of how God planted his love in the hearts of those whom we served.

We would like to express our thanks to the many churches and individuals who supported us through their prayers and presence in the ministry. Without your support and love the ministry would not have been as fruitful as it was. We would also seek to leave you with a challenge. First, become aware of this rewarding ministry and take part in it in any way that you can. Second, perhaps someone may catch the vision of building a shelter for family activities and worship in the event of unpleasant weather. This is a great need and perhaps someone will see the vision also.

Again we thank you for your love and support throughout the summer and are looking forward to our future together.

Greg Day, Resort Minister 1988

Report No. 42

North Carolina Baptist Hospital Report

Perhaps the word which best sums up the past year at Baptist Hospital is expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, included the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedres for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs...as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these

are: a day care center for children of employees, wage and salary adjustmnets, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than 17 years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Presler, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hosptial received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Respectfully submitted,
Raymond J. Elliott

Mr. Coates expressed his regret of being late because of business transactions being made for the Foundation in another part of the state. He stated the purpose of the Foundation is to continue to do what instructions call for in assisting any person or any Baptist church who wishes to establish a personal plan for the perpetual use of material assets through the means of a trust. 20. Rev. Randy Bridges introduced the speaker for this afternoon's session, Rev. David Langford, who is Executive Director-Treasurer for North Carolina Baptist Men in the Baptist State Convention of North Carolina.

21. Address: Mr. Langford spoke in connection with the theme of this Annual Meeting, "The Baptist Association Sharing The Dream." He stated if we are to win the world for Christ, the job would have to be done by laity. As we are no ways near the dream of Bold Mission Thrust, he has a dream that lay people will realize God has laid the tool in our hands to win many people to Christ. He read from Exodus 4:22-27. The dream continues that men and women will come to realize the miracle of giving back to God what He has given to us to use. The challenge was to consider the difference that could be made if one person would win one person for Christ with that cycle being continued. We need to realize that God has called every Christian to win the lost to Christ and the churches are full of men and women who can tell the story of Christ and no special tools are needed for the task except to believe in Jesus Christ and accept Him as personal Savior.

He mentioned the disaster area in Georgetown, South Carolina where Hurricane Hugo went through. There were approximately 73 men and women who helped to feed people in need for 12 days. There were 30,000 to 35,000 people fed by our North Carolina Disaster Unit and close to 200,000 people fed by all units. Many trucks of food, clothes, etc. have been sent into the areas and over $70,000 has come in to help these people in need. He expressed appreciation for the way North Carolina Baptists have reached out to help through this disaster.

22. Announcements relative to the evening meal were made by Dr. Steve Bolton and he offered the blessing for the evening meal.

D. The annual sermon was brought by Rev. Norman Hicks, pastor of Rock Spring Baptist Church, and retired from active pastorate as of October 31, 1989. Mr. Hicks' topic was "Sharing The Dream In Togetherness." He stated that churches should be together in spirit and together for a purpose. Churches need to acquire a better understanding of what the purpose is and be aware of the things that stand in the way of our being together in Christ. He further stated

that Jesus teaches us if He is to share with us, we have to share with Him. If we are to make our partnership strong and share the dream, we must realize we have to be a born-again group and realize that we are partners with Christ because Christ is not only the messenger, He is the message. Every generation needs to be led to accept Christ, we must totally belong to Christ, have love for one another. The church must be a place of instruction, service and must hear God speak and listen to His message. God depends on each individual and we should hear and obey God instead of man. He asked, What would be the result if 100 per cent of church membership would make a worthy proclaimation for Jesus Christ?

37. Moderator Williams called the session recessed until Tuesday afternoon. (There were 205 registration cards received and offering amounted to $219.43 on this day.)

B. Address: Robert and Carolyn Barbe have been serving since August 1985. Dr. Barbe is ophthalmic surgeon and chief medical officer in Eye Hospital in Lunsar, Sierra Leone. Mrs. Barbe is church and home worker in Lunsar, Sierra Leone. They are natives of Virginia. Their report both verbally and with slides was most interesting. They were grateful for the opportunity they have had in winning some Muslims to Christ. The people are very gracious, love music, make their own noisemaker, love sports, especially soccer. The number of people that can read is low. In this country there are no telephones or televisions. There is a great amount of Christian work that needs to be done and they are grateful to serve in this capacity.

58. Dr. William Clemmons gave announcements relative to the meal and gave the blessing for the food.

59. The afternoon session adjourned for supper prepared and served by Tabbs Creek Baptist Church.

TUESDAY EVENING SESSION

68. The Memorial Service was led by Mrs. Watson Currin, Mount Zion Church. She read John 11:25-26, read the names of the deceased members from each church and prayer

was offered by Rev. Keith Williams. (Report No. 31)

69. Business: There was none at this time.

70. Moderator Williams presented officers for the coming year: Mr. Tommy Averette, moderator; Rev. Sam Brewer, vice-moderator; Mrs. James E. Frazier, clerk; Mr. Norman Jones, Jr., treasurer; and Rev. Bob Wainwright, director of missions; and led in a prayer of dedication.

71. At this time Moderator Williams turns the gavel over to incoming Moderator Averette who presided for the remaining session.

72. Moderator Averette presented a plaque to Dr. Donald Williams in appreciation for his service during the past year. The plaque inscription reads as following: "The 196th Annual Session of the Flat River Baptist Association in grateful appreciation of services rendered to the cause of Christ and our Association presents this plaque to Donald A. Williams, Moderator, October 1988 - October 1989. Flat River Baptist Association."

73. Moderator Averette names the Committee on Committees for the coming year as following: Mr. Ronald Taylor, Olive Grove Church; Mrs. Shirley Gupton, Butner First Church; Mrs. Johnny Brummitt, Corinth Church; Mrs. Woodis Vaughan, Amis Chapel Church; and Mr. Lee Roy Beams, Tungsten Church, who will serve as chairman. (Clerk Frazier contacted each of these individuals and they agreed to serve.)

74. Christian Education Emphasis:

A. Mr. Leonard (Lenny) Rogers introduced the special music for the evening session, Scott and Lisa Cooper with Johnny; and also introduced the guest speaker, Dr. Christopher M. White, president of Gardner-Webb College in Boiling Springs. (Report No. 32)

B. Scott and Lisa Cooper sang two selections accompanied by tape entitled "In His Name" and "When I See Jesus." Scott is a student at Gardner-Webb College preparing himself for the ministry and has been a ventriloquist for several years. He and his friend, Johnny, brought some inspirational message (and some fun with the group) and closed with a song entitled "I Am An Instrument."

C. Address: Dr. White has been president at Gardner-Webb College for several years. He stated that Gardner-Webb has a good number of students who are training for the ministry. He brought greetings from Gardner-Webb and all the other colleges and universities. For the fourth year Gardner-Webb had realized a record enrollment. These are hard times but great times. Each college is unique - there are differences but all serve together for the same purpose with students coming from all parts of the world. With many of the colleges being founded by churches, evangelism should be the theme and the colleges were most grateful for the support that comes from each of the churches. He was also grateful for the opportunity to serve in his capacity and to have the Baptist heritage run deep through his life.

75. Moderator Averette expressed appreciation to the host churches, Oxford and Tabbs Creek, and to each person on the program for both days.

76. The closing prayer was given by Dr. Donald Williams.

77. The 196th Annual Session of the Flat River Baptist Association adjourned. (There were 200 registration cards turned in and the offering amounted to $337.30 for this day's sessions.)

Mrs. James E. Frazier, Clerk

Sunday School Report

This past church year has seen a decline in our Sunday School enrollment of 219 persons. While it can be said that on a national level Sunday School attendance has dropped, we must seek all available means and methods to reclaim for Christ those who have fallen away, as well as those who have not received Christ as their Lord and Savior.

One method is "Share Hope - Reach 10," an outreach program to reclaim the lost and the wandering.

F.R.B.A. Sunday School training department will participate in ASSISTeam training in February 1990 and Vacation Bible School training in March 1990.

Additionally, the Sunday School Department will hold a Sunday School director's training seminar on January 15, 1990.

Pastors and Sunday School directors, I urge you to "Be About Our Father's Business" in this new church year and year of Simultaneous Revival. "Share Hope - Reach 10." "Here's Hope - Jesus Cares for You!"

Respectfully submitted,
Rev. Terry Gladden

Church Training Report

Church Training has always sought to lead the church in training disciples. Who knows where we would be today had we taken Church Training as seriously as we could? And where would the church be had we not emphasized Church Training across the Southern Baptist Convention?

In the Flat River Baptist Association in 1989, 17 churches reported having Church Training with a total of 725 people enrolled. We thank each church that participated this year for your commitment to Christ's mandate. However, these numbers represent a significant decrease from last year.

Does our commitment to Church Training reflect the attitude of Christ? I believe in the need for Church Training. Church Training is seldom given its deserving attention in many areas of our state. But if training disciples is important to Christ, it must be important to us.

We need a change. We need to open our hearts and eyes to see the devastation that comes with untrained disciples. The plateaued state of the S.B.C. can trace its beginnings to untrained disciples, stumbling through a political lion's den without the Word and way of God. However, we have a chance to move in the right direction.

Change has come in the form of a new name for Church Training. We now call this opportunity Discipleship Training. After all, that's what we are to be about. Let's make Discipleship Training a new beginning for our churches. Be involved in Discipleship Training.

I want to thank you for allowing me to serve as your Church Training director over the past year and a half. I know that God has someone in mind to move Discipleship Training forward in this association. Listen closely, He may be speaking to you.

Respectfully submitted,
Tim Parker, Church Training Director

Woman's Missionary Union Report

"You have heard; look at all this. And you, will you not declare it? I proclaim to you new things from this time. Even hidden things which you have not known." (Isaiah 48:6 NASB)

Woman's Missionary Union has just celebrated its 100th Anniversary and 1988-89 saw the beginning of Century 2 in missions education with the focus being "A Future To Fulfill."

The past 12 months have been busy and productive in our churches, all of which have W.M.U. organizations. Two of our special events were the weeks of prayer for foreign missions and home missions. A special time for emphasis comes in February when Woman's Missionary Union Focus Week is observed. This past year's toy store was a great success. There were 85 families involved with a total of 231 children receiving toys and gifts.

Being involved means learning through mission study, programs from the literature of each organization and missionary speakers such as Mrs. Ken Childers who was the special missionary speaker for the annual W.M.U. Spring Meeting at the Butner First Baptist Church held in March.

Praying for missionaries is a special part of W.M.U. and each member is encouraged to use the prayer calendar.

It's wonderful to report some new W.M.U. organizations in our association but we still need others and more commitment to God's call as each of us responds to His imperative "to go ye into all the world."

The verse from Isaiah which I quoted in the beginning of this report was our watchword for the past year and asks, "Will you not declare it?" This is what W.M.U. is all about, declaring God's love to all the world.

Respectfully submitted,
Edith A. Frazier

Brotherhood Report

The Baptist Men/Women Banquet was held on January 20 at J.F. Webb High School with Dr. Ray Pruette, professor emeritus of Louisburg College, being the featured speaker.

The R.A. Mission Fair and Car Competition was held at Oxford Baptist Church on March 9. Fifty-one men and boys participated from 15 churches. There were over 100 spectators in attendance to cheer the boys on.

In August six men and two women from our association went on a mission trip to Honduras to help in a church construction project.

Providence Baptist Church was the overall winner at the associational Track Meet held at J.F. Webb High School on April 29. A total of 103 boys from 10 churches participated.

There was not an associational R.A. Conclave held during the past year.

Nineteen boys from the association attended Camp Caraway in June for a week of camping fun and learning opportunities.

Several men and boys from several of our churches attended a Durham Bull's ball game on August 1 which was a region four activity. Region four is also helping in collecting socks for homeless people in New York City.

North Carolina Baptist Men have committed to raising $120,000 for a medical and dental bus for the state. The bus will be used across the state for medical and dental needs. It will be staffed by the local associations. I urge each Baptist Men's group to make a contribution for this cause.

A training conference for all Baptist Men and Royal Ambassador leaders as well as Brotherhood directors will be held at Creedmoor First Baptist Church, October 30, 1989. All leaders are encouraged to attend.

Respectfully submitted,
J.B. Clay

Report of N.C. Baptist Foundation

Bells ring in Baptist ears when we hear about our Baptist Homes for Children, Homes for the Aging, Baptist Hospital, Baptist Colleges, State Missions and other ministries.

Do we also hear a jingle when mention is made of our Baptist Foundation? That is our only entity which receives endowment gifts for any and every Baptist cause. Through trusts and endowment funds, established by individuals, churches, and associations, the principal is invested and income is paid regularly and PERPETUALLY to the causes named by the donor.

There are some donors in the Flat River Baptist Association who have invested varying amounts as memorials or other types of gifts, interest on which is distributed to mission causes of one's choice. It is wonderful to know that from here on out, when donors are no longer living, their gifts will be blessing the causes of Christ, through their Christian stewardship.

I truly believe if more people understood the ministry through the Baptist Foundation, many more persons would choose to give more money to be used in spreading the Gospel. I am thankful somebody told me of this channel of blessing.

Respectfully submitted,
Gladys S. Satterwhite

North Carolina Baptist Hospital Report

The North Carolina Baptist Hospital continues to be one reason for North Carolina Baptists to be proud. It continues to grow in facilities and personnel and to be a leader in advancement of medical technology. While being a major medical center which enjoys world recognition, it is at the forefront of personal concern for its patients — it is a Christian hospital.

It is increasing in size — the new North Tower is almost complete which will increase the hospital's bed capacity to 806. If you walk through the facility, you are very much aware that every area of the hospital's ministry is being affected and changing and growing.

Last year over 22,000 people were admitted to our Baptist Hospital. I happened to be one of those who spent time in its emergency room. The response to my need was quick and comprehensive. I can say the most refreshing part of this experience for me was I was not treated as though I was a number — I was a person. The North Carolina Baptist Hospital is big, but it is personal and full of genuine concern.

Our hospital depends on the Cooperative Program and the Homes and Hospital Offering for financial support to part of its ministry. The hospital administration, staff and patients are grateful for the services made possible by these gifts. You do have a part in this ministry as you support this ministry with your gifts and prayers.

Respectfully submitted,
Emmanuel Pegram

Budget Committee Report

We are grateful for your continued support of the work of our association. As our treasurer's report shows, we have had a very good year in regard to our finances. This makes it possible to carry on the ministries of the association that we feel God has led us to do. We want to encourage each church to contribute to the work of the association on a percentage basis. We recommend that each church contribute four percent of undesignated offerings to associational missions. About half of our churches are giving four percent or more.

You may recall at our annual meeting last year we voted to adjust the 1988-89 budget which would make an increase of $8,200. This would be used to replace the roof on the associational office, buy a new van, purchase a copy machine and have funds for the ministers' conference programs. Our budget for 1989-90, which you will find in your packet, is lower than last year's budget because of those changes we made at the annual meeting. As you look over the budget, you can see that some things were increased and some were decreased. It was presented, discussed and voted on at the past July Executive Committee meeting. There are no additional recommendations. If there are any questions, we will try to answer them for you.

Respectfully submitted,
F.R.B.A. Budget Committee

Church and Community Mission Report

This last year as C.C.M. director has been very rewarding to me in many ways. I have learned how when Christians have been informed of the needs of others, they have really responded.

I have been asked to speak in many churches at all types of meetings. This gave me a chance to meet many of you on a personal basis and I have made many new friends.

On the average of two trips a week were made to the five Butner institutions and Battered Women carrying the many needs from our Association. Many thanks for your love and concern has been expressed by these institutions.

The C.A. Dillon Youth Retreat was I think the highlight of the year. Two churches provided the five teachers and assistants we needed; five other churches provided the refreshments each day. We had 25 students to participate, they were so cooperative in every way. We had a lesson, activity time, refreshment and craft time each day. Your support both financially and materially made this possible. This was the first retreat held in this state at any detention home for youth. Mr. Bowden, the director, was very cooperative and the director over all N.C. State Dentention Homes came from Raleigh and spoke at the commencements on Sunday night following the retreat. There were approximately 100 people at the commencement.

We have been working on a program called "Adopt-A-Wing" at John Umstead. The response has been fantastic. Churches have taken a room of four patients and they supply bedspreads, valances, throw pillows, flower arrangements, stuffed animals and radios. The cost of this is $70.00 per room. We are hoping to paint three wards at John Umstead and will need men and women who are willing to help paint. Everything will be furnished, even your lunch. Please let us know you can help.

Murdoch Center is asking each of the 17 counties in North Carolina to provide Christmas for the patients from their county. We have 29 patients from our county. We are asking churches to adopt one of these patients. Names and a list of what they would like to have are available for you. Please help in this.

Any time any of you would like to tour one of these places, please feel free to call. It will open your eyes to the many needs we have right here in our community.

Getting personally involved in helping others on a one-to-one basis is really rewarding. Since the Lord opened this door to me, giving and praying for missions has not been enough. These are very important but to see the look on faces when we personally meet a need is beyond compare. Let us all get more actively involved in HIS work.

Respectfully submitted,
Virginia Tuck

Youth Committee Report

The F.R.B.A. Youth Committee sponsored two events for associational youth this past year. The first event was the Youth Rally held at the Oxford Baptist Church on June 24.The speaker was Mike Long, the National Consultant for PROJECT RESPECT. Mike is from Durham and spoke on the topic, "Sex Respect: The Option of True Sexual Freedom." Mike delivered a straightforward message recommending abstinence until marriage. His goal is for teenagers to realize that true sexual freedom includes freedom to say "NO" to sex outside of marriage and to enable each individual to progressively develop responsible behavior, positive self-esteem, and respect for others as they make decisions involving the use of their sexual freedom. His brochure carries the label *Everyone is NOT Doing It.*

Mike's presentation was preceded by special music delivered by Doug Bass from Henderson, and followed by refreshments in the fellowship hall. The pianist was John Owens. The event had a combined participation of approximately 55 youth and adults.

PROJECT RESPECT has available both video tapes and an academic curriculum for schools. The tapes are available at the associational office, and the teaching curriculum is being considered for inclusion to the Granville County sex education program.

The second event was the Pool Party held at Westwood Pool on August 5. The evening consisted of an assortment of activities including competition to remove a Vaseline covered watermelon from the ten feet deep area of the pool, water balloon volleyball, free time for swimming, and refreshments. The activities were closed by a devotion led by Jeff Borden from Olive Grove. The purpose of the event was to provide associational youth an opportunity for recreation, to meet other youth from outside their church community and from across the river. The event was attended by 65 youth and adults.

The goals for 1990 are: to sponsor two educational/inspirational/recreational events, the first being tentatively scheduled for March 1990, to continue encouraging implemen-

tation of PROJECT RESPECT in the school system, and to begin increased awareness and notification of youth activities/resources in individual churches to allow more joint church activities.

This year's activities were planned and carried out with the assistance of many associational members. Special thanks to the Youth Committee members—Jeff Borden, Linda Hobgood, James Wilson, and Debbie Evans. Also to Danny Evans, Diane Wilson, Greg Sink and Gary Stanley for their assistance.

Respectfully submitted,
David Forsythe, Chairman

Report of North Carolina-Brazil Partnership

Volunteers from the Cullom, Tar River and Flat River Baptist Associations went to Centro d'Estado Association in Sao Paulo, Brazil, August 2-15, 1989, to be involved in an evangelistic crusade and visitation among 10 of its churches in a nearby city of Bauru. There were evangelists, music leaders and personal witnessing leaders.

Two ladies from the Flat River Baptist Association were among the mission team. They being Mrs. Gladys S. Satterwhite from the Oxford Baptist Church and Mrs. Margie Newcomb from the Union Baptist Church. Among the team members from the Tar River Baptist Association was Rev. James Horton. Mr. Horton became pastor of the Sharon Baptist Church on October 1, 1989.

These three, Mrs. Satterwhite, Mrs. Newcomb, and Mr. Horton, gave a brief report on their mission trip. They told of their house-to-house evangelization and evangelistic revivals, witnessing to those they came in contact with, and the human need projects they were involved in during this trip. Expenses of their trip were paid for by their own funds, by their churches who sponsored them and by the Woman's Missionary Union Bold Mission Projects and the associational Overseas Mission Fund. Leader of the mission team was Rev. Bill Wallace, director of missions from the Tar River Association.

Other individuals who are interested in a future mission trip and being involved in the five-year partnership between North Carolina and Brazil Convention may contact the associational office.

Honduras Report

There are things going on in this world that we know very little about. There are believers and churches doing the work of God in places we have never heard of. It was our privilege to be involved in two mission trips to Honduras this year. In March a team of five went to Juticalpa to help drill a much-needed well in that community. The water supply there was not adequate for the people. They had already laid pipes from the water tank to their homes so now some of them even have water in their houses. The team members were:

Maynard Brooks ..... Delrayno
Ron Heintz ..... Delrayno
Bob Wainwright ..... Oxford
Clifton Champion ..... Fellowship
Winston May ..... Fellowship

In August a team of eight went to Tegucigalpa to help in church construction. We helped to put on the rafters, trusses, roofing, weatherboarding and a steeple on the Communion Baptist Church. The church was started a little over two years ago with offerings and funds from the Lottie Moon Christmas Offering. The people hope to have it completed and dedicated in December of this year. The team that went was:

James Adcock ..... Oxford
Thelma Hill ..... Fellowship
Al Strother ..... Pleasant Grove
Bobby Temple ..... Fellowship
Andy Fisher ..... Butner First
Floyd Jackson ..... Concord
Alan Temple ..... Fellowship
Wanda Temple ..... Fellowship

It is thrilling to see these wells and churches rise in these communities. Nearly all of the work and construction is done through volunteers. There is no other way these churches can be built. The people do not have the resources to build them themselves. We worked with Larry and Jean Elliott, two of our missionaries there. They can do a tremendous work in building up the Body of Christ and winning the lost. They have the love and dedication to carry out the work and some of the great pastors in the country. Let us all do our part; whether you go yourself or support and pray for those who go. God gave us the Great Commission to go into all the world and make disciples. From our viewpoint at the church when we were there, we could look out and see a good part of the city. We could see the planes taking off from the airport. James Adcock was always kidding that we had better watch him or he would sneak off and be on one of them. When we left, we could look out the left side of the plane and see the church in the midst of all of those houses. . . and the steeple on top as a testimony that here is a place of refuge in the midst of a stormy sea. We saw it and it felt good.

Bobby Temple

Senior Adult Coordinator Report

The Flat River Senior Adults have had a good year. With our numbers increasing and Senior Adults seeming to get younger all the time even if the years say different. We encourage all the churches to organize a Senior Adult group and urge senior adults to be active in their organization.

ENON Church hosted our February meeting with over 50 in attendance from 10 cooperating churches. A delicious covered dish meal was served.

The Rev. Bob Wainwright introduced the program for the day. Mrs. Faye Collins welcomed the visitors and presented gifts to the oldest man and woman present. Floyd Averett and Miss Mary Belle Knott received the honors.

Rev. Malvin Tuck, pastor of Amis Chapel, led the devotional and Rev. and Mrs. Tuck led in a time of games and good old fashioned singing. Special music was by Mr. Tim Travis, Tungsten Church.

Associational updates were presented by Bob Wainwright and expressions of thanks were extended to Tom W. Carver who frequently drives the associational van for the senior adults.

HESTER Church hosted the May meeting with 56 adults from seven churches in attendance, as always a delicious covered dish meal was enjoyed by all present.

Rev. Malvin Tuck, newly elected associational adult coordinator, presided over the day's activities, with the Rev. Randy Bridges bringing the devotional message. Mrs. Gerald Rene Frazier played for the singing of the day.

Mrs. Stokes, retiring coordinator for the association, was honored at this meeting. Words of appreciation, gifts, a corsage, and a scrapbook for her mementos were presented to her. Rev. Bob Wainwright also presented her with a plaque of thanks from the association.

AMIS CHAPEL hosted the August meeting with 77 adults from eight churches present. Mrs. Ruby Claud Vaughan, president of the Golden Age Group of Amis Chapel, gave the welcome and Rev. Clarence Bishop, retired pastor and member of Amis Chapel, brought the devotional for the day.

Rev. Malvin Tuck, senior adult coordinator, recognized the pastors present: Rev. Randy Bridges of Hester, Rev. Irvin Adcock of Providence and Dr. Don Williams of Creedmoor First.

The program was presented by the Sunnyland Kitchen Band from Butner First. This was a very memorable presentation and left all present with a heart full of joy.

The November meeting will be held at Creedmoor First and the February meeting will be at Butner First, as always an exciting program will be presented.

Pastors and senior adults, let's end this church year with a senior adult group in every church in the Flat River Association.

Respectfully submitted,
Malvin Tuck, Senior Adult Coordinator

Executive Committee Report

The Executive Committee of the Flat River Baptist Association had three regular quarterly meetings in 1989 to carry on the work of the association between annual meetings. Business was conducted as usual on January 10, April 11, and July 11.

Throughout the year, the chairman of the Executive Committee, as called for in our Constitution, filled vacancies on various committees when needed. Motions/recommendations that were presented and accepted were: (1) Mr. Hugh Currin, Oxford Church, be elected as parliamentarian to replace Dr. Don Williams who was serving as moderator; (2) that $2,500 be paid on the van note which includes the $1,525 received for sale of old van and that due to the secretary's (Mrs. Frazier) absence from the office because of illness, funds be authorized not to exceed $400 to pay extra secretarial help; (3) that April 1-8, 1990, be accepted as dates to schedule simultaneous revival services in our association; (4) that after reviewing of findings and consideration, the Living Word Baptist Church be denied the request for watchcare status in our association due to the Bylaws and Church Constitution of Living Word are inconsistent with our churches within the Flat River Baptist Association and the method of formation (i.e. church split) is inconsis-

tent with current thought in the Flat River Baptist Association regarding establishment of new churches; (5) that the Association request financial aid from the Baptist State Convention of N.C. in 1990 as follows—$1,000 for Migrant Missions, $3,000 for Church and Community Missions, and $800 for Resort Missions; (6) that F.R.B.A. churches hold an additional offering for overseas mission projects carried out by members of F.R.B.A. churches with the monies received to be distributed by the application at the rate of $10 per each $50 of the cost of the trip up to the first $250 and should a need greater than scheduled amount arise, the moderator, vice-moderator and director of missions may use discretionary powers for additional disbursements; (7) accepted employment of Mrs. Virginia Tuck, wife of pastor at the Amis Chapel Church, as part-time Church and Community Ministries director beginning November 1, 1988; (8) notified that Rev. Terry Gladden of the Stovall Church had been elected as General Board representative from the Flat River Association replacing Rev. Robby Phillips who had moved from this association; (9) Rev. Malvin Tuck of Amis Chapel Church be elected as Senior Adult representative to replace Mrs. Austin Stokes; (10) adopted the 1989-90 Budget totaling $71,980 which is a decrease of $1,025 over the 1988-89 Adjusted Budget; (11) that another payment to the van note be made in amount of $2,000 ($1,316 from operating fund and $684 from savings account); (12) that the salary of Mrs. Virginia Tuck, C.C.M. director, be increased in the amount of $75 per month beginning with July 1989 and going through the 1989-90 calendar with the increased funds coming from State Missions fund in the savings account; (13) that get well greetings and a check of $25 be sent to Mrs. Mertie Davis, a former F.R.B.A. director of missions.

I appreciate so much the cooperation from each of the churches during the past year both financially and through the cooperation of the various ministries carried on by the Flat River Baptist Association.

Respectfully submitted,
Dr. Donald Williams

State Missions Report

North Carolina is a *mission field.* Our 100 counties comprise a true mission challenge to our churches, associations, state convention and its institutions and agencies. We need State *Missions* and *prayers* more than ever. Our church program organizations decline in enrollment more years than it grows. There were 100,000 more people enrolled in Sunday School 20 years ago than today.

There is a growing challenge in our direct mission ministries programs. But there is hope. Our churches, our associations, state convention, institutions and agencies still stand ready to minister in Christ's name to all people.

State Missions is scholarships at Baptist colleges for Baptist students and scholarships for Baptist young people at Camp Caraway (Royal Ambassadors) and Camp Mundo Vista (Girls in Action and Acteens). State Missions is supporting Fruitland Baptist Bible Institute and North Carolina Baptist Assembly (Caswell). State Missions is supporting the Christian Action League.

State Missions is all these ministries, these people, their concerns and these institutions. State Missions is our way of responding to the Great Commission in our part of the world. State Missions is our way of changing lives.

Our goal for 1989 is $1,800,000.00. Almost ten percent of the money received (9.5 percent) is returned to the association from where it was collected for that association to use the money in whatever mission projects it chooses.

In order to meet our goal ($1,800,000.00) and help change lives, as we go we must pray and have faith. Also, we must remember Deuteronomy 12:10: "And now Israel, what does the Lord your God require of you, but to fear the Lord your God to walk in all His ways, to love Him, to serve the Lord your God with all your heart and with all your soul."

May we prayerfully seek God's will in meeting our goal for 1989.

Respectfully submitted,
Mrs. F.E. White, Jr.

Cooperative Program Report

We, the churches that make up the Flat River Baptist Association, have a tremendous tool at our disposal for reaching out beyond ourselves to share the Gospel Message throughout the world. We call it the Cooperative Program.

During the church year 1987-88 the churches in our association contributed $198,808 through the Cooperative Program and during 1988-89 the total contributed was $214,571 which was an increase of $15,763 over the previous year.

The Associational Missions offering had an increase of $484 in gifts during 1988-89. There was 100 percent participation in the Cooperative Program and Associational Missions offering.

On May 30, 1989, an Associational Stewardship supper was held at Oxford Baptist Church with assistance from the North Carolina Baptist State Convention Stewardship Department. Another meeting is planned for June 5, 1990. Make plans now to attend.

Respectfully submitted,
Neil Woodlief

Home Mission Report

"Christ for the Nation" is the new identity statement of the Home Mission Board. This suggests that the Home Mission Board become more evangelistic in its outreach. Of course this message comes back to us in the request for financial aid with 3,827 personnel serving the Home Mission Board and with 2,014 Southern Baptist endorsed chaplains and a variety of activities being performed each year by 50,000 volunteers demanding that we give more! Each person, whether a volunteer or a paid staff member, has one goal in mind - "To Reach This Nation For Christ!" Our Southern Baptist Convention Annie Armstrong Easter Offering for 1988 was $30,855,305.11 which was an all-time high. It was 2.02 percent over 1987. The Mission personnel, chaplains, volunteers, and elected staff members reported 80,738 professions of faith, 34,049 additions to churches, and 14,893 decisions for special service. The Lord has blessed and is blessing our work through the Home Mission Board.

With the large number of unchurched people still in America, we need to give more to reach more! In our Association alone we had a $7,691 shortage of gift dollars this year. Which means that some churches did not reach or increase their goals. All of the Flat River churches reported gifts to the Annie Armstrong Easter Offering but one. What does this say about our giving in the Flat River Association? If we compare it to what has been given through the State Baptist Convention, we fall short. Gifts to the Annie Armstrong Easter Offering for 1989 through October 15, 1989, is $3,774,173.92, $254,355.74 or seven percent greater than the same period last year (1988). We do need to put greater emphasis on the Annie Armstrong Easter Offering.

We have had a good response from churches doing volunteer work in the Home Mission Field this year. Pleasant Grove worked a week with the Cherokee Indians; Dexter took a group to Delaware to work; Olive Grove worked with the street people in Washington, and the Associational Team worked in Delaware.

"Christ Is For The Nation!" Let's see that the nation knows that He Is For The Nation! I am reminded of what Paul said in Philippians 4:13 ..."This one thing I do, forgetting those things which are behind and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." We need to forget conflict and controversy and move on to more important matters ..."CHRIST FOR THE NATION."

Evangelism Report

Evangelism is a word that is used to describe the all encompassing way that we introduce and lead people to know Jesus Christ in a saving way. Certainly, if we stop doing evangelism in our churches, we stop doing an essential part of what the church is about. Last year, 1988-89, our association had an identical number of baptisms at 149. Many churches were able to see significant increases in baptisms and many were not able to see sizeable numbers.

Simultaneous Revivals are what Southern Baptists have been emphasizing for a number of years. Our date for our association is April 1-8 in 1990. It is our hope that the majority of churches will participate and that the revivals will produce great results. The materials were prepared so that revival can again happen and that we just don't have a series of meetings.

We are happy for what God has already done. As an association, as churches, as individuals, we need to ask, "What is it that I can do to lead others close to God." As we all work diligently, we will discover that exciting and fruitful days can and will be a reality!

Respectfully submitted,
Rev. Randy Bridges

Van Report

The association voted at the annual meeting last year to authorize the Van Committee to replace our old van. In November 1988 we purchased a 1988 Dodge 15 passenger Maxi wagon with 13,016 miles for $16,720. We borrowed $9,820 from Planters National Bank on a one-year note. The balance on our note is $6,101.56. We plan to pay at least $3,000.00 more on the note before it is renewed in November.

The old van was sold to Mount Zion Baptist Church for $1,525.00 and this was used to pay on the note.

Use of the van has increased since we purchased the new van. Eighteen churches have used the van for 44 trips averaging 12 passengers per trip for a total of 8,587 miles. It has been used by the association for 15 trips averaging seven passengers per trip for 2,785 miles.

A trailer hitch, running boards and a cruise control have been added to the van. It is available on a first come, first serve basis to Flat River Baptist Association church-sponsored groups of six or more persons for 10 cents a mile plus gas.

We are grateful for the strong support you have given to make the van available. We are also pleased to see more of our churches securing vans for their use.

Music Report

Music is a wonderful source through which we can worship our Lord. It is also an effective tool in sharing the message of salvation. Since music plays such an important role in worship and witnessing, it is essential that every church have an active music ministry. It is encouraging to know that every church in our association does have an active music ministry.

In the past we have selected six people to serve as "Zone Directors." They are responsible for contacting a given number of churches and informing them of upcoming musical events. If you would like to serve in this capacity, please contact the associational office.

Every church is encouraged to make copies of their cantatas available through the associational office. By exchanging music, each church can keep within their music budget and in turn learn new music free of charge.

Our associational newsletter, that is published monthly, is a valuable resource for finding out about the various musical opportunities available to our churches.

One musical endeavor that was well received this year was a performance by our Associational Pastors' Choir. They met and rehearsed twice at Oxford Baptist Church and then performed two selections at our annual Baptist Men's and Women's Banquet. It was open to all pastors in our association. If you would like to offer suggestions for possible musical events, please do not hesitate to contact me or the associational office. Hopefully, we can offer a choral workshop for our choirs this year.

I would like to express my appreciation to all of the musicians who so graciously agree to share their talents throughout our association. May God richly bless the music ministry in your church.

Report No. 24

Director of Missions Report

The Baptist Association Sharing The Dream. The association is the churches that are working together to do what Christ has commanded us. Our Convention has given it the name of Bold Mission Thrust - that is to give every person in the world the opportunity to hear and respond to the Gospel - the Good News of Jesus Christ, that they may have eternal life. This is the dream we want to share.

The reports and emphases that have been shared with you by the various leaders in the association let you know some of the things we have done together and some of the things we plan to do to share the dream. The digest of church letters shows where we have made progress and where we have lost ground. Take a look at it — the front side shows that we have done well, we have increases in all areas of our giving but we have the same number of baptisms. On the other side, we show a decrease in total members in Sunday School, Vacation Bible School and Church Training. We do have a small increase in Music, W.M.U. and Brotherhood. We need to find ways to change these negatives to positive, particularly in Sunday School.

Our most important means of sharing the dream in the year ahead is called "Here's Hope, Jesus Cares For You." This is the theme of the simultaneous revivals that will be conducted across the Southern Baptist Convention in 1990 beginning in March and going through April. Randy Bridges has shared this with you. I want to emphasize again that each church needs a list of prospects that they know the names and addresses of so that they can begin praying for them and visiting them and witnessing to them. We cannot win the lost if we don't know who they are and have contact with them to witness to them.

Our 200th Anniversary Committee will be working this year to plan ways to celebrate in 1993-94 the 200 years of ministry the association has had. If you have suggestions or ideas, please share them with the committee.

We plan to implement an Associational Strategy Planning process this year that will involve us in a study of the association, the churches and the community to project plans for the work of the association for the next five years. The following statement came out of a conference on the association at Ridgecrest this past August: "The rapid change of our work calls for flexibility in strategy and implementation. Associations must stay informed about rapid change in society and be innovative in planning response. We must design our resources and programs for both a diverse Baptist constituency and a secular society. The association must design its ministries for an increasingly urbanized and shifting population."

It will be a big task but it is one that we need to do as we move into the third century of ministry and service as an association.

Our overseas and at home mission projects continue to be a source of excitement and blessing. You have heard reports on some of these. The people who have been involved are willing to come to your church and tell you about the mission work they have shared in and the difference it has made in their lives. I am grateful to those who made the necessary

commitments and arrangements to go and to those who prayed for them and helped to support them financially. I hope that others will be open to God's leadership in this ministry.

In regard to our projects in Honduras, we are issuing a challenge to Baptist Men's groups in the association to help us raise funds to build a pre-fab chapel. Our missionaries in Honduras use pre-fab chapels to start new churches. They are put together in sections at the vocational center. The chapel can then be set up on a new church site in one afternoon. The new congregation uses the chapel about three years until they get a building of their own and then it is moved to a new site. The cost of building a chapel is about $3,500. We have a challenge gift of $1,000. If we have 25 Baptist Men's groups to give $100.00 each, we can build the chapel. We have set a date for a group to go to Honduras August 4-18, 1990, and we want to build the chapel and set it up when the team goes down.

We were disappointed that we were not able to find a Spanish-speaking minister to lead our migrant ministry this year. We are already making contacts to try to find someone for next summer. The health kits that were donated are being distributed to other areas of need. Some went to victims of Hurricane Hugo.

I want to thank all of you who have served the association so faithfully this year as officers, representatives, committee members, W.M.U. leaders, Brotherhood leaders, ASSISTeam members and many others who have served without a title. That is how the work and ministry of the association is done. Gerald Rene, the moderator and myself are the ones that are most visible but it takes all of us working together to do the work that God has for us to do.

I am grateful for the continued financial support by the churches of the association to our work. As churches have continued to move to giving a percent of undesignated offerings, we have continued to move to a more stable situation in providing for our ministries. I commend you also for your regular support of the Cooperative Program. Flat River is one of the few associations in North Carolina in which every church contributes through the Cooperative Program.

I want to say a personal word of thanks for the gift you gave us last year on our 15th anniversary as director of missions. We used it to take a trip to Germany where two of our sons were competing in a roller-skating and skate board competition. We had a very enjoyable time and also visited with Linda and Race Lariscy who are serving an English-speaking church near Furfort, Germany. They sent their regards to you.

Report of Delaware Youth Mission Team 1989

Members of the 1989 Delaware Youth Mission Team and the churches they represented are: Tommy Owen, Delrayno; Chris Talley and Kim Seate, Florence Avenue; Sallie Hoyle, Hester; Heather Owens and Jayne Coats, Mountain Creek; Brian Bradsher, Olive Grove; Keith Huff and Tracy Johnson, Providence; Gaylon Moss, West Oxford; with Gary Stanley, youth minister at Olive Grove; and Renee' Lloyd, a member at Delrayno, and senior at Campbell University, as team leaders.

We worked with London Village Chapel in Magnolia, Delaware, July 16-22 in the mornings in Vacation Bible School and helped with special activities in the evenings and led in Backyard Bible Clubs in the areas around Magnolia. Prior to the trip the mission

team led Backyard Bible Clubs in the West Oxford area.

The trip to Delaware was most enjoyable and inspiring. Each member of the team cooperated well with each other.

Report of Foreign Missions

Today there are 3,790 missionaries assigned to 116 foreign countries. Through the Cooperative Program and the Lottie Moon Offering, Southern Baptists support these missionaries. The Lottie Moon Offering continues to be the largest single source of financial support. The 1989 offering goal has been set at $81 million dollars.

Progress in our missions around the world continues. Many more laymen are seeing the needs, hearing the call and filling the positions of short-term volunteer service. Lives are being changed because of the gifts, talents and willingness of volunteers. Missions truly comes alive.

Now more than ever our missionaries need our prayers and support. Everyday, somewhere missionaries and their families are putting their lives in jeopardy to carry the gospel. Many are having to be relocated because of unrest. Many sacrifice comfort and sometimes necessities to spread the good news.

We urge you to keep all our missionaries and families on your prayer list. Pray also for their families, who they must leave behind to serve God's call. Pray also for yourself that God will reveal how we would have you to support or serve him in missions.

Recreation Committee Report

There was no Youth Basketball again this year.

A total of 19 teams signed up to play softball this year. Ten (10) women's and nine (9) men's teams all participated in play beginning in May.

Awards night was held on September 14, 1989, with Gray Rock winning the regular season title and Pleasant Grove Men winning the Tournament. In the Women's Division Mount Zion won the regular season and Tournament Championship. Pleasant Grove Men and Stovall Women were recipients of the Sportsmanship Awards.

At the end of the season a Co-Ed Tournament was held by members of the Recreation Committee to help fund the expense of the ball teams.

A word of thanks to all those people who helped make this a successful year by playing, watching, and just working behind the scenes.

Report of Ordination Committee

The Ordination Committee of the Flat River Baptist Association had the honor to meet on June 25 of this year. The meeting was called to examine Mr. Michael Vaughan for ordination into the ministry upon request of Fellowship Baptist Church. The Ordination Committee, along with Rev. Bob Wainwright, questioned Mr. Vaughan about his life and ministry. Mr. Vaughan was examined according to the guidelines found in Article 7, Section 10, of the association's Constitution. After the meeting the committee voted unanimously to recommend Mr. Vaughan for ordination. Mr. Vaughan was ordained by Fellowship Baptist Church on July 23, 1989.

The Ordination Committee presently has a request to examine Mr. Terry Howard for the ministry. Mr. Howard has been called as pastor by Bullock Baptist Church. Many thanks to the committee members.

Respectfully submitted,
Keith F. Williams
Ordination Committee Chairman

(For information only—three people were reported in last year's Ordination Committee Report as being examined for ordination into the gospel ministry. An Ordination Service was held for Ron Weeks at Knott's Grove Church on April 10, 1988; Cam Ford at Mount Zion Church on August 21, 1988; and Greg Sink at Creedmoor First Baptist on July 31, 1988. — Note from F.R.B.A. Clerk)

Report of Resolutions Committee

Whereas the Oxford Baptist Church and the Tabbs Creek Baptist Church have so graciously hosted the 196th session of the Flat River Baptist Association; and we, the members of the Resolutions Committee, recommend that:

1. We daily pray for our pastors, who constantly bear the burdens for the lost, the sick, and the unchurched within our association.
2. We wish to thank our moderator, Dr. Don Williams, for his leadership and all others who have labored with love to make this annual meeting a success.
3. We express our love and appreciation to our director of missions, Mr. Bob Wainwright, and to our secretary and clerk, Mrs. Gerald Rene Frazier, for their faithfulness to the work of the Flat River Baptist Association. We also thank Mrs. Marie Duncan for serving as secretary during Mrs. Frazier's absence.
4. We encourage one another to pray for, support, and promote associational work in which God has called us to be laborers together with Him.

Be it resolved:

1. That we recognize the importance of volunteers in our mission projects in our home and foreign fields. We want to express sincere appreciation to volunteers who have served this year. The committee wants to encourage others throughout the association to participate in upcoming mission projects.
2. The vote on the lottery will be before the North Carolina Legislature in 1990; and whereas every major study of a state-run lottery proves that lower income people are the main participants, and are the ones exploited; therefore, we encourage the members of our churches to write to their legislators expressing opposition to the state-run lottery.
3. Our churches should continue to pray for unity within our Southern Baptist Convention.

DEATH OPENS THE DOOR TO LIFE EVERMORE
by Helen Steiner Rice

We live a short while on earth below,
Reluctant to die for we do not know
Just what "dark death" is all about
And so we view it with fear and doubt
Not certain of what is around the bend
We look on death as the final end
To all that made us a mortal being
And yet there lies just beyond our seeing

A beautiful life so full and complete
That we should leave with hurrying feet
To walk with God by sacred streams
Amid beauty and peace beyond our dreams-
For all who believe in the RISEN LORD
Have been assured of this reward
And death for them is just "graduation"
To a higher realm of wide elevation-
For life on earth is a transient affair,
Just a few brief years in which to prepare
For a life that is free from pain and tears
Where time is not counted by hours or years-
For death is only the method God chose
To colonize heaven with the souls of those
Who by their apprenticeship on earth
Proved worthy to dwell in the land of new birth-
So death is not sad . . . it's a time for elation,
A joyous transition . . . the soul's emigration
Into a place where the soul's SAFE and FREE
To live with God through ETERNITY!

Report on Christian Education

Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These institutions are familiar to us because North Carolina Baptists and their colleges have "grown up" together. The years of cumulative service of our seven colleges is 807 . . . Baptists and their colleges have been doing Christian education together for a long time. Baptist colleges are helping to shape servant leaders of tomorrow on campuses where Christian community is present and encouraged and where education and the Christian faith are compatible. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

Each of us can continue to help ensure that these educational institutions help prepare students for life by encouraging our youth to apply to Baptist colleges. Most scholarships and financial aid packages are awarded between March 1 and May 1 and the generous student aid and work study programs available make it possible for any qualified student to attend a Baptist college. It is important to remember that Christian people who read and think change the world faster and better.

Our continued support of Baptist colleges through generous monetary support of the Cooperative Program is also of vital importance. Baptist dollars buy quality Christian education and make healthy institutions possible. The history of support by Baptists for their educational institutions is such that it would be difficult to imagine our total mission program without that relationship.

Eight hundred and seven years . . . a legacy to build upon . . . a tradition to maintain . . . a responsibility entrusted to us by our Lord. We are grateful to the men and women of vision who founded and funded these institutions and those who continue to lead today.

There are 15 churches in the association with active Media Libraries plus five that are inactive. Thirteen churches have not yet begun a library.

The T.A.C.M.O. meets once a quarter on the executive night at Oxford Baptist Church. Response has been very low this year. This is where we can share ideas and learn from one another. A study of THE LEARNING TEAM: THE LEARNER, THE LEADER, AND THE LIBRARY by Keith Mee will be studied the coming year at the T.A.C.M.O. meeting.

The Association Media Library has books, slides, video tapes, modules and equipping centers available to the churches as well as magazines of all descriptions. A V.C.R., television, projectors, screens, overhead, and other equipment are also available.

Help is available to any church desiring to begin a Church Media Library. The materials are available for you to see in the associational library.

Christian Life Committee Report

The 1988-89 church year was a relatively inactive one for the Christian Life Committee. No business was transacted throughout the first three quarters of the year.

Our chairman, Rev. Robby Phillips, moved from the association, thus vacating his position on the committee. A new chairman was needed. Rev. Stephen E. Brock-Loftis was appointed by the moderator to serve as chairman for the remainder of the year.

The Christian Life Committee has recently completed a bulletin insert concerning a Christian approach to television. This insert, along with a brochure from the Christian Life Council concerning television, was mailed to the pastors on October 11, 1989. Additional copies of the bulletin insert can be obtained FREE OF CHARGE from the associational office. The brochure is available from the Christian Life Council for a nominal fee.

Our concern is that all Christians become more aware of the influence that the electronic media has on our society, especially upon our children. We feel that each family has a responsibility to do what they can to encourage the best use of television and the electronic media. The best thing that anyone can do is change the channel or turn off the set when something inappropriate is being shown.

May God bless you in the life that you live for Him.

The Biblical Recorder Report

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the

paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more—that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the *Recorder* yourself but please speak a good word for the paper and urge others to subscribe and read it also. N.C. Baptist Retirement Homes Report

Charged in 1951 with the mission of providing residential care for the "Aged Saints," the Baptist Retirement Homes provide care for older adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem and Yanceyville). However, the Yanceyville Home, a retirement home for 30 older adults will be closed October 16, 1989.

Mr. William Stillerman, president of the Baptist Homes of North Carolina, Inc., said, "It was a difficult decision to make, but the board of trustees has watched the population in that area change over the last three to five years, and the demand for the type of care that was offered in Yanceyville just wasn't there any longer." The residents will be placed in other homes. Also, the newest Baptist Retirement Community in Winston-Salem will be opened in October and there will be room to offer alternative living opportunites to residents at Yanceyville if needed.

Recognizing the growing need for quality residential care for older adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need by working with churches and associations in:

1. The development of regional continuing-care retirement communities in the West, the Piedmont and the East.
2. The development of "free-standing" residential housing (independent-living units, assisted-living units and nursing-care units).

3. The development of alternative forms of residential-care for older adults (Respite Care, Adult Day Care and Home Health Care).

The year 1989 was a very good year for the Homes, but, as we move into the 21st Century, one of the greatest challenges North Carolina Baptists face is the question of how residential-living situations for Baptist Older Adults (as numbers increase yearly) are to be provided.

With the support of North Carolina Baptists, the Retirement Homes see this as a wonderful opportunity for ministry.

Mrs. Pender Woodlief

The American Bible Society Report

Take a fresh look at the American Bible Society. Since 1816 the American Bible Society has been serving the Scripture need of churches in this country and with your help meeting the Scripture needs of the people throughout the world. As is true of any long term relationship the dynamic partnership in missions between the American Bible Society and the churches of America have gone through many changes in the course of more than one and a half centuries of cooperation. The zenith was reached in the 1940s when American churches on the average provided 30 percent of the Society's total income. At that time it could truly be said that the American Bible Society was your Bible Society, a vital extention and arm of your own mission activity in the world. But, sadly, this partnership has fallen into neglect in the intervening years. In 1980 church support sank to an all-time low of approximately three percent of total annual income.

The time has come to reconsider and renew our historic partnership. That is why you are invited to take another look at what the American Bible Society is doing in the world today. The Annual A.B.S. REPORT TO THE DENOMINATIONS has always served as an important vehicle of communication between the Society and our friends in the churches. However, I hope that this format will help to throw fresh light on our common task. Our only request is that, as you look through this report, you ask yourself quite honestly: Why should the American Bible Society, after 173 years, still merit serious attention and generous support as a valuable component in the life and witness of my denomination today?

It hardly needs pointing out that the face of Christianity has changed dramatically and irreversibly during the past few decades. In 1900 Christianity was centered numerically in the northern part of the world. This is no longer the case. Increasingly, it is the southern part of the world that is witnessing the greatest growth in new converts to the faith. The Scripture needs of people in Africa, Latin America, Asia and throughout the world are real. Their needs reflect the new and shifting reality of Christianity in the world today and we rejoice in the evidence of God's Holy Spirit at work in our times. I hope that this present report opens a new strategic window through which you can view this reality, and establish the perspective within which the ministry of the American Bible Society must be seen. In encouraging you and the churches in the country to take a new look at the American Bible Society, we are quite simply asking you to share with us the responsibility for a fundamental part of world missions within the horizon of global Christianity on its way, by God's grace, toward the year 2000.

Mertie B. Davis

N.C. Baptist Children's Homes of North Carolina, Inc.

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1855, B.C.H. also inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 B.C.H. dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, B.C.H. named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange B.C.H. speakers for your church and help your members with estate planning.

B.C.H. continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

B.C.H. continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have

drastically reduced B.C.H.'s share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

B.C.H., which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, R.A.s, G.A.s, W.M.U.s and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

The Annuity Board Report

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord." It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister be covered. It is protection - both for the church and the minister.

This is what is happening in North Carolina: There have been 27 new members enrolled in the retirement plans during April 1 - June 30. There have been 61 plan upgrades during this period. There are now 2,162 North Carolina churches and associations contributing to retirement plans. North Carolina has 1,892 signed Cooperative Agreements! More than any other state! The number of churches participating at the old Plan A level of $33.34 has *decreased* from 439 to 92. The average annuitant in North Carolina receives $249.96 a month, up from $234 last year. North Carolina has 3,406 members making contributions to Annuity Board retirement plans. There are 1,764 annuitants receiving benefits each month in North Carolina - $440,929.89 each month!

But there is still so much to be done! Consider this — only 64 percent of our churches are participating in our retirement plans - even after all these years of opportunity. Of this 64 percent, many do not actually make contributions. The minister does this on his own.

We have 151 churches that have signed the Cooperative Agreement, but still make no contribution. We have 457 churches that are making contributions but still have not signed the Cooperative Agreement.

Suffice it is to say that there is a *great* challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Currently there are 22 churches in the Flat River Baptist Association in addition to the director of missions and secretary enrolled in the Annuity Board.

Respectfully submitted,
Norman Hicks

Updated History of Grassy Creek Baptist Church

The history of Grassy Creek Baptist Church was recorded in the 1970 edition of the *Flat River Baptist Association Annual.* Since our church was organized in 1754, there was quite a list of events and accomplishments mentioned. Twenty-five names were recorded as having served as pastor of Grassy Creek Church. Four of these great men served more than one tenure as pastor here. It was not until November 8, 1959, that a pastor of this church was called as full-time, meaning not sharing pastoral duties with other churches in the area.

Pastors serving Grassy Creek Church since 1970 are listed below: Maylon Kearney 1969-1972; Jerry D. Jarrell 1973-1977; Harold Ball 1977-1980; Robert Dickard 1981-1984; Ken Kelley 1984-1987; and Steve Waters 1988-Present.

Larry Elliott, missionary to Honduras, son of Mrs. Lelia Elliott and the late Mr. Conway Elliott, attended Sunday School and was baptized here and was a church member of Grassy Creek Church until December 1965. He was appointed, with his wife Jean, by the Foreign Mission Board, Southern Baptist Convention, to serve in the social ministry in Honduras on June 1, 1978.

Jerry Timberlake, Jr. served as church clerk from 1970 to 1989. Wallace Vaughan was elected church clerk in 1989.

Grassy Creek Baptist Church is located in the Northern tip of Granville County about two miles from the Virginia border. City people visiting here often ask how could we possibly be any further out into the country. We have not progressed at too rapid a pace but we have kept up with the times, always striving to keep our church debt at a minimum.

In 1974 we started the tape ministry, recording church services and taking them to the sick and shut-ins. We also installed air conditioning in the sanctuary and parsonage.

In 1978 we completed five new Sunday School classrooms in educational wing and installed cushions on pews in sanctuary.

We observed our 225th Anniversary on September 30, 1979. Dr. Cecil Ray, General Secretary-Treasurer of the North Carolina Baptist State Convention, was the speaker.

We remodeled the fellowship hall in basement and installed new carpet in 1981 and in 1986 we remodeled the kitchen and installed air conditioning in educational wing.

A ramp for the handicapped was installed on the east side of the church building in 1983. The ramp was donated by Mr. and Mrs. Howard Yancey and the Elmo Yancey family.

In 1987 we installed the baptistry, redecorated choir and pulpit area, put new carpet in sanctuary and remodeled the ladies' Sunday School classroom.

Our total enrollment was 381 in 1970 and 379 in 1988.

Updated History of Delrayno Baptist Church

Delrayno Baptist Church, located on Rayland Street in Oxford, North Carolina, was last featured in the *Flat River Baptist Associational Annual* in 1970. Since that time, Delrayno Baptist Church celebrated two very special occasions. On October 20, 1980, Delrayno celebrated its 20th Anniversary with Rev. Tom Jones (Delrayno's first pastor) delivering the sermon. It was during this celebration that a Note-Burning Ceremony was conducted . . . our church was paid for. On October 13, 1985, Delrayno celebrated its 25th Anniversary with former pastor, Rev. Carlton Smith, delivering the sermon. With a 25th Anniversary marking a special time in the life of Delrayno Church, the entire month of October 1985 was set aside to celebrate this event. Each Sunday during the month, we had a former pastor as guest speaker. Former pastors to participate in this celebration were: Rev. Jerry Hicks, Rev. Steve Perrou, and Rev. Tom Jones.

Pastors serving during the last 19 years have been: Rev. Steve Williams, August 1969-August 1971; Rev. Jerry Hicks, September 1971-June 1974; Rev. Carlton Smith, December 1974-June 1978; Rev. Charles E. Mieir, September 1978-January 1988; Rev. Robert H. Rhoden, November 1988-present.

Ministers of Music to serve have been Mr. Mark Stevens who served for 17 years and Mrs. Frances Burger who joined us on February 1, 1989. The adult choir has ordered

(in October 1989) new choir robes which hopefully can be proudly worn for the Christmas Cantata on December 17, 1989. Also, along the music line, a 1986 Baby Grand Piano was purchased with monies from the Aubrey Hardee Piano Memorial Fund. This piano was presented to the church in memory of Mr. Aubrey Hardee during a dedication ceremony featuring Mrs. Sarah Stevens as piano soloist.

Rev. Steve Williams initiated Delrayno's first monthly newsletter which went into print on April 12, 1970. The newsletter was called *Messenger of the Church of The King.* In 1979 the newsletter name was changed to *The Telecaster.* In 1989 our monthly newsletter became *Light Rays.* Printed monthly, the newsletter is mailed to all members.

Mission Sunday School classes have been sponsored by Delrayno at the Oxford Orphanage, Louise Parham Health Complex, Heritage Meadows Long Term Facility and E.E. Toney Rest Home. Mission classes presently active are E.E. Toney Rest Home with Mrs. Lily Mae Barnes teaching and Heritage Meadows with Mr. Alvin Boyd teaching.

In 1984 a College and Career Sunday School class was started with Mrs. Camillia Tissot serving as teacher. In October 1989 another new class was begun for young married couples with Mr. and Mrs. Mitch Lockamy as teachers. We are very proud of the new additions in our Sunday School Department.

In 1986 Delrayno adopted a "Children's Feature" during the worship service. During the "Children's Feature," children get to come to the front and our pastor delivers a mini-sermon on the child's level. The children really enjoy this time with the pastor and the pastor works well and effectively with the children.

Woman's Missionary Union Annual Meeting

The 80th Annual Spring Conference of the Flat River Baptist Association Woman's Missionary Union met on Tuesday, March 21, 1989, at Butner First Baptist Church. The afternoon session began at 5:00 p.m. with Associational W.M.U. director, Mrs. Genny Robertson, presiding. Following the theme, "Laborers Together With God," from I Corinthians 3:8, the program began with the hymn, "Let Others See Jesus in You," led by Gayle McCrary of Peace's Chapel Baptist Church. The call to prayer was by Virginia Woodlief of Brassfield Church, and the welcome was by Mrs. Mary Strickland of the host church.

Mrs. Robertson reported that several of our churches have received the Distinguished Church Award.

The annual state meeting will be held on March 31 and April 1 in Fayetteville, the theme of which is "As You Go Declare It."

Again this year Food Lion is sponsoring Karts for Kids on April 17-19, 1989. Food Lion will contribute five percent of the total amount of receipts on those three days to

the Baptist Children's Home to expand Cameron Boys Camp. Those participating in the project should sign the grocery tapes on the back and write Baptist Children's Home on them before turning them in to the W.M.U. director.

Virginia Tuck was absent, and in her absence Edith Frazier gave a report on the Toy Store, reporting that 70 families and 199 children were served. Thirty-two children of 15 prisoners were served in addition to the first group. Thirteen churches participated by donating money or toys.

Mary Perkinson, Baptist Women director, did not have a report.

Donna Brummitt, Baptist Young Women director, reported that the B.Y.W. Banquet will be held on April 28 at Mountain Creek. She also reported that she is resigning from her position as B.Y.W. director.

Annette Hill, Acteens director, reported that there are fewer Acteens this year than last year; however, two new groups have been added. About 30 to 40 people came from Cary to the Oxford Baptist Church to present an Agape Clown ministry. The Acteens Rally will be held on April 24 at Knott's Grove Baptist Church.

Girls in Action Director, Sharron Atkins, reported that there is a new G.A. group at Poplar Creek. Day Camp will be on May 6 at Pleasant Grove with Carolyn Harris speaking.

Mission Friends Director Mertie Davis reported that 27 of our churches have Mission Friends organizations.

Ann Woodlief reported for the Time and Place Committee. The fall W.M.U. Leadership Conference will be held on Monday, September 18, 1989, at West Oxford. A motion to accept the recommendation of the Time and Place Committee was made by Mrs. Woodlief and seconded. The motion passed.

Ellen Harris was absent, and Director Robertson reported from the Budget Committee in her absence. The total budget is $1,780.00. Mrs. Robertson made a motion to accept the proposed budget. The motion was seconded. The motion passed. A copy of the budget is attached to these minutes.

In the absence of Treasurer Betsy Hart, Mrs. Robertson presented the Treasurer's Report. Mary Clark made a motion to accept the report. The motion was seconded and passed. Balance to date showing to be $2,182.76 (3-17-89).

There was no official Nominating Committee Report; however, the group was urged to help the committee fill vacancies in the Associational W.M.U. offices.

Secretary Betty Puckett called the roll. The total attendance was 105 from 22 churches.

Following the singing of the hymn, "We have Heard the Joyful Sound," director of missions, The Reverend Bob Wainwright, made some remarks about the Honduras project. He talked about "portable chapels" which can be erected for approximately $3,000 each, and moved from one location to another as the need arises. He said an offering would be taken later in the meeting to support some of the missions projects.

Special music was provided by Linda Shaw of the host church.

Annette Hill introduced the afternoon speaker, Miss Linda Todd. Miss Todd is Acteen consultant and Camp Mundo Vista director.

The Reverend Emmanuel Pegram, pastor of the host church, made announcements and issued a welcome. Following prayer, a delicious meal provided by the church was enjoyed.

The evening session began at 7:30 with the singing of the hymn, "Redeemed, How I Love to Proclaim It." A prayer and welcome to the evening session were offered by Mrs. Robertson.

The offertory hymn was "Stand Up, Stand Up for Jesus." The offertory prayer was by Carol Jo Harris. An offering was taken for Foreign Missions projects.

Theme interpretation was by the Peace's Chapel Baptist Church W.M.U. Testimonies were given by Mrs. Carol Jo Harris of Pleasant Grove Church, Miss Jayne Coats of Moun-

tain Creek Church, and Mrs. Jaxie Smith of Tabbs Creek Church. A responsive reading was read at this point.

Special music was provided by Gloria Minor, Myrt Holt and Nancy Rogers.

Mrs. Helen Blackwell introduced Mrs. Sarah Childers who has served with her husband, The Reverend Ken Childers, on the Foreign Mission field. Mrs. Childers delivered a very inspirational message, telling of many of her experiences in missions work. (Presently, The Childers serve in the Beulah Baptist Association, North Carolina, as director of missions and office secretary, respectively.)

The hymn, "When We All Get To Heaven," was sung.

Adjournment was at 8:55 p.m.

As believers we are to give Hope to a lost world because that is what our world is waiting for. Hope is our mission, people need to live out in the hope. Report No. 1

Sunday School Report

The Sunday School has been the church program organization in past years most responsible for teaching the Bible and reaching people for Christ.

The Sunday School themes for 1990-95 challenge us to continue or to renew this emphasis. The themes are:

1990-91 Breakthrough...Reach to Win
1991-92 Breakthrough...Teach the Bible to Win
1992-93 Breakthrough...Equip to Win
1993-94 Breakthrough...Serve to Win
1994-95 Breakthrough...Witness to Win

You can see from this that the emphasis is pretty much the same. Reach, teach, win and develop. That is our greatest need. In order to do that we need to use the nine basics of Sunday School Growth.

Last year our Sunday School enrollment was 5,677 with an average attendance of 2,976. Our enrollment this year is 5,365. This is a decrease of 312 over the previous year's enrollment.

Vacation Bible School enrollment has decreased by 14. There were 478 prospects discovered in Vacation Bible School. Many of these could be enrolled in Sunday School with a little effort. All of our churches conducted Vacation Bible School this year. There were 55 professions of faith reported from thirteen churches during Vacation Bible School. A total of $2,311 was contributed during VBS through the Cooperative Program and $362 was contributed to other mission causes.

The ASSITeam participated in the State Training institutes and the State VBS Clinic. They led two VBS Clinics in our Association at Providence and Island Creek with 101 persons in attendance. A Hands on Workshop was conducted last November by Everlee Hall for Preschool workers with about twenty persons in attendance.

Vacation Bible School at Oxford Orphanage was conducted by 27 volunteers from eight churches and refreshments were served each night by WMU groups from five churches. Total enrollment was 87.

I want to express appreciation to all of those who have served in these leadership positions in the Association. They have been a blessing to many people in helping them to be better teachers and leaders.

Bob Wainwright

Discipleship Training Report

The goal of Church Training or Discipleship Training is to complete the "Great Commission" of Christ for teaching those we baptize all that Christ taught, in order that they might in turn baptize others. We are to grow mature Christians from those new to Christ and to renew the walk of those who are not so new.

Discipleship is a broad area which included New Member Training, Doctrinal Studies and Christian Growth in general. It is designed for all age groups and the material is accordingly age-graded.

For small group studies and those highly motivated and committed, we have the LIFE materials (Lay Institute for Equipping). These include Master Life and Prayer Life along with six other courses which includes the newest called, Foundations. All these courses require a commitment of prayer, daily preparation and group sharing.

New Member Training is high on our agenda, since five out of every ten members we baptize are lost to us within two years. The Survival Kits 1, 2 and 3 form the basis of the spiritual study, while a new program is being offered to supplement the Unit Module for New Member Training.

As you see, a person can be counted many times as they participate in Discipleship Training. This year in the Flat River Association 16 of our 33 churches reported this training with a total enrollment of 1,046. This is 321 more than last year for a 30% increase.

I am positive that the growth of the Association and the local church is tied to your Discipleship Program. If we are to keep our New Christians and mature our current members, we must be bold in this training effort. Weak, ineffective Christians lead to weak, ineffective churches. I urge you to adopt Discipleship Programs for your church this coming year. If there is any way I can help you, please do not hesitate to ask.

Respectfully Submitted,
Dr. Donald A. Williams

Woman's Missionary Union Report

A well known telephone company in one of it's commercials invites us to "reach out and touch someone." For the past year Woman's Missionary Union had as it's theme "In His Name Reach, Teach, and Touch." These three words, reach, teach, and touch overlap each other for when we do one the others naturally follow.

During 1989-90 members were to strive harder to "Reach" not only people for Christ but those church members not already involved in a missions organization and overall there was some growth along these lines. To "Teach" challenges W.M.U. to see the needs and opportunities which are there such as the Dillon Youth Retreat and the Toy Ministry. W.M.U. members were challenged to "Touch" people in need, those with social or moral problems. Personal witnessing is a vital part of W.M.U. and a better understanding of this particular phase of W.M.U. is coming about. In Matthew 25:40 we find our W.M.U. Watchword for the past year, "And the King shall answer and say

unto them, verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

All of the churches in our Association have at least one organization in W.M.U. and I praise God for the work being done. We have age level directors for each organization on the associational level.

I would like to report that the name for the Toy Store has been changed to the Christmas Toy Ministry, due to the fact some thought we were selling toys. Last year (1989) we provided for 195 families, 466 children, 263 stockings, 84 comforters, 2,330 toys and 127 gifts for mothers through the Toy Ministry (wrapping was done by volunteers and Acteens). We sent 350 pounds of hard candy to the State Women's Prison to be used for the 700 women at Christmas time. Please call on us for assistance.

Baptist Retirement Homes of North Carolina, Inc.

Making life for Older Adults the Best of Times is the continuing goal of Baptist Retirement Homes of North Carolina, Inc., which operates four residential facilities for Older Adults around the State - in Albemarle, Asheville, Hamilton and Winston-Salem.

In Winston-Salem, Brookridge Retirement Community celebrates its first birthday in 1990. It is the largest of the facilities; providing five levels of care; independent living in garden homes, independent living in apartments, assisted living, intermediate nursing care and skilled nursing care in its health care unit, to 350 Older Adults.

Currently the only nursing care provided by Baptist Retirement Homes is the 885 bed nursing care unit at Brookridge. The western part of our State has one of the fastest growing population of Older Adults.

The Board of Trustees of Baptist Retirement Homes applied for permission to construct the 60 nursing care beds the State is allocating to Buncombe County in 1990.

State approval of its plans will be the next stage toward adding a 60 bed health care unit to the Western North Carolina Baptist Home in Asheville, a unit offering skilled and intermediate care.

The facilities in Albemarle and Hamilton each provide assisted living in a residential setting to 30 Older Adults. They have the support of the surrounding communities and its churches. They provide fellowship, entertainment, physical labor, household needs and whatever they see is needed at each home.

The Albemarle Home also offers respite care for those families who care for an Older Adult and need some time away from that responsibility. The cost is paid for by the family. Other ways are being explored by the Homes to meet the growing needs of the Older Adults Baptist population in this State.

Please pray and give for this ministry.

Senior Adult Coordinator Report

The Senior Adults of the Flat River Baptist Association have enjoyed an exciting year with a variety of interesting programs and events.

Creedmoor First hosted our November 16 meeting which included slides and testimonies given by Mrs. Gladys Satterwhite to Brazil and Mr. James Adcock on the mission trip to Honduras. There were seventy-five in attendance.

Butner First hosted our February 15 meeting. Mrs. Helen Mumford presented a very interesting program on her trip to China. She showed slides and told of the places she visited where Lottie Moon lived and ministered. We were then entertained by the Sunnyland Kitchen Band from the host church. One hundred four attended.

Oxford Baptist Church hosted our May 17 meeting. The program was presented by the Southeastern Eye Center in Greensboro. I know of one person in our association that was helped due to this program. Seventy-five people attended this meeting.

Tally Ho First was the meeting place for the August 16 meeting. Bob Wainwright showed slides of the May Senior Adult Trip to Caswell. Thirty people went on this trip. We visited the Longest Fishing Pier, Fort Fisher, Fort Fisher Aquarium, and the Nuclear Power Generating Plant. Slides were also shown on the Adopt-A-Wing project being done by church groups in the association, in which the senior adults have done a big part of the work. James Adcock was presented a certificate for volunteer work he has done in Honduras. Seventy-five attended this meeting.

On July 12 and 13 the senior adults made a trip to see the outdoor drama, "Worthy Is The Lamb." This was one of the most moving and inspiring trips that has ever been taken by this group. Pastors, the senior adults in the churches that don't have programs for them are missing a lot of wonderful times with other people. Pastor, you are the key to encouraging the senior adults to start a program in your church. Over the years they have given so much to the churches, now is the time for us all to give back to them.

The meeting places for 1990-91 are: November 15, 1990, Creedmoor First; February 14, 1991, Providence; May 16, 1991, Enon; and August 15, 1991, Hester.

Music Report

Music is a beautiful means through which we can communicate with God and He with us. The Holy Spirit has touched many hearts through a special song. Since music plays such an important role in worship and in witnessing, we are all challenged to have an active music ministry in every church in our association.

I am excited to report that we will be having a Music Update Conference for our association on November 8, 1990, from 7:30 - 9:00 p.m. at Corinth Baptist Church. Mr. Charles Storey, Music Director of our Baptist State Convention, will be leading the conference. He will be sharing new music materials which are now available from the Baptist Sunday School Board including the new hymn pamphlet which helps introduce the new 1990 Baptist Hymnal. Mrs. Zeloma Rountree from Providence Baptist Church will be the accompanist for the conference. All music directors, pianists, organists, and choir members are urged to attend. It should be a very informative and enjoyable evening.

I would like to remind every music director to refer to our monthly published Associational Newsletter to find out about upcoming musical events that are available to our association. I would also like to encourage every church to share their music cantatas with other churches in our association. By exchanging music, we can have access to new music without the expense.

In closing, I would like to say a special "Thank You" to all of the musicians who serve in our association, may God richly bless the music ministry in each of your churches.

Report No. 10

Van Committee Report

The van continues to serve the churches and the association well. This year 20 of our churches used the van for a total of 54 trips carrying 656 passengers averaging 12 persons per trip for a total of 10,291 miles.

There were nine associational trips with an average of nine passengers per trip for a total of 3,588 miles.

The balance on the note owed on the van is less than $1,500 and that will be paid off before the note comes due in November.

We express appreciation to groups using the van for keeping it in good condition. It is available on a first come - first serve basis to Flat River Baptist Association church-sponsored groups of six to 15 persons for ten cents a mile plus gas.

Floyd Jackson, Chairman
FRBA Van Committee

Foreign Missions Report

Southern Baptist foreign missions is funded by two primary sources, the Cooperative Program and the Lottie Moon Offering.

In 1989, you responded to reports of a budget cutback and shortfall in mission funding by giving nearly $69 million dollars through the Cooperative Program and $79 million dollars in the Lottie Moon Christmas Offering.

Total funds received by the FMB, more than 61% was spent in direct support of the foreign missionaries. In addition 13.5% was spent in direct evangelistic efforts, church planting and church leadership training. With ony 11% spent on home office staff, expenses and promotion - a direct commitment of the FMB to provide the maximum funds possible for overseas missions.

Unfortunately, for the first since 1972, SB finished the year with fewer foreign missionaries than they started the year with. With 3,780 missionaries in 116 countries and 10,000 volunteers a record number of 227,564 people were led to the Lord and baptized.

Today with so many doors opening and others closing, our missionaries plea for the Southern Baptist Convention to rise above the denominational disharmony and seek spiritual solution. This is a time of testing for the church, we need to be about the Lords work.

Wanda Temple

Budget Committee Promotion

The 1990-91 FRBA Budget that you have in hand was adopted at the July, 1990 Executive Committee meeting and there are no further recommendations at this time. About half of our churches are contributing to the ministry of the Association on a percentage basis. We request each church to consider giving four percent of undesignated offerings to associational ministries. This has proven to give a tremendous boost to our work and is the fairest way for a church to support our mission work.

Your support of the Association this past year has been good as our Treasurer's Report shows. In addition to the ministries covered in our budget, our churches have contributed to many mission programs and other projects that are listed under other receipts and the savings account that come to over $47,000.

We are grateful to God for this level of support and cooperation given by the churches to the ministries of the Association.

Respectfully Submitted,
Scott Harkey, Chairman
FRBA Budget Committee, 1989-90

Church and Community Mission Report

Great things have been happening in our Association in the C.C.M., all because of the response from the churches. The Adopt-A-Wing Program at John Umstead really went forward. We completed six wings, four adults and three teenagers. We provided ninety bedspreads, eighty-five flower arrangements, forty-eight stuffed animals, four radios and four radio and cassette players. We also gave a piece of carpet for the youth activity room. Some of the Baptist Women and Baptist Men went to John Umstead and painted a wing one Saturday. The C.A. Dillion School Youth Retreat was something we should all be very proud of this year. We had fifty-eight students to attend, one was led to the Lord. Ten teachers and many others helped to make it the success it was, thanks to everyone who helped in anyway. We sponsored 15 youth to go to the State Fair. The youth had started a baseball team and with help we were able to supply them with caps with their school name on them. Each month a different church has provided presents for the youth having birthdays that month.

The Baptist State Convention made a video tape of the ministry we have done at C.A. Dillon and John Umstead. This tape was part of this year's State Missions emphasis.

We supplied the Alcoholic Rehabilitation Center with mini blinds for their activity room and a lot of craft animals.

Each county having patients at Murdoch was asked last year to adopt these patients for Christmas and provide four presents for them. I am proud to be able to say we adopted all 29 of ours, another job well done. We also gave each youth at C.A. Dillon a

Christmas stocking and four large boxes of gifts were given to be distributed to the youth. Boxes of items that could be used for Christmas presents were given to other institutions. This year has meant a lot to me as your C.M. director. There has always been a response to any project I have presented to the churches. When we work together as Christians doing God's work, great things can and will be accomplished. God bless each of you and your church as we continue to minister together in the coming year.

Report of Youth Committee

The Flat River Baptist Association Youth Committee met several times to plan and discuss special activities. Each leader attending was encouraged to share any special events that were occuring in their church with other churches so all youth could attend. The FRBA Youth Committee sponsored two events during the year. On March 17, Scott and Lisa Cooper, with Johnny, came to Oxford Baptist and ministered to about 200 people through puppetry and song. This was an inspiration to all who attended.

Then on August 3, a Christian Concert was held which featured the group WITNESS. After the concert, pizza was served. There were about 400 in attendance.

These activities were planned and carried out with the assistance of many people to whom we say "thanks" to each of them.

Report of the Delaware Youth Mission Team 1990

Members of the 1990 Delaware Youth Mission Team and churches they represented are: Gayle Meeler, Florence Avenue; Timmy Baynes, Providence; Sallie Hoyle, Hester; Bradley Clay Edwards, Island Creek; Susan Frazier, Mountain Creek; Heather Owens, Mountain Creek; Jayne Coats, Mountain Creek; Karen Taylor, Tally Ho First; with Terry Howard, pastor at Bullock; and Renée Lloyd, a member at Delrayno, and first year student at Southeastern Theological Seminary, as team leaders.

We worked with London Village Chapel in Magnolia, Delaware, from July 15-21 in the mornings in Vacation Bible School and gave assistance in the special activities during the evening services. We also led in Backyard Bible Clubs in the area of London Village. There were seven professions of faith in Jesus Christ during our stay in London Village.

This mission trip to Delaware was one of the highlights of my ministry. I believe I can speak for the rest of the team in saying that this trip was both moving and inspirational to all who went. This association can be proud of the work these young men and women labored to do on this mission field. Their cooperation and energies were inspiring to all and uplifting to the name of Jesus. Thank you, churches of the Flat River Baptist Association, for your support in making this work for our Lord possible.

Honduras Mission Team Report

This year our association sent its fifth team of volunteers to assist in foreign mission work in Honduras. From August 4-15, four men from Flat River worked with a volunteers from North Carolina and Alabama and four men from Louisiana on building a prefab chapel and working on a well in La Paz, Honduras. The chapel expense was paid for by a pledge gift of $1,000.00 and donations from Baptist Men's groups in our association. In addition, one church gave enough to build a second chapel. We prefabbed two chapels and erected one on a church site in Cane, Honduras. This town had never had a permanent church building of an evangelical faith. When there was no church building, the people saw Southern Baptists as someone who was here today and probably gone tomorrow. As one church member from Yarumela said, "I was expecting an ugly little building, but this is really pretty."

The team members were:

James Adcock	Oxford	Bobby Temple	Fellowship
Alan Temple	Fellowship	Bob Wainwright	Oxford
Wally Knight	Canton, NC	Vernon Knight	Birmingham, AL

Four men from Louisiana also worked on the project. We worked again with missionaries Larry and Jean Elliott and for the first time with Steve Baillio. We are planning now on a trip early in 1991 to erect another portable chapel in Honduras and encourage each of you to prayerfully consider volunteering. I am more impressed with our foreign missionaries on each trip. God calls the very best out from among us to serve as foreign missionaries. Or maybe God calls all of us and the best respond. Pray that the work there will grow and God's Spirit will move in their lives and ours.

Christian Education Report

The time of our lives is a gift from God to do with as we desire. However, all people of faith must struggle with basic questions: What is the purpose and meaning of life? What should I do with the time of my life? What is success and how is it to be measured? What should my relationship be with other people? How can I best serve my fellow human beings and more importantly, how can I best serve God?

What better place to search for the answers to these questions than in an environment where christian people are together seeking to respond to these truly important questions. . . our baptist college campuses. The best gift that parents and churches can give to their youth is a college education in an atmosphere that provides the opportunity for young people to become whole, healthy persons both intellectually and spiritually through the experiences and opportunities available to them both in and out of classes. People who can think clearly about life, including the issues of faith and vocation, are better prepared to establish healthy homes, grow churches and build a better world for all individuals.

Our baptist colleges not only provide quality educational experiences for our youth, but also lead students to link learning with faith to produce whole, mature men and women who are equipped for a lifetime of learning and service.

The enduring relationships between baptist colleges, baptist churches and the baptist state convention provide the method for this goal to be achieved.

Baptist students and baptist colleges...they belong together!

Report No. 21

Report of State Missions

State Missions is still people helping and it is the oldest offering observed by North Carolina Baptists. It is a cooperative ministry by the churches to people who need God and other churches that need help.

The aim of the State Missions is to reach people and places and also places that cannot be reached by the church. It is our way of showing concern in an organized way to carry out God's will.

Southern Baptist should have compassion for world missions, but while looking at the needs of world missions, we should not become blind to the real needs of our own country and state without neglecting distant lands. We must continue to build strong State Missions groups throughout North Carolina.

In 1989, 29 of the 33 churches in Flat River Baptist Association contributed a total of $21,888.00 to State Missions. This year's report thus far shows that $20,154.00 has been contributed. There is a possibility that we won't have a decrease when all State Missions offerings have been sent in.

The 1990 State Missions offering goal was $1,800,000.00. The disbursement of funds is as follows: Christian Higher Education, 11%, $198,000; Christian Action League, 1.66%, $30,000; Fruitland Baptist Bible Institute, 1.33%, $23,996; Mission Ministries, 38%, $684,000; Caswell Debt Retirement, 6%, $108,000; Caswell Capital Funds, 15%, $270,000; Associational Projects, 9.5%, $171,000; Woman's Missionary Union (Heck-Jones), 10%, $180,000; North Carolina Baptrist Men, 7.5%, $135,000.

Let our aim for the next year continue to be CHANGING LIVES THROUGH STATE MISSIONS.

Mrs. F.E. White, Jr.

Cooperative Program Report

We, the churches that make up the Flat River Baptist Association, face a great challenge today. That challenge is that we will not go backward in our mission for the Lord as it concerns our giving through the Cooperative Program of the Southern Baptist Convention. We need to remember the army of the Lord always marches forward.

During the year 1988-1989, the churches in our Association contributed $214,571 through the Cooperative Program and during 1989-1990 the total contributed was $208,725 which was a decrease of $5,846 over the previous year.

The Associational Missions Offering has a decrease of $138 over the previous year. There was 100 percent participation in the Cooperative Program and the Associational Missions giving.

On June 5, an Associational Stewardship supper and meeting was held at Oxford Baptist Church with assistance from the North Carolina Baptist State Convention Stewardship Department. Information was given concerning the upcoming Witnessing-Giving Life. Another meeting is planned for May 28, 1991. Mark this date on your calendar so you will not miss it.

Report No. 23

Home Mission Report for Flat River Baptist Association 1990

Home Missions in Flat River Association means not only giving to the Annie Armstrong Easter Offering but it means "on-hand" projects in the Home Mission Field.

Again this year our Associational Mission Team, led by Rev. Terry Howard, pastor of Bullock Baptist church and Renee Lloyd, went to London Village near Dover, Delaware and worked for a week. Then on September 16 of this year, Brother Bob Wainwright went up to be the speaker for the Dedication of the new London Village Chapel.

Also, the Youth Team from Pleasant Grove Baptist Church, worked for a week this summer with the Cherokee Indians in Cherokee, North Carolina.

Flat River Association has done well this year by 32 churches in our association giving $40,246 to the Home Missions Offering. This is an increase of $3,409 over last years giving. We must remember that as cost rise, we must increase our giving to keep our Home Mission work going.

Evangelism Report

Evangelism as I understand it, is the devising of a way of sharing the gospel of Jesus Christ with those unchurched and unbelieving. You cannot always measure and determine whether or not your strategies and methods are effective. The evangelistic efforts in the Flat River Baptist Association from all indications have been effective this year.

The Simultaneous Revival's "Here's Hope Jesus Cares For You" was emphasized within our convention. April 1-8 was the date designated for our association. We had 21 out of 33 churches that participated. There was a sense of excitment preceding the revivals, decisions made during the revivals, and a sense of accomplishment following the revivals. There were many uplifting and inspirational testimonies concerning the revivals.

As our association began a new year it was our hope that evangelism would become a reality for every church and for our association as a whole. It is pleasing to see that the work put forth by individuals and churches produced results. We has 209 baptisms in our association last year. That is an increase of 60 over the previous year. Certainly each convert is precious in the sight of God.

As we celebrate what God has done, may it lead us to continue to be one of God's people who shares his message of forgiveness, grace and compassion.

Director of Missions Report

Our theme this year is "The Baptist Association - Churches Giving Hope." The association is the churches working together giving hope to a lost and dying world. You have already heard reports from areas of our ministries together that give hope such as Here's Hope Simultaneous Revivals, Honduras Mission trip, Delaware Youth Mission Team; Hispanic work, Church and Community Missions, Vacation Bible Schools, Backyard Bible Clubs, and the opportunities for leadership training provided by our program organizations.

A big thank you to all of you who shared in giving hope through these ministries and programs. I am sure that you have recieved a blessing.

One area that has not been reported on its Resort Missions. Island Creek Baptist Church has continued to carry on visitation and Sunday services at Nut Bush Campground. This has been a long standing project for their Baptist Men.

Vance and Doris Russ and Marjorie Melton served again this summer at Hibernia Campground providing recreation, special programs and Sunday services. Singers, puppet teams and other groups came each week from one of our churches to share in these services. I am grateful to each of them. Volunteers are needed to serve at two other campgrounds.

We didn't have anyone to go to Brazil this year to share in the North Carolina-Sao Paulo partnership. We are working with Tar River and Cullom Associations to enlist three teams to go to Sao Paulo in 1991. Those who have been have told us of the tremendous opportunities for witnessing and the openness of the people there. Think and pray about this as a time when God might be leading you to give hope to people in Brazil. If you are willing to go, God will provide the way.

We told you last year that we would begin a process called Associational Strategy Planning that will involve us in a study of the association, the churches and the community. The re-organization plan that we have adopted is a part of that process to help

us to be more effective in providing the training that our church leaders need and the ministry that people in our committees need.

There are some givens that will guide us in our study.

1. We recognize that every association is different. There are more than 1,200 associations in the Southern Baptist Convention. They are in different locations, different size territory, age, number of churches, needs, people served, etc.

2. Organizations without a definite purpose and an awareness of that purpose do not reach their potential. It will involve looking at the purpose of the association.

3. Promotion, personnel, objectives, goals, annual action plans and evaluation must reflect the purpose and objectives of the association.

4. Population changes cause communities to grow and change continually which places ministry opportunity into a different context. We cannot always do things like we have always done them and expect to get the same results.

The last sheet in your packet of materials gives you a brief description of how strategy planning will be done. There will be seven task groups. (see attached sheet).

I recommend that we do a Strategy Planning and report back at the annual session next year. If you would be willing to serve on one of these groups, indicate your first or second choice, sign your name, address and telephone number and give it to me or Gerald Rene.

Respectfully Submitted,
Rev. Bob Wainwright

Report of Ordination Committee

The Ordination committee of the Flat River Baptist Association had the honor to meet twice this year. The first meeting was called on January 12, 1990 to examine Terry C. Howard after a request from Bullock Baptist Church. A second meeting was called on March 15, 1990 to examine James M. Curtis after a request from Concord Baptist Church.

The Ordination Committee, along with Rev. Bob Wainwright, questioned Mr. Howard and Mr. Curtis about their lives and ministry. Both men were examined according to the guidelines found in Article 7, Section 10, of the Association's Constitution. After each meeting the committee voted unanimously to recommend these men for ordination.

Mr. Terry C. Howard ordination service was held February 4, 1990 at Bullock Baptist Church where Mr. Howard was called as Pastor. Mr. James M. Curtis' ordination service was held March 25, 1990 at Concord Baptist Church. He served this church as associate pastor and is presently serving as pastor of New Bethel Baptist Church in the Cullom Baptist Association. Many thanks to the committee members.

2. We express our appreciation to Providence and Brassfield Baptist Churches for the gracious hospitality given, for their warm welcome extended, and for the delicious meal provided.

3. We want to thank our Moderator, Mr. Tommy Averett, and others who have worked with Him in conducting the work of our Association and in planning the program for our Annual session.

4. We acknowledge the dedication of our Director of Missions, Mr. Bob Wainwright and wish to express our gratitude for a job well done.

5. We commend those who have served as volunteers in our mission projects be it at home or foreign. We encourage others to share in these projects.

7. We recognize Mrs. Gerald Rene Frazier not only for her twenty-five years of faithful service as associational secretary and her twenty-four years of service as associational clerk; but moreover, for her continued willingness to serve, her commitment that

goes beyond the call of duty, and her dedication to the work of Christ through our association. We, further, recommend that our 197th annual be dedicated to Mrs. Frazier in honor of her outstanding service.

Christian Life Committee Report

October 23, 1990

Many issues have surfaced throughout the past year that effect our lives as Christian citizens of our world, nation, state, county and neighborhood. As Christians, we need to realize that most every issue which affects another, also affects each of us. Become aware of those problems which affect each of us.

We are faced with such issues as hazardous waste, a hazardous waste landfill and incinerator, the lottery, teen-age pregnancy, homelessness, hunger, television sex and violence, AIDS and related syndromes, child and spouse abuse, and many more significant difficulties. We believe that it is our responsibility as servants of Christ to become well informed concerning these different problems in our lives. We must all come to grips with these problems and make an educated decision as to where we need to stand.

Prayerfully consider all things in life, for all things affect our Christian lives. We hope that all the Christians in our association will make educated decisions in regards to these issues. As you decide where you will stand, do so in a way that will bring glory to God and his Son our Saviour Christ Jesus.

Memorial Service

As we take this time in our program to remember those from our midst who have gone to be with the Lord, there are some words from a song which seems to me comforting and appropriate. It was written by Alreat E. Brumley:

"I will meet you in the morning
By the bright riverside.
When all sorrow has drifted away.
I'll be standing at the portals when the gates open wide,
At the close of life's long dreary day.
I will meet you in the morning in the sweet by and by,
And exchange the old cross for a crown.
There will be no disappointments and nobody shall die,
In that land when lifes sun goeth down."

Report No. 33

American Bible Society

Through the partnership of the American Bible Society and the churches, 1989 was a landmark year. The churches contributed $2,263,534 to the Bible cause. This is the highest level of support ever reached in a single year. ABS expresses sincere gratitude to the churches and denominations for making 1989 such a successful year.

Despite this record year of giving the needs are greater and to fulfill our purpose of making God's Word available to all people, we must strive to narrow the gap between available and required resources. The ABS is only one member of the United Bible Societies, the global mission partnership of the Bible Cause united around the common goal of meeting the scripture needs of all people everywhere. Through cooperative action, the Bible Societies are able to make more Scriptures available, in more languages, at less cost, and in the most efficient manner for more people where they are.

In 1989 twenty-one languages received at least one book of the Bible for the first time. This brings to 1,928 the total number of languages into which at least one book of the Bible has been translated. UBS translators are currently working on translation projects in 605 additional languages worldwide. In 424 of these projects , some part of the Bible is being translated for the first time.

One of the most widespread problems with which the Bible Societies must contend is the growing crisis of illiteracy. It is estimated that one billion people are illiterate - one third of the world's population.

Through all means possible we hope to keep the Bible cause central in the awareness and programs of our churches and denominations. In turn we trust that the churches will continue to take up the unpresidented opportunities for spreading the Good News that are stretching before us in every direction. God calls us all to move forward - to progress through partnership.

Report of N.C. Baptist Foundation, 1990

Though the North Carolina Baptist Foundation was chartered in 1920 as a charitable corporation, the Trustee agency of the State Convention had only "in recent years" begun to have an impact on providing financial support for Baptist institutions and mission causes. (I'd venture to say that the good news of the Baptist Foundation is about the best-kept secret in our Convention, although some have tried faithfully to inform and inspire our constituency).

Charged with the responsibility of creating greater awareness of estate stewardship, the Foundation assists individuals in establishing endowment and trust funds. Through these funds financial support is divided the donor's chosen Christian causes on a continuing basis for years to come, long after the donor's death.

Since January 1988, assets placed under management of the Foundation have increased by more than $13 million through May 1990.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary.

The Foundation employs seven full-time employees and operates under the direction of a 20-member Board of Directors elected by the Baptist State Convention.

Report of Retirement/Annuity Program

At the present time there are 26 churches in the Church Annuity Plan in our Association. The expanded Church Annuity Plan yields larger retirement benefits for the pastor and his family. The Baptist State Convention will match up to one-third of the total conributed by each church and pastor to a maximum of $35.00 per month. The total amount in the state convention budget for 1991 is $1,600,000.

The first $17.50 per month from the Baptist State Convention provides for supplemental disability and survivor benefits. Anything over $17.50 from the Baptist State Convention goes directly into the pastor's retirement account.

The Annuity Board has provided some excellent materials to help churches and pastors in planning financial support for ministers and in building an adequate retirement income. The information is presented on two easy to follow video tapes that are available at our associational office.

Deacons and budget committees are encouraged to view these video tapes and to see how they can make the best use of the funds they have to provide for the pastor and his family.

God's plan is that those who preach the gospel shall be supported by those who receive it.

In 1 Corinthians 9:7-14, the apostle Paul gives four reasons for financial support of God's messengers called to special service. Workers customarily receive living provisions from their work; the law of Moses called for the support of those who serve God; those who worked in the temple were provided support; and the explicit instruction of the Lord commanded that those who proclaim the gospel should receive their living from the gospel.

Associational Report - 1990

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our misson efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptist with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe to use CNS, contact:

Baptist Hospital Report

If you have driven Interstate 40 through the city of Winston-Salem recently, you could not help but notice a big change on the hill where the North Carolina Baptist Hospital Site. For several years now the construction of the largest health-science pro-

gram has been going on. Through all of this, however, our Baptist Hospital is committed to the "tradition of compassionate health care."

I could use much time and space sharing with you what is happening - those things that are new, a first, the only in the nation. Time does not permit. You know this is taking place and you must be proud of our Hospital.

Here are some facts that you need to know. Last year our Hospital admitted almost 23,000 patients. It saw almost 400,000 patients through the various departments and clinics. People traveled from 34 states and many foreign countries. The Department of Pastoral Care continues to be a leader in ministering to the spiritual needs of the physically sick. It is a service agency, a teaching ministry, a leader in our nation.

During the fiscal year ending June 30, 1990, the Hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. The Cooperative Program Funds are used for the Department of Pastoral Care and other church gifts help financially needy patients.

Our North Carolina Baptist Hospital is grateful for your continuing support, both financially and prayerfully.

Report No. 38

1990 Annual Report
Christian Action League of North Carolina, Inc.

The last twelve months have been eventful ones in the Ministry of Applied Christianity.

LEGISLATIVE ISSUES

1. GAMBLING

All three lottery bills died in committee because the pro-gambling forces just didn't have the votes. The gambling industry launched a major campaign this year because the state was facing a $500 million budget short-fall. They employed the most effective lobbyists that can be found in North Carolina. The State Government Employees Association made the lottery its number one legislative objective. Yet, all of this wasn't enough because the Christian community spoke up.

You can rest assured that the gambling industry will be back in 1991.

2. DRUNK DRIVING

Proposals from Governor Jim Martin and a Legislative Study Committee that really would have toughened our drunk driving laws did not materialize. Some well-known defense attorneys made "sham" compromise offers in the House-Senate Conference Committee, but the House conferees rejected the offer. In many ways, the Senate compromise would have weakened even our current laws.

The House Bill provided for:

a. The lowering of the breathalyzer blood alcohol level from .10 to .08;
b. The banning of open containers of all alcoholic beverages in motor vehicles;
c. Increasing the civil revocation of driver's licenses from 10 to 30 days (North Carolina is the only state in the nation with less than a 30-day loss of driving

privileges for registering a .10 or above on the breathalyzer);

d. Increasing the fines for being convicted of drunk driving (in 1947 the minimum fine was $100, and it is still the same 43 years later);

3. ABORTION

a. Because of the outstanding work of Representative "Skip" Stam of Wake County, the House voted to reduce the state's abortion fund from $400,000 to $100,000. These remaining funds could not be used for abortion as a means of birth control. They could only be utilized for abortion when the mother's life is endangered, or in cases that result from rape or incest. However, the Senate voted to leave the funding at its current rate.

b. A parental consent proposal overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor but the bill died in the Senate (such consent is required before a school official can give an aspirin to a student, but such consent is not required for a minor to receive an abortion).

4. OBSCENITY

The Senate did approve Representative "Skip" Stam's House bill to make the possession of child pornography a felon.

The U.S Supreme Court, in upholding a Ohio law, stated that the purpose of such legislation is to protect the victims of child pornography and that the State of Ohio passed it "in hopes of destroying a market for the exploitative use of children".

We applaud that work of Representative Stam of Wake County (a Deacon in the Apex Baptist Church) in his tireless efforts on this legislation. Children deserve the most stringent safeguards our laws can possibly provide.

5. MISCELLANEOUS

Other legislative proposals such as raising the tax on alcoholic beverages and requiring the teaching in public schools of sexual abstinence outside of marriage to combat the teenage pregnancy problem were side tracked by the Senate. Incidentally, the tax on beer has not been increased in North Carolina since 1969. This reveals how strong the beer lobbyists are.

CHURCH AND COMMUNITY ASSISTANCE

In the past year, the League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Morganton, Archdale, Waynesville, etc., in their efforts to defeat various referenda such as liquor-by-the-drink and beer-wine sales.

We have sought to keep the Christian community informed on moral and ethical issues through our publication, *Tomorrow,* and through speaking in churches, pastors conferences and civic clubs.

Thank you for your prayers and financial support in our Ministry of Applied Christianity.

Associational Church Media Organization Report 1989 - 1990

This year the best report has come from our churches on their Media Library. Out of the 33 churches there are 24 libraries - five of these are inactive at the time, 10 use the Dewey decimal system of classification, and 15 have some kind of audio and visual aids - slides, recordings, audiocassettes, as well as the equipment to use them.

The Associational organization has been studying *The Learning Team: The Learner, The Leader, The Library by Keith Mee.*

The Associational Library has many books, audiovisuals, modules, as well as the equipment to check out.

Report No. 40

Report of Baptist Children's Homes of North Carolina, Inc.

The first child admitted to a Baptist Children's Home was in November 1885. In 1990, Baptist Children's Homes served over 1,000 school age children from almost every county in North Carolina.

The Baptist Children's Homes of North Carolina provide:

1. Group Care: Children live 12 to a cottage with a team of professional workers.
2. Emergency Care: Eleven Emergency Care Homes provide care for children who must be removed from their living situtations immediately.
3. Maternity Home: Unwed mothers receive care in Asheville.
4. Therapeutic Camping: Boys sort out their lives in the wilderness.
5. Social Work Services: Persons provide referrals for crisis intervention, co-planning, and advanced education.
6. Child Development Center: Churches are trained to establish child care ministries.
7. Behavioral Change: Girls resolve conflict through confrontation and learn to live within society's rules.
8. Care House: Teen-age mothers learn parenting skills for their babies.
9. Parent Aide: In-home volunteers work with parents to prevent crises.

B.C.H. operates on an 8.2 million dollar budget with 280 employees. The publication *Charity and Children* founded in 1887, circulates 42,000 copies. Free subscriptions are available by writing: Editor, Box 338 Thomasville, NC 27361-0338. Michael C. Blackwell, President since 1983, counted on the Cooperative Program, church designations, and the designated offerings for Homes and Hospitals to provide thirty five percent of the operating budget for 1990.

These institutions need revenue for daily care of children. The Baptist Children's Homes will receive the Thanksgiving Offering in November 1991. The last offering was taken in May 1990. We need to be aware of this long period during which no offering

will be received for the Children's Homes. Some churches have decided they will receive an offering this November for the child care ministry to assist during this long period.

History of Concord Baptist Church

Concord Baptist Church is being featured this year along with one other church in the associational annual. It was featured in 1971. Listed below is some of the history of Concord Baptist Church.

Concord Baptist Church is located in the southern part of Granville county, three and one-half miles from Creedmoor, North Carolina. The original church was built of logs in the year 1782. It was named Locks Church. It was non-denominational. In 1805 the church was constituted by Elders George Rebbards, J. Rucke and James Weathers and the name was changed to Concord Baptist Church. From 1805 to 1855, there are no records. Sometime before the year 1857, a new frame building was erected, the exact date is not known. This building stood and was in use until 1959 at which time the present building was erected. The old frame church was torn down.

Concord was the first church to be organized in this section and for many years was the leading country church. From this church, members went out into adjacent communities and organized other Baptist Churches. One of those churches is Creedmoor First Baptist Church, founded in 1985, which was built by one of Concord's most noted members, Thomas B. Lyon. After the organization of other nearby churches, many members were lost. It was in its early years that Concord reached its peak.

One interesting fact about the original church was that it had a special gallery which was used by Blacks from the time of the organization in 1805 untl 1867 when they went into a separated building.

In 1988 chairs were purchased for the church. Some of these chairs are used today in the Sunday School rooms. Many of the chairs were sold to members in 1965 when new pews were purchased.

The first Baptist Young People's Union was organized at Concord in 1925 with Ralph Daniel as its first president. WMU was organized in 1929 with Mrs. Thelma Coley as its first President.

In 1964 Concord changed a ruling that deacons would serve on a rotating basis rather than being elected to serve until their death or until they requested to be removed.

On October 12, 1975, Concord celebrated homecoming with dedication services for a new fellowship hall; Rev. Bob Wainwright was the guest speaker. On September 16, 1979, Concord voted to begin a parsonage fund and in 1983, a house was purchased to be used as the parsonage. Also in September 1979, the first woman deacon, Mrs. Jennie Thompson, was appointed and was ordained in October 1979.

Rev. Lonnie Reynolds, who served as pastor at Concord from 1983-1985 left the church in order to serve as a foreign missionary. He and his family are now serving as missionaries in Spain.

In 1988, ground breaking services were held to begin the construction of a baptistry at Concord. After construction began, it was determined that the existing fellowship hall would have to be torn down and rebuilt in order to support the new baptistry. A new fellowship hall was erected and the second story structure consisted of the baptistry, restrooms and additional Sunday School rooms. On February 5, 1989, the first-ever baptismal service was held at Concord Baptist Church.

Concord has a membership of 293. Many changes have taken place over the years within the church. Through God's blessings and the faithful service of Christians at Concord Baptist Church. It has continued to grow and serve its community.

Updated History of First Baptist Church of Tungsten

First Baptist Church of Tungsten, located in the northern part of Vance County, was last featured in the Flat River Baptist Association Annual in 1971. Since that time, we have experienced growth in our church and have expanded to meet those growth needs.

Pastors serving since 1971 have been:

Rev. James Talley	1971-1974
Rev. Sam Brewer	1974-1983
Rev. Robin Rowe	1983-1984
Rev. Durwood Perry	1984-1987
Rev. Sam Brewer	1987-present

Under the leadership of Rev. Sam Brewer from 1974-1983, Tungsten developed a continual growth pattern. In 1974, the vestibule was added and the sanctuary was remodeled; a year later, a fellowship hall/classroom area was built. We celebrated our twenty-fifth anniversary with a new look both inside and outside the church. With the growth of the Sunday School Department additional classrooms were needed. In 1981, an educational wing was constructed. Other additions have included a kitchen and an outdoor fellowship area. With the Lord's blessings and contributions from members and friends, we accomplished all of these additions without incurring any debt.

Outreach ministries have been an important part of Tungsten's growth. The "Lakeside Jubilee" held every Labor Day weekend for the past sixteen years has reached thousands of people. A rest home ministry started in 1974 is still being carried on. In 1989 we began publication of *The Tungsten Trumpet,* a newspaper received by over 3,300 families in northern Vance and Granville counties. A Cradle Roll Ministry was also established for families of all newborns in both counties.

The music program, a compliment to our weekly worship services, has experienced growth, also. We are fortunate to have several groups that perform regularly. In 1972 an

organ was purchased and in 1989, a baby grand piano and synthesizer keyboard was added.

Tungsten continues to have Sunday morning and evening worship, mid-week services, an active Women's Missionary Union and Brotherhood, as well as youth and senior adult organizations.

The goal of First Baptist Church of Tungsten, as we prepare to celebrate our fortieth anniversary this November, is a forty percent plus increase in attendance, in giving, and in soul winning.
